About the Maxim Group's Re-Engaging Medical Practices in an Era of COVID-19 Webinar

As the country slowly begins to re-open, information is imperative. How and when will medical practices re-open, and to what extent? How are companies adjusting their commercialization strategies and practices during this time? What does access to capital look like in a reopening world? This conference intends to explore these questions and more, with insights from management, Q&A, and panel discussions.

To access the full event, please **RSVP HERE**.
