Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Appointment of Chief Executive Officer and Director

On July 2, 2019, the Company’s board of directors (the “Board”) appointed David Mowry as Chief Executive Officer (“CEO”) of the Company effective as of his employment commencement date, which is July 8, 2019. On the same date, the Board also increased the number of directors constituting the Board from six to seven directors and appointed Mr. Mowry to the Board, effective as of July 8, 2019 and until such time as his successor is duly elected and qualified. On July 9, 2019, the Company issued a press release regarding the hiring of Mr. Mowry and his appointment to the Board, a copy of which is attached hereto as Exhibit 99.1.

From May 2016 to October 2018, Mr. Mowry served as President and Chief Executive Officer, as well as a member of the Board of Directors, of Vyair Medical, a global leader in the respiratory diagnostics, ventilation, and anesthesia delivery and patient monitoring market segments. Prior to his assignment at Vyair, Mr. Mowry served from October 2015 to May 2016 as Executive Vice President and Chief Operating Officer and member of the Board of Directors of Wright Medical Group N.V., a global medical device company focused on extremities and biologics products, and during this time period he was also a member of the Board of Directors of EndoChoice Holdings, Inc., a company focused on the manufacturing and commercialization of platform technologies relating to the treatment of gastrointestinal conditions. Prior to Mr. Mowry’s assignment at Wright Medical Group, he served as President and Chief Executive Officer and member of the Board of Directors of Tomier N.V. from February 2013 until October 2015, at which time Tomier and Wright Medical Group merged, and prior to that, as Chief Operating Officer of Tomier from 2011 to 2013. Within the spine industry, Mr. Mowry served as Vice President of Operations and Logistics at Zimmer Spine from February 2002 until October 2006. Mr. Mowry has held executive leadership positions over his thirty year medical device career at Covidien plc, ev3, Inc. and Zimmer Spine, Inc. Mr. Mowry is on the board of directors of Alphatec Holdings, Inc., a public medical technology company that designs, develops, and markets products for the surgical treatment of spine disorders. Mr. Mowry received a B.S. degree in Engineering from the United States Military Academy at West Point.

Mr. Mowry’s base salary will be \$650,000 and he will not be entitled to receive any board compensation during the period of his employment. Mr. Mowry will also be eligible to participate in the Company’s 2019 Management Bonus Program on a prorated basis to reflect the period during 2019 that Mr. Mowry is employed with the Company, and his target bonus percentage will be equal to 80% of his base salary. The annual cash compensation of Mr. Mowry will be as follows:

Name	Position	Salary	Target Cash Bonus Opportunity ⁽¹⁾	Target Cash Compensation
David Mowry	CEO and Director	\$650,000	\$520,000	\$1,170,000

(1) The annual Target Cash Bonus Opportunity is based on the corporate performance measures and the target bonus percentage applicable to Mr. Mowry per the 2019 Management Bonus Program. For 2019, Mr. Mowry’s Target Cash Bonus Opportunity will be a prorated amount to reflect the period during 2019 that he is employed with the Company.

Mr. Mowry’s offer letter provides Mr. Mowry with a relocation expense reimbursement benefit of up to \$150,000, contingent on Mr. Mowry relocating to Brisbane, California or the San Francisco Bay Area within 18 months of employment commencement, and a sign-on bonus of \$100,000. Mr. Mowry is obligated to return the sign-on bonus in full if he has not relocated within the 18-month period described above, or Mr. Mowry terminates his employment with the Company within such period.

Mr. Mowry’s equity award compensation, which includes restricted stock units and performance-based restricted stock units are described further below.

Pursuant to a Change of Control and Severance Agreement (the “Severance Agreement”), in the event of the Company’s termination of Mr. Mowry’s employment with the Company without Cause (as defined in the Severance Agreement) and other than due to Mr. Mowry’s death or disability, that occurs other than during the period beginning three months prior to a Change of Control (as defined in the Severance Agreement) through 12 months after a Change of Control (the “Change of Control Period”), Mr. Mowry would be entitled to receive a lump sum cash payment equal to the sum of (a) 100% of his annual base salary, (b) 100% of his actual bonus for the prior fiscal year, and (c) the product of 12 times the first month’s premium payable for continued Company group health care coverage for Mr. Mowry and his eligible dependents (collectively, the “Cash Severance”). If during the Change of Control Period, Mr. Mowry’s employment is terminated by the Company without Cause and other than due to his death or disability, or Mr. Mowry resigns for Good Reason, then Mr. Mowry will receive the Cash Severance plus vesting acceleration with respect to certain of his equity awards as follows. Mr. Mowry’s outstanding equity awards that are subject to time-based vesting (but not achievement of performance goals) will accelerate vesting as to 100% of the shares subject to those awards. Any severance payments and benefits under the Severance Agreement are subject to Mr. Mowry entering into and not revoking a release of claims in favor of the Company. The Severance Agreement also provides that, in the event of a Change of Control, with respect to any equity awards granted to Mr. Mowry within the period 12 months prior to the Change of Control that, as of the Change of Control, are subject to achievement of performance-based criteria (excluding Mr. Mowry’s performance-based restricted stock units described further below), any portion of such awards for which the performance period is ongoing as of the Change of Control will have the performance period shortened and performance measured based on the shortened period, and to the extent performance is achieved, will vest in connection with the Change of Control. Any remaining portion of such award that has not vested prior to the Change of Control will terminate. The Severance Agreement is attached hereto as Exhibit 10.2 and is incorporated herein by reference.

Mr. Mowry is expected to enter into an indemnification agreement with the Company, the terms of which were previously described in Item 1.01 of the Current Report on Form 8-K filed by the Company on February 20, 2019.

There are no arrangements or understandings between Mr. Mowry and any person pursuant to which Mr. Mowry was selected as a director, and there are no actual or proposed transactions between Mr. Mowry or any of his related persons and the Company that would require disclosure under Item 404(a) of Regulation S-K (17 CFR 229.404(a)).

Equity Awards

On July 2, 2019, the Board approved the following equity awards, effective as of July 8, 2019, for Mr. Mowry:

- A restricted stock unit award covering 67,897 shares of the Company's common stock ("Shares"), determined as \$1,250,000, divided by the volume weighted average stock price of a Share ("VWAP") over the 50, consecutive, trading days immediately before Mr. Mowry's employment start date. This award is scheduled to vest in four, equal installments on each of the one-, two-, three-, and four-year anniversaries of Mr. Mowry's employment start date, subject to his continued employment through the applicable vesting date; and
- A performance-based restricted stock unit award covering a target of 67,897 Shares, determined as \$1,250,000, divided by the VWAP over the 50, consecutive, trading days immediately before Mr. Mowry's employment start date. This award is subject to performance-based criteria relating to the achievement of the Company's annual operating budget for non-GAAP operating margin measured over four performance periods that consist of the period of 2019 during which Mr. Mowry is employed with the Company and each of the Company's fiscal years 2020, 2021 and 2022, with the percentage of the target Shares subject to the award allocated to each such performance periods equal to 15%, 25%, 30%, and 30%, respectively. The maximum number of Shares that may vest under the award is 150% of the target number of Shares subject to the award. Upon achievement of performance during a performance period, the applicable portion of the award will vest subject to Mr. Mowry's continued employment with the Company through the date that performance is certified. In the event of the Company's Change of Control (as defined in the Severance Agreement) while this award remains subject to performance achievement, the portion of the award allocated to the performance period that is ongoing as of the Change of Control will be deemed to have achieved performance at the target level, and will be scheduled to vest on the last day of such performance period subject to Mr. Mowry's continued employment through such date. Any portion of the award for which the performance period has not commenced will terminate in connection with the Change of Control.

Mr. Mowry's offer letter also contemplates that for 2020, Mr. Mowry would be eligible to receive a restricted stock unit award with a value of approximately \$400,000 that would be scheduled to vest generally over a period of three years subject to his continued employment, and a performance-based restricted stock unit award with a value of approximately \$400,000 (the "2020 PSU") that would be subject to performance goals determined by the Board. In the event of the Company's Change of Control (as defined in the Severance Agreement) while the 2020 PSU remains subject to performance achievement, the portion of the award allocated to the performance period that is ongoing as of the Change of Control will be deemed to have achieved performance at the target level, and will be scheduled to vest on the last day of such performance period subject to Mr. Mowry's continued employment. Any portion of the 2020 PSU for which the performance period has not commenced will terminate in connection with the Change of Control.

On July 2, 2019, the Board approved the following equity awards, effective as of July 8, 2019, for Mr. Richey:

- A restricted stock unit award covering 27,159 Shares, determined as \$500,000, divided by the VWAP over the 50, consecutive, trading days immediately before July 8, 2019. - A restricted stock unit award covering 27,159 Shares, determined as \$500,000, divided by the VWAP over the 50, consecutive, trading days immediately before July 8, 2019. Dear Mr. Mowry:

It is with great pleasure that the Board of Directors of Cutera, Inc. (the "Board") would like to extend you an offer to join Cutera, Inc. (the "Company" or "Cutera"). It is our belief that your industry knowledge, extensive experience, and proven skills will favorably contribute to the future of Cutera.

We are offering you the position of ***Chief Executive Officer*** reporting directly to the Board. We would like a start date of July 8, 2019.

Your compensation package shall include the following:

- 1) **Annual salary of \$650,000**, payable to you semi-monthly at \$27,083.33 per pay period, in accordance with the Company's standard payroll practices, and less applicable payroll and tax deductions. You should note that the Company may modify job titles, salaries and benefits from time to time as it deems necessary.
- 2) **Participation in Company Bonus Plans:**
 - o **Discretionary Management Bonus Plan** at a 80% of your annual salary (or \$520,000), target level. This plan is discretionary and shall be based on the 2019 Bonus Plan as approved by the Board and prorated for calendar year 2019 based on the portion of the year during which you are employed with the Company.

The existence and amount paid, if any, under these discretionary plans will at all times remain subject to Cutera's sole discretion and any payment ever made under these discretionary plans do not guarantee any further payment.

3) **Equity Compensation:** Subject to Board approval, the Company will grant you the following equity awards:

a) New Employee Grant:

Restricted Stock Units (“RSUs”) covering a number of shares of the Company’s common stock based on a value of \$1,250,000. The actual number of shares subject to these RSUs is expected to be determined by dividing such value by the volume weighted average stock price of the Company’s common stock over the fifty (50), consecutive, trading days immediately preceding (and exclusive of) the first day of your employment with the Company (your “Start Date” and such average price, the “Applicable Stock Price”); and

Performance-based Restricted Stock Units (“PSUs”) covering a number of shares of the Company’s common stock at target performance equal to \$1,250,000 divided by the Applicable Stock Price.

These RSUs will be scheduled to vest as to 25% of the shares subject to the RSUs on the one-, two-, three- and four-year anniversaries of your Start Date, subject to your continued employment with us through the applicable vesting date. These PSUs will be scheduled to vest generally over a 3.5-year period, commencing from your Start Date, based on your continued service with the Company through the applicable vesting dates as determined by the Board, and vesting of these PSUs further will be subject to achievement of specified performance metrics, generally contemplated to be as follows.

Achievement of the Company’s Annual Operating Budget for Non-GAAP Operating Margin, as determined by the Board, and measured over the following performance periods: (i) 15% of the target number of these PSUs will be subject to performance achievement during the period beginning on your employment start date and ending December 31, 2019, (ii) 25% of the target number of these PSUs will be subject to performance achievement during the Company’s 2020 fiscal year, (iii) 30% of the target number of these PSUs will be subject to performance achievement during the Company’s 2021 fiscal year, and (iv) 30% of the target number of these PSUs will be subject to performance achievement during the Company’s 2022 fiscal year. Achievement of the applicable performance metrics for the performance period will result in a percentage of the target number of these PSUs allocated to that performance period vesting, subject to your continued service through the date that the Board certifies the applicable performance achievement, as follows:

Achievement of Performance Metric at:	Percentage of Target Number of New Employee Grant PSUs allocated to Performance Period that Become Eligible to Vest
Less than 91%	0%
Equal to or greater than 91% but less than 100%	85%
Equal to or greater than 100% but less than 106%	100%
Equal to or greater than 106% but less than 126%	125%
Equal to or greater than 126%	150%

In the event that a Change of Control (as defined in your Change of Control and Severance Agreement, as discussed further below) occurs while these PSUs still remain outstanding and subject to achievement of the applicable performance metrics, then as of immediately prior to the Change of Control, the portion of these PSUs allocated to the performance period in which the Change of Control occurs will be deemed to have met the applicable performance metrics at the target level and such portion will be scheduled to vest on the last day of such performance period, subject to your continued employment through that date. In such event, for purposes of your Change of Control and Severance Agreement, such portion of the award will be considered to be time-based vesting. Any other remaining portion of these PSUs for which the performance period has not yet commenced prior to the Change of Control will terminate automatically as of immediately prior to the Change of Control.

- b) Annual Equity Grants for 2020 (to be granted in 2020 generally at the same time as annual equity grants are granted to senior executives, and subject to employment with the Company through such grant date):
 - i) *RSUs*: RSUs covering a number of shares of the Company's common stock (equivalency of approximately \$400,000, divided by the volume weighted average stock price of the Company's common stock over the fifty (50), consecutive, trading days immediately preceding (and exclusive of) the grant date of the RSUs). These RSUs will be scheduled to vest generally over a three-year period, commencing the RSUs' date of grant, based on your continued service with the Company through the applicable vesting dates as determined by the Board.

- ii) *Performance Stock Units (“PSUs”)*: PSUs covering a number of shares of the Company’s common stock at target performance (equivalency of approximately \$400,000, divided by the volume weighted average stock price of the Company’s common stock over the fifty (50), consecutive, trading days immediately preceding (and exclusive of) the grant date of the PSUs). Vesting of these PSUs shall be contingent on the achievement of certain Company performance goals to be established by the Board for the Company’s 2020 fiscal year and continued service through applicable dates determined by the Board. In the event that a Change of Control (as defined in your Change of Control and Severance Agreement, as discussed further below) occurs while these PSUs still remain outstanding and subject to achievement of the applicable performance metrics, then as of immediately prior to the Change of Control, the portion of these PSUs allocated to the performance period in which the Change of Control occurs will be deemed to have met the applicable performance metrics at the target level and such portion will be scheduled to vest on the last day of such performance period, subject to your continued employment through that date. In such event, for purposes of your Change of Control and Severance Agreement, such portion of the award will be considered to be time-based vesting. Any other remaining portion of these PSUs for which the performance period has not yet commenced prior to the Change of Control will terminate automatically as of immediately prior to the Change of Control.

Any equity awards described above that are granted to you shall be subject to the terms and conditions of the Company’s 2019 Equity Incentive Plan and applicable standard form of award agreement thereunder, including vesting requirements. No right to any stock is earned or accrued until such time that vesting occurs, nor does the grant confer any right to continue vesting or employment.

4) Change of Control and Severance Agreement (the “Severance Agreement”):

Attached is a Severance Agreement that sets forth the detailed benefits that you may become entitled to receive in the event of a termination of your employment under certain circumstances. The following is a brief summary of the key severance benefits:

- If you are *terminated by the Company without “Cause”* (and other than due to your death or disability) not in connection with a Change of Control (“COC”) (as defined in the Severance Agreement), then you would be entitled to receive a lump sum cash payment equal to twelve (12) months of your then-current annual base salary at the time of termination, 100% of the actual bonus paid to you in the prior fiscal year of the Company, and an amount equal to the product of (x) 12 months multiplied by (y) the amount of the premiums payable for your first month of continued health coverage premiums under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (“COBRA”) (without regard to whether you elect continued coverage under COBRA).

- If you are terminated by the Company without Cause (and other than due to your death or disability) or if you resign for “Good Reason,” and the termination occurs during the period beginning 3 months prior to the date of the COC and ending 12 months after the date of the COC (commonly referred to as “double trigger”), then you will receive (a) a lump sum cash payment equal to twelve (12) months of your then-current annual base salary at the time of termination, 100% of actual bonus paid to you in the prior fiscal year of the Company, and an amount equal to the product of (x) 12 months multiplied by (y) the amount of the premiums payable for your first month of continued health coverage premiums under COBRA (without regard to whether you elect continued coverage under COBRA), and (b) full vesting acceleration with respect to your then-outstanding, time-based vesting equity awards.

Please note that your receipt of any and all severance or Change of Control benefits or payments will be subject to your signing and not revoking a separation agreement and release of claims in a form reasonably satisfactory to the Company (the “**Release**”) and provided that such Release becomes effective and irrevocable no later than sixty (60) days following the termination date (such deadline, the “**Release Deadline**”).

- 5) **Relocation Allowance:** We are also offering you reimbursement of relocation expenses for your move from Lake Forest, Illinois to Brisbane, California or within the San Francisco Bay Area, up to a maximum reimbursement of \$150,000, if you relocate within eighteen (18) months of your start date. We will only reimburse you for these expenditures once you submit valid receipts to the Company and only if you are an employee of the Company on the date of reimbursement or payment by the Company. Relocation expenses that are taxable must be substantiated in writing (by valid receipts or any other reasonable method of invoicing, showing proof of payment for an eligible relocation cost) within thirty (30) days any such relocation expense is incurred. Any such relocation expense will be reimbursed to you via check or electronic funds transfer by the thirtieth (30th) day following the date of receipt by the Company of your written substantiation.

Sign-On Bonus: We are also offering you a one-time sign-on bonus of \$100,000, less applicable withholdings, which will be paid to you within thirty (30) days of your Start Date (the “**Sign-On Bonus**”). If 1) you have not relocated to Brisbane, California or within the San Francisco Bay Area within eighteen (18) months of your start date, or 2) you terminate your employment with the Company within eighteen (18) months of your Start Date, then you will be required to repay to the Company the gross amount of the Sign-On Bonus no later than thirty (30) days following the date of termination of your employment with the Company. **Employment Eligibility Verification:** For purposes of federal immigration law, you will be required to provide to the Company documentary evidence of your identity and eligibility for employment in the United States. Such documentation must be provided to us within three (3) business days of your date of hire, or our employment relationship with you may be terminated.

Benefits: The Company provides competitive benefits including medical, dental, vision, EAP, flexible spending, 401(k) retirement savings employer matching, discounted Employee Stock Purchase Plan, and life insurance.

Paid Time Off (PTO): You will be entitled to four (4) weeks of PTO per year (PTO hours are accrued per pay period) capped at six (6) weeks, in accordance with the Company's PTO policy.

At Will Employment: You understand and acknowledge that your employment with the Company is for an unspecified duration and constitutes "at-will" employment. This means that the Company or you may terminate your employment relationship with the Company at any time, with or without cause and with or without notice. The at-will nature of this employment relationship cannot be modified except expressly in a signed writing by the Company's president.

Proprietary Information Agreement: As a condition of your employment, you must sign the Company's standard Employee Proprietary Information Agreement. This offer letter, and the Employee Proprietary Information Agreement, constitute the entire agreement between the Company and you relating to your employment with the Company, and supersede all prior and contemporaneous discussions and understandings.

Conflicting Obligations: We also ask that, if you have not already done so, you disclose to the Company any and all agreements relating to your prior employment that may affect your eligibility to be employed by the Company or limit the manner in which you may be employed. It is the Company's understanding that any such agreements will not prevent you from performing the duties of your position and you represent that such is the case. Moreover, you agree that, during the term of your employment with the Company, you will not engage in any other employment, occupation, consulting or other business activity directly related to the business in which the Company is now involved or becomes involved during the term of your employment, nor will you engage in any other activities that conflict with your obligations to the Company. Similarly, you agree not to bring any third party confidential information to the Company, including that of your former employer, and that in performing your duties for the Company you will not in any way utilize any such information. As discussed with you, the Company acknowledges that you will remain a board member of Alphatec Holdings Inc., only until, at the Cutera Board's sole discretion, you are asked by Cutera's Board to resign, to the extent permissible under applicable law. The Board agrees to reassess such a decision within twenty-four (24) months.

New Hire Orientation: Your new hire orientation will occur at 10:00 am on your start date. Please complete the forms enclosed in your new hire packet and bring the packet with you to this orientation. In addition, please bring applicable original documents as listed on the “Employment Eligibility Verification” form.

CHANGE OF CONTROL AND SEVERANCE AGREEMENT

This Change of Control and Severance Agreement (the "Agreement") is made and entered into by and between Mr. Dave Mowry ("Employee") and Cutera, Inc., a Delaware corporation (the "Company"), effective as of date that Employee commences employment with the Company (the "Effective Date").

RECITALS

A. The Company may from time to time consider the possibility of an acquisition by another company or other change of control, or may terminate Employee's employment without cause or may cause Employee to resign his or her employment as a result of actions taken by the Company that materially and negatively change Employee's employment relationship with the Company. The Compensation Committee of the Board of Directors of the Company (the "Committee") recognizes that the risk of such events occurring can be a distraction to Employee and can cause Employee to consider alternative employment opportunities. The Committee has determined that it is in the best interests of the Company and its stockholders to assure that the Company will have the continued dedication and objectivity of Employee, notwithstanding the possibility that such events may occur.

B. The Committee believes that it is in the best interests of the Company and its stockholders to provide Employee with an incentive to continue his or her employment.

C. The Committee believes that it is imperative to provide Employee with certain severance benefits in certain instances upon Employee's termination of employment. These benefits will provide Employee with enhanced financial security and incentive and encouragement to remain with the Company notwithstanding the possibility that certain events may occur that lead to the termination of Employee's employment.

D. Certain capitalized terms used in the Agreement are defined in Section 6 below.

E. This Agreement supersedes and replaces, in its entirety, any prior agreement between the Company and Employee relating to the subject matter that is contained in this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties hereto agree as follows:

1. Term of Agreement. This Agreement will have an initial term of four (4) years commencing on the Effective Date (the "Initial Term"). On the fourth anniversary of the Effective Date, this Agreement will renew automatically for additional one (1) year terms (each, an "Additional Term") unless either party provides the other party with written notice of non-renewal at least sixty (60) days prior to the date of automatic renewal. Notwithstanding the foregoing sentence, if a Change of Control occurs at any time during either the Initial Term or an Additional Term, the term of this Agreement will extend automatically through the date that is twelve (12) months following the effective date of the Change of Control. If Employee becomes entitled to benefits under Section 4 during the term of this Agreement, the Agreement will not terminate until all of the obligations of the parties hereto with respect to this Agreement have been satisfied.

2. At-Will Employment. The Company and Employee acknowledge that Employee's employment is and will continue to be at-will, as defined under applicable law. If Employee's employment terminates for any reason, including (without limitation) any termination prior to or following a Change of Control as provided herein, Employee will not be entitled to any payments, benefits, damages, awards or compensation other than as provided by this Agreement or as provided in any employment agreement entered into between the Company and Employee, and the payment of accrued but unpaid wages, as required by law, and any unreimbursed reimbursable expenses.

3. Change of Control. In the event of a Change of Control, with respect to any equity awards granted to Employee by the Company during the twelve (12) month period occurring immediately prior to the date of the Change of Control that, as of the Change of Control, are outstanding and, but for this Section 3, would be subject to achievement of performance-based vesting conditions (other than continued service), but excluding any performance-based restricted stock unit granted to Employee as a "New Employee Grant" as referenced in the offer letter between Employee and the Company dated June 22, 2019 (such performance-based awards other than the "New Employee Grant," the "Performance Awards"), (a) any portion of such Performance Awards for which the performance period is ongoing as of the date of the Change of Control (the "Eligible Portion") will be shortened to a date determined by the Board or Committee, in its sole discretion, that occurs shortly before the date of the Change of Control (up to ten (10) days prior to the date of the Change of Control), (b) the Board or Committee, in its sole discretion, will determine the extent to which the applicable performance criteria for such shortened performance period, prorated or otherwise appropriately adjusted to reflect the shortened performance period, have been achieved, (c) the Eligible Portion will vest as of immediately prior to the Change of Control to the extent that such applicable performance criteria have been met, and (d) any remaining portion of the Performance Awards that has not vested prior to the Change of Control will terminate.

4. Severance Benefits.

(a) Termination without Cause Not in Connection with a Change of Control. If the Company terminates Employee's employment with the Company without Cause (and other than due to his death or Disability) other than during the period beginning three (3) months before, and ending twelve (12) months following, a Change of Control (such period, the "Change of Control Period"), and Employee signs and does not revoke a release of claims with the Company (in substantially the same form as set forth in Exhibit A) (the "Release") and provided that such Release becomes effective and irrevocable no later than sixty (60) days following Employee's termination date (such deadline, the "Release Deadline"), then subject to this Section 4, Employee will receive the following:

(i) Severance Payment. Employee will receive a lump-sum payment equal to the sum of (A) twelve (12) months of Employee's annual base salary as in effect immediately prior to Employee's termination date, less applicable withholdings, (B) one hundred percent (100%) of Employee's actual bonus for the prior fiscal year of the Company, less applicable withholdings, and (C) the product of (x) twelve (12) months, multiplied by (y) the amount of monthly premium that Employee otherwise would be required to pay for Employee and any of Employee's eligible dependents (if applicable) for the first month of Company group health care coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended ("COBRA"), without regard to whether Employee elects continued health coverage under COBRA for Employee and any of Employee's eligible dependents less to applicable withholdings.

(ii) Accrued Compensation. The Company will pay Employee all accrued but unpaid vacation, expense reimbursements, wages, and other benefits due to Employee under any Company-provided plans, policies, and arrangements.

(b) Termination without Cause or Resignation for Good Reason in Connection with a Change of Control. If the Company terminates Employee's employment with the Company without Cause (and other than due to his death or Disability) or if Employee resigns from such employment for Good Reason, and such termination occurs during the Change of Control Period, and Employee signs and does not revoke the Release and provided that such Release becomes effective and irrevocable no later than the Release Deadline, then subject to this Section 4, Employee will receive the following:

(i) Severance Payment. Employee will receive a lump-sum payment equal to the sum of (A) twelve (12) months of Employee's annual base salary as in effect immediately prior to Employee's termination date or, if greater, at the level in effect immediately prior to the Change of Control, less applicable withholdings, (B) one hundred percent (100%) of Employee's actual bonus for the prior fiscal year of the Company, less applicable withholdings, and (C) the product of (x) twelve (12) months, multiplied by (y) the amount of monthly premium that Employee otherwise would be required to pay for Employee and any of Employee's eligible dependents (if applicable) for the first month of Company group health care coverage under COBRA, without regard to whether Employee elects continued health coverage under COBRA for Employee and any of Employee's eligible dependents, less applicable withholdings.

(ii) Vesting Acceleration of Equity Awards. The forfeiture restrictions on all shares of time-based vesting restricted stock as to which such restrictions remain in place that are outstanding as of the date of termination of Employee's employment with the Company will lapse immediately, and all unvested, time-based vesting stock options, restricted stock units, and other similar equity awards granted by the Company that are outstanding as of the date of termination of Employee's employment with the Company will vest immediately as to one hundred percent (100%) of the shares subject thereto. Except as may be set forth in an award agreement or other agreement between the Company and Employee any equity awards that are to vest, and/or for which the amount of the awards to vest is to be determined, based on the achievement of performance criteria (e.g., PSU) as of the date of termination of Employee's employment with the Company shall not be eligible for the vesting acceleration described in this Section 4(b). If Employee is terminated for Cause or due to death or Disability, resigns with or without Good Reason outside of the Change of Control Period, or resigns without Good Reason during the Change of Control Period, then the unvested equity awards that are outstanding as of the date of employment termination shall terminate immediately pursuant to their terms. If Employee's employment has been terminated by the Company without Cause (and other than due to his death or Disability) or by Employee for Good Reason prior to a Change of Control, then Employee's unvested, time-based equity awards will remain outstanding and unvested for an additional three (3) months following termination (but in no event beyond each such equity award's original maximum term to expiration, if applicable) solely for purposes of determining whether a Change of Control occurs during such period. For the avoidance of doubt, the immediately preceding sentence will not apply to any Performance Awards. If a Change of Control does not occur during the three (3) month period following Employee's termination then the unvested, time-based equity awards shall terminate at the end of such period. If Employee's employment has been terminated by the Company without Cause (and other than due to his death or Disability) or by Employee for Good Reason and a Change of Control occurs during such three (3) month period following termination, such unvested, time-based equity awards that are outstanding as of the date of termination of Employee's employment with the Company (and are still within their maximum term to expiration) shall accelerate vesting in accordance with the terms of this Section 4.

(iii) Accrued Compensation. The Company will pay Employee all accrued but unpaid vacation, expense reimbursements, wages, and other benefits due to Employee under any Company-provided plans, policies, and arrangements.

(c) Timing of Payments.

(i) If the Release does not become effective and irrevocable by the Release Deadline, Employee will forfeit any rights to severance or benefits under this Agreement other than the accrued compensation set forth in Section 4(a)(ii) and Section 4(b)(iii). In no event will severance payments or benefits be paid or provided until the Release becomes effective and irrevocable.

(ii) Unless otherwise required by Section 4(g), the Company will pay any severance payments set forth in Section 4(a)(i) and Section 4(b)(i) in a lump-sum payment payable within sixty (60) days following Employee's termination date; provided, however, that no severance or other benefits, other than the accrued compensation set forth in Section 4(a)(ii) and Section 4(b)(iii), will be paid or provided until the Release in Section 4(a) and Section 4(b) becomes effective and irrevocable. If Employee should die before all of the severance amounts have been paid, such unpaid amounts will be paid in a lump-sum payment promptly following such event to Employee's designated beneficiary, if living, or otherwise to the personal representative of Employee's estate.

(d) Voluntary Resignation; Termination for Cause. If Employee's employment with the Company terminates (i) voluntarily by Employee (with or without Good Reason) outside of the Change of Control Period or by Employee other than for Good Reason during the Change of Control Period, or (ii) for Cause by the Company, then Employee will not be entitled to receive severance or other benefits except for those (if any) as may then be established under the Company's then existing severance and benefits plans and practices or pursuant to other written agreements with the Company.

(e) Disability; Death. If the Company terminates Employee's employment as a result of Employee's Disability, or Employee's employment terminates due to his or her death, then Employee will not be entitled to receive any other severance or other benefits except for those (if any) as may then be established under the Company's then existing written severance and benefits plans and practices or pursuant to other written agreements with the Company.

(f) Exclusive Remedy. In the event of a termination of Employee's employment as set forth in Section 4(a) and Section 4(b) of this Agreement, the provisions of this Section 4 are intended to be and are exclusive and in lieu of any other rights or remedies to which Employee or the Company otherwise may be entitled, whether at law, tort or contract, in equity, or under this Agreement (other than the payment of accrued but unpaid wages, as required by law, and any unreimbursed reimbursable expenses). Employee will be entitled to no benefits, compensation or other payments or rights upon a termination of employment prior to or following a Change of Control other than those benefits expressly set forth in Section 4 of this Agreement. For purposes of clarity, in the event a termination of Employee's employment as set forth in Section 4(a) or Section 4(b) of this Agreement occurs during the period within three (3) months prior to a Change of Control, any severance payments and benefits to be provided to Employee under Section 4(b) will be reduced by any amounts that already were provided to Employee under Section 4(a).

(g) Section 409A.

(i) Notwithstanding anything to the contrary in this Agreement, no severance pay or benefits to be paid or provided to Employee, if any, pursuant to this Agreement that, when considered together with any other severance payments or separation benefits are considered deferred compensation under Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and the final regulations and any guidance promulgated thereunder ("Section 409A") (together, the "Deferred Compensation Separation Benefits") will be paid or otherwise provided until Employee has a "separation from service" within the meaning of Section 409A. Similarly, no severance payable to Employee, if any, pursuant to this Agreement that otherwise would be exempt from Section 409A pursuant to Treasury Regulation Section 1.409A-1(b)(9) will be payable until Employee has a "separation from service" within the meaning of Section 409A.

(ii) Any severance payments or benefits under this Agreement that would be considered Deferred Compensation Severance Benefits will be paid on, or, in the case of installments, will not commence until, the sixtieth (60th) day following Employee's separation from service, or, if later, such time as required by Section 4(g)(iii). Except as required by Section 3(g)(iii), any installment payments that would have been made to Employee during the sixty (60) day period immediately following Employee's separation from service but for the preceding sentence will be paid to Employee on the sixtieth (60th) day following Employee's separation from service and the remaining payments shall be made as provided in this Agreement.

(iii) Notwithstanding anything to the contrary in this Agreement, if Employee is a “specified employee” within the meaning of Section 409A at the time of Employee’s termination (other than due to death), then the Deferred Compensation Separation Benefits that are payable within the first six (6) months following Employee’s separation from service, will become payable on the first payroll date that occurs on or after the date six (6) months and one (1) day following the date of Employee’s separation from service. All subsequent Deferred Compensation Separation Benefits, if any, will be payable in accordance with the payment schedule applicable to each payment or benefit. Notwithstanding anything herein to the contrary, if Employee dies following Employee’s separation from service, but prior to the six (6) month anniversary of the separation from service, then any payments delayed in accordance with this paragraph will be payable in a lump sum as soon as administratively practicable after the date of Employee’s death and all other Deferred Compensation Separation Benefits will be payable in accordance with the payment schedule applicable to each payment or benefit. Each payment, installment and benefit payable under this Agreement is intended to constitute a separate payment for purposes of Section 1.409A-2(b)(2) of the Treasury Regulations. To the extent necessary to comply with Section 409A, references to the termination of Employee’s employment with the Company or similar terms shall mean a “separation from service” within the meaning of Section 409A.

(iv) Any amount paid under this Agreement that satisfies the requirements of the “short-term deferral” rule set forth in Section 1.409A-1(b)(4) of the Treasury Regulations will not constitute Deferred Compensation Separation Benefits for purposes of clause (i) above. It is the intent of this Agreement that all cash severance payments under Sections 4(a)(i) and 4(b)(i) will satisfy the requirements of the “short-term deferral” rule.

(v) Any amount paid under this Agreement that qualifies as a payment made as a result of an involuntary separation from service pursuant to Section 1.409A-1(b)(9)(iii) of the Treasury Regulations that does not exceed the Section 409A Limit (as defined below) will not constitute Deferred Compensation Separation Benefits for purposes of clause (i) above.

(vi) The foregoing provisions are intended to be exempt from or comply with the requirements of Section 409A so that none of the severance payments and benefits to be provided hereunder will be subject to the additional tax imposed under Section 409A, and any ambiguities or ambiguous terms herein will be interpreted to be exempt or so comply. The Company and Employee agree to work together in good faith to consider amendments to this Agreement and to take such reasonable actions which are necessary, appropriate or desirable to avoid imposition of any additional tax or income recognition prior to actual payment to Employee under Section 409A. In no event will the Company or any of its parent, subsidiaries or affiliates have any liability or obligation to reimburse, indemnify, or hold harmless Employee for any taxes, penalties, or interest imposed, or other costs incurred, as a result of Section 409A.

(h) Other Requirements. Employee’s receipt of any payments or benefits under this Section 4 will be subject to Employee continuing to comply with the terms of any confidential information agreement executed by Employee in favor of the Company and the provisions of this Agreement.

5. Limitation on Payments. In the event that the severance and other benefits provided for in this Agreement or otherwise payable to Employee (i) constitute “parachute payments” within the meaning of Section 280G of the Code, and (ii) but for this Section 5, would be subject to the excise tax imposed by Section 4999 of the Code, then Employee’s benefits under Section 4 will be either:

(a) delivered in full, or

(b) delivered as to such lesser extent which would result in no portion of such benefits being subject to the excise tax under Section 4999 of the Code,

whichever of the foregoing amounts, taking into account the applicable federal, state and local income taxes and the excise tax imposed by Section 4999, results in the receipt by Employee on an after-tax basis, of the greatest amount of benefits, notwithstanding that all or some portion of such benefits may be taxable under Section 4999 of the Code. If a reduction in severance and other benefits constituting "parachute payments" is necessary so that benefits are delivered to a lesser extent, reduction will occur in the following order: (i) reduction of cash payments in reverse chronological order (that is, the cash payment owed on the latest date following the occurrence of the event triggering the Excise Tax will be the first cash payment to be reduced); (ii) cancellation of equity awards that were granted "contingent on a change in ownership or control" within the meaning of Section 280G of the Code in the reverse order of date of grant of the awards (that is, the most recently granted equity awards will be cancelled first); (iii) reduction of the accelerated vesting of equity awards in the reverse order of date of grant of the awards (that is, the vesting of the most recently granted equity awards will be cancelled first); and (iv) reduction of employee benefits in reverse chronological order (that is, the benefit owed on the latest date following the occurrence of the event triggering the Excise Tax will be the first benefit to be reduced). In no event shall Employee have any discretion with respect to the ordering of payment reductions. Employee will be solely responsible for the payment of all personal tax liability that is incurred as a result of the payments and benefits received under this Agreement, and Employee will not be reimbursed, indemnified, or held harmless by the Company for any of those payments of personal tax liability.

Unless the Company and Employee otherwise agree in writing, any determination required under this Section 5 will be made in writing by nationally recognized accounting or valuation firm selected by the Company or such other person or entity to which the parties mutually agree (the "Accountants"), whose determination will be conclusive and binding upon Employee and the Company for all purposes. For purposes of making the calculations required by this Section 5, the Accountants may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of Sections 280G and 4999 of the Code. The Company and Employee will furnish to the Accountants such information and documents as the Accountants may reasonably request in order to make a determination under this Section. The Company will bear the costs and make all payments for the Accountants' services in connection with any calculations contemplated by this Section. The Company will have no liability to Employee for the determinations of the Accountants.

6. Definition of Terms. The following terms referred to in this Agreement will have the following meanings:

(a) Cause. "Cause" will mean Employee's termination only upon:

- (i) Employee's willful failure to substantially perform Employee's duties (subject to notice and a reasonable period to cure), other than a failure resulting from Employee's complete or partial incapacity due to physical or mental illness or impairment.
- (ii) Employee's willful act which constitutes gross misconduct and which is injurious to the Company;
- (iii) Employee's willful breach of a material provision of this Agreement (subject to notice and reasonable period to cure); or
- (iv) Employee's knowing, material and willful violation of a federal or state law or regulation applicable to the business of the Company.

(b) Change of Control. "Change of Control" will mean the occurrence of any of the following events:

(i) Change in Ownership of the Company. A change in the ownership of the Company which occurs on the date that any one person, or more than one person acting as a group ("Person"), acquires ownership of the stock of the Company that, together with the stock held by such Person, constitutes more than 50% of the total voting power of the stock of the Company, except that any change in the ownership of the stock of the Company as a result of a private financing of the Company that is approved by the Company's Board of Directors (the "Board") will not be considered a Change of Control; or

(ii) Change in Effective Control of the Company. A change in the effective control of the Company which occurs on the date that a majority of members of the Board is replaced during any twelve (12) month period by directors whose appointment or election is not endorsed by a majority of the members of the Board prior to the date of the appointment or election. For purposes of this clause (ii), if any Person is considered to be in effective control of the Company, the acquisition of additional control of the Company by the same Person will not be considered a Change of Control; or

(iii) Change in Ownership of a Substantial Portion of the Company's Assets. A change in the ownership of a substantial portion of the Company's assets which occurs on the date that any Person acquires (or has acquired during the twelve (12) month period ending on the date of the most recent acquisition by such person or persons) assets from the Company that have a total gross fair market value equal to or more than 50% of the total gross fair market value of all of the assets of the Company immediately prior to such acquisition or acquisitions. For purposes of this subsection (iii), gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets.

For these purposes, persons will be considered to be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with the Company.

Notwithstanding the foregoing provisions of this definition, a transaction will not be deemed a Change of Control unless the transaction qualifies as a change in control event within the meaning of Section 409A.

(c) Disability. “Disability” will mean that Employee is unable to engage in any substantial gainful activity, and specifically, the essential functions of Employee’s position, with or without reasonable accommodation, by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months. Termination resulting from Disability may only be effected after at least thirty (30) days’ written notice by the Company of its intention to terminate Employee’s employment. In the event that Employee resumes the performance of substantially all of his or her duties hereunder before the termination of his or her employment becomes effective, the notice of intent to terminate will automatically be deemed to have been revoked.

(d) Good Reason. “Good Reason” will mean Employee’s termination of employment within ninety (90) days following the expiration of any cure period (discussed below) following the occurrence of one or more of the following, without Employee’s consent:

(i) A material reduction in Employee’s authority, duties, or responsibilities relative to duties, position or responsibilities in effect immediately prior to such reduction;

(ii) A material reduction in Employee’s cash compensation as in effect immediately prior to such reduction; or

(iii) A material change in the geographic location at which Employee must perform services (in other words, the relocation of Employee to a facility that is more than fifty (50) miles from Employee’s then-current location).

Employee will not resign for Good Reason without first providing the Company with written notice within ninety (90) days of the event that Employee believes constitutes “Good Reason” specifically identifying the acts or omissions constituting the grounds for Good Reason and a reasonable cure period of not less than thirty (30) days following the date of such notice and such grounds for “Good Reason” have not been cured during such cure period.

(e) Section 409A Limit. “Section 409A Limit” will mean the lesser of two (2) times: (i) Employee’s annualized compensation based upon the annual rate of pay paid to Employee during the Employee’s taxable year preceding the Employee’s taxable year of Employee’s separation from service as determined under, and with such adjustments as are set forth in, Treasury Regulation Section 1.409A-1(b)(9)(iii)(A)(1) and any Internal Revenue Service guidance issued with respect thereto; or (ii) the maximum amount that may be taken into account under a qualified plan pursuant to Section 401(a)(17) of the Code for the year in which Employee’s separation from service occurred.

7. Successors.

(a) The Company's Successors. Any successor to the Company (whether direct or indirect and whether by purchase, merger, consolidation, liquidation or otherwise) to all or substantially all of the Company's business and/or assets will assume the obligations under this Agreement and agree expressly to perform the obligations under this Agreement in the same manner and to the same extent as the Company would be required to perform such obligations in the absence of a succession. For all purposes under this Agreement, the term "Company" will include any successor to the Company's business and/or assets which executes and delivers the assumption agreement described in this Section 7(a) or which becomes bound by the terms of this Agreement by operation of law.

(b) Employee's Successors. The terms of this Agreement and all rights of Employee hereunder will inure to the benefit of, and be enforceable by, Employee's personal or legal representatives, executors, administrators, successors, heirs, distributees, devisees and legatees.

8. Arbitration.

(a) The Company and Employee each agree that any and all disputes arising out of the terms of this Agreement, Employee's employment by the Company, Employee's service as an officer or director of the Company, or Employee's compensation and benefits, their interpretation and any of the matters herein released, will be subject to binding arbitration under the arbitration rules set forth in California Code of Civil Procedure Sections 1280 through 1294.2, including Section 1281.8 (the "Act"), and pursuant to California law. Disputes that the Company and Employee agree to arbitrate, and thereby agree to waive any right to a trial by jury, include any statutory claims under local, state, or federal law, including, but not limited to, claims under Title VII of the Civil Rights Act of 1964, the Americans with Disabilities Act of 1990, the Age Discrimination in Employment Act of 1967, the Older Workers Benefit Protection Act, the Sarbanes-Oxley Act, the Worker Adjustment and Retraining Notification Act, the California Fair Employment and Housing Act, the Family and Medical Leave Act, the California Family Rights Act, the California Labor Code, claims of harassment, discrimination, and wrongful termination, and any statutory or common law claims. The Company and Employee further understand that this agreement to arbitrate also applies to any disputes that the Company may have with Employee. The Company and Employee further agree that, to the fullest extent permitted by law, Employee may bring any arbitration proceeding only in Employee's individual capacity, and not as a plaintiff, representative, or class member in any purported class, collective, or representative lawsuit or proceeding. Nothing in this agreement prevents Employee from bringing a representative lawsuit or proceeding as permitted by the California Labor Code's Private Attorneys General Act of 2004.

(b) Procedure. The Company and Employee agree that any arbitration will be administered by Judicial Arbitration & Mediation Services, Inc. ("JAMS"), pursuant to its Employment Arbitration Rules & Procedures (the "JAMS Rules"). The Arbitrator will have the power to decide any motions brought by any party to the arbitration, including motions for summary judgment and/or adjudication, motions to dismiss and demurrers, and motions for class certification, prior to any arbitration hearing. The Arbitrator will have the power to award any remedies available under applicable law, and the Arbitrator will award attorneys' fees and costs to the prevailing party, except as prohibited by law. The Company will pay for any administrative or hearing fees charged by the Arbitrator or JAMS except that Employee will pay any filing fees associated with any arbitration that Employee initiates, but only so much of the filing fees as Employee would have instead paid had he or she filed a complaint in a court of law. The Arbitrator will administer and conduct any arbitration in accordance with California law, including the California Code of Civil Procedure, and the Arbitrator will apply substantive and procedural California law to any dispute or claim, without reference to rules of conflict of law. To the extent that the JAMS Rules conflict with California law, California law will take precedence. The decision of the Arbitrator will be in writing. Any arbitration under this Agreement will be conducted in San Mateo County, California.

(c) Remedy. Except as provided by the Act and this Agreement, arbitration will be the sole, exclusive, and final remedy for any dispute between Employee and the Company. Accordingly, except as provided for by the Act and this Agreement, neither Employee nor the Company will be permitted to pursue court action regarding claims that are subject to arbitration.

(d) Administrative Relief. Employee understands that this Agreement does not prohibit him or her from pursuing any administrative claim with a local, state, or federal administrative body or government agency that is authorized to enforce or administer laws related to employment, including, but not limited to, the Department of Fair Employment and Housing, the Equal Employment Opportunity Commission, the National Labor Relations Board, or the Workers' Compensation Board. This Agreement does, however, preclude Employee from pursuing court action regarding any such claim, except as permitted by law.

(e) Voluntary Nature of Agreement. Each of the Company and Employee acknowledges and agrees that such party is executing this Agreement voluntarily and without any duress or undue influence by anyone. Employee further acknowledges and agrees that he or she has carefully read this Agreement and has asked any questions needed for him or her to understand the terms, consequences, and binding effect of this Agreement and fully understand it, including that Employee is waiving his or her right to a jury trial. Finally, Employee agrees that he or she has been provided an opportunity to seek the advice of an attorney of his or her choice before signing this Agreement.

9. Notice.

(a) General. Notices and all other communications contemplated by this Agreement will be in writing and will be deemed to have been duly given when personally delivered when mailed by U.S. registered or certified mail, return receipt requested and postage prepaid or when delivered by a private courier service such as UPS, DHL or Federal Express that has tracking capability. In the case of Employee, mailed notices will be addressed to him or her at the home address which he or she most recently communicated to the Company in writing. In the case of the Company, mailed notices will be addressed to its corporate headquarters, and all notices will be directed to the attention of its President.

(b) Notice of Termination. Any termination by the Company for Cause or by Employee for Good Reason will be communicated by a notice of termination to the other party hereto given in accordance with Section 9(a) of this Agreement. Such notice will indicate the specific termination provision in this Agreement relied upon, will set forth in reasonable detail the facts and circumstances claimed to provide a basis for termination under the provision so indicated, and will specify the termination date (which will be not more than ninety (90) days after the giving of such notice). The failure by Employee to include in the notice any fact or circumstance which contributes to a showing of Good Reason will not waive any right of Employee hereunder or preclude Employee from asserting such fact or circumstance in enforcing his or her rights hereunder.

10. Miscellaneous Provisions.

- (a) No Duty to Mitigate. Employee will not be required to mitigate the amount of any payment contemplated by this Agreement, nor will any such payment be reduced by any earnings that Employee may receive from any other source.
- (b) Waiver. No provision of this Agreement will be modified, waived or discharged unless the modification, waiver or discharge is agreed to in writing and signed by Employee and by an authorized officer of the Company (other than Employee). No waiver by either party of any breach of, or of compliance with, any condition or provision of this Agreement by the other party will be considered a waiver of any other condition or provision or of the same condition or provision at another time.
- (c) Headings. All captions and section headings used in this Agreement are for convenient reference only and do not form a part of this Agreement.
- (d) Entire Agreement. This Agreement constitutes the entire agreement of the parties hereto and supersedes in their entirety all prior representations, understandings, undertakings or agreements (whether oral or written and whether expressed or implied) of the parties with respect to the subject matter hereof. No waiver, alteration, or modification of any of the provisions of this Agreement will be binding unless in writing and signed by duly authorized representatives of the parties hereto and which specifically mention this Agreement.
- (e) Choice of Law. The validity, interpretation, construction and performance of this Agreement will be governed by the laws of the State of California (with the exception of its conflict of laws provisions). Any claims or legal actions by one party against the other arising out of the relationship between the parties contemplated herein (whether or not arising under this Agreement) will be commenced or maintained in any state or federal court located in the jurisdiction where Employee resides, and Employee and the Company hereby submit to the jurisdiction and venue of any such court.
- (f) Severability. The invalidity or unenforceability of any provision or provisions of this Agreement will not affect the validity or enforceability of any other provision hereof, which will remain in full force and effect.
- (g) Withholding. All payments made pursuant to this Agreement will be subject to withholding of applicable income, employment and other taxes.
- (h) Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

(i) Protected Activity. Nothing in this Agreement is intended to limit Employee's rights to discuss the terms, wages, and working conditions of his employment, nor to deny him the right to disclose information pertaining to sexual harassment or any unlawful or potentially unlawful conduct, as protected by applicable law. Nothing in this Agreement limits or prohibits Employee from filing and/or pursuing a charge or complaint with, or otherwise communicating or cooperating with or participating in any investigation or proceeding that may be conducted by, any federal, state or local government agency or commission, including the Securities and Exchange Commission, the Equal Employment Opportunity Commission, the Occupational Safety and Health Administration, and the National Labor Relations Board ("**Government Agencies**"), including disclosing documents or other information as permitted by law, without giving notice to, or receiving authorization from, the Company. Notwithstanding, in making any such disclosures or communications, Employee to take all reasonable precautions to prevent any unauthorized use or disclosure of any information that may constitute the Company's confidential information to any parties other than the Government Agencies. Employee further understands that Employee is not permitted to disclose the Company's attorney-client privileged communications or attorney work product.

Cutera Announces Appointment of David Mowry as Chief Executive Officer

COO Jason Richey Promoted to President

*Comments on Preliminary Financial Results for
Second Quarter 2019*

BRISBANE, California, July 9, 2019 — Cutera, Inc. ([CUTR](#)) (“Cutera” or the “Company”), a leading provider of laser and energy-based aesthetic systems for practitioners worldwide, today announced that David H. Mowry, 56, has been named Chief Executive Officer, effective immediately. Mr. Mowry has also been appointed to the Company’s Board of Directors. Mr. Mowry succeeds Jason Richey, who has served as Interim CEO since January 7, 2019.

Mr. Mowry is a career medical device executive with successful leadership assignments across multiple market segments. Most recently, Mr. Mowry served as President and CEO of Vyaire Medical, a privately-held global respiratory care business with revenues exceeding \$750mm. While serving at Vyaire, Mr. Mowry led the efforts to carve-out four separate divisions from Becton-Dickinson and Company (BDX), following its acquisition of CareFusion, combining the units into a standalone, singularly-focused Respiratory Care company. Prior to Vyaire, Mr. Mowry was the President and CEO of Tomier Inc., a publicly-traded leader in orthopedic extremities solutions acquired by Wright Medical (WMGI) in October 2015 for approximately \$1.6 billion. While leading Tomier, Mr. Mowry consistently delivered above-market growth through strong commercial execution, portfolio development and differentiated service to Tomier’s clinician customers. Prior to Tomier, Mr. Mowry served as President of Covidien’s Neurovascular Division, a recognized leader in the hemorrhagic and ischemic stroke interventional device markets. Mr. Mowry received a BS in engineering from The United States Military Academy at West Point.

“We are pleased to welcome David Mowry as Cutera’s CEO,” commented J. Daniel Plants, Chairman of the Board of Directors. “Dave is a highly regarded leader in the medical device industry, with a proven track record of building great businesses and creating shareholder value. We’re confident that Dave’s vision, operational discipline and commercial acumen make him the ideal leader for Cutera, and we’re excited to leverage his experience to help Cutera reach the next level.”

Mr. Plants also commented on the success of the Company’s leadership in effectuating a successful CEO transition during the past six months. “On behalf of Cutera’s Board of Directors, I would like to thank Jason Richey for his outstanding efforts serving as our interim CEO. Under Jason’s direction, Cutera’s senior management has put in motion a number of important initiatives and stabilized the business, as evidenced by the preliminary financial results which we are also issuing today – exceeding revenue expectations in both quarters under his watch. Jason is a talented leader and, in recognition of his many contributions, we have promoted him to the role of President, the first executive to hold this title at Cutera. Finally, our search committee, comprised of Directors Gregory Barrett and Timothy O’Shea, deserves commendation for its thorough process, which culminated in the identification and recruitment of Dave Mowry as our next CEO.”

“I am delighted to have the opportunity to lead Cutera, a company with an exceptionally strong product portfolio and a reputation for delivering differentiated technology developed with the clinician customer in mind. The Company’s unique, singular focus on the aesthetics market provides it with the ideal scale and scope to win,” commented Mr. Mowry. “I am especially excited to work with the talented team at Cutera to deliver sustainable growth and improved profitability while, most importantly, continuing to deliver market-leading technology to our valued customers. I am confident in our ability to position Cutera for long-term success and look forward to working together to achieve our full potential.”

Cutera also announced today that its preliminary, unaudited financial results for the quarter ended June 30, 2019 exceeded consensus growth estimates and its own revenue forecast. The Company plans to release full second quarter financial results as scheduled on August 8, 2019 after market close.
