

# Cutera, Inc. Announces Fourth Quarter and Full-Year 2021 Financial Results Along With 2022 Outlook

February 22, 2022

Achieved Record Revenue in Fourth Quarter and Full-Year 2021

BRISBANE, Calif. - (BUSINESS WIRE) - Feb. 22, 2022 - Cutera, Inc. (NASDAQ: CUTR) ("Cutera" or the "Company"), a leading provider of laser and other energy-based aesthetic systems for practitioners worldwide, today reported financial results for the fourth quarter and full-year ended December 31, 2021.

## Fourth Quarter 2021 Financial and Operational Highlights

- Revenue was \$65.6 million, an increase of 31% from the prior-year period, driven by strong performance across the business, with particular strength in North American Capital Equipment;
  - Capital Equipment revenue of \$43.6 million increased 44% over the prior-year period;
  - Recurring revenue, defined as the combination of Skincare. Consumable Products, and Service, was \$22.1 million, an increase of 12% over the prior-year period;
    - Skincare revenue of \$10.7 million increased 2% over the prior-year period, impacted by 3Q21 pre-buying in advance of the planned price increase;
    - Consumable Product revenue of \$5.4 million grew 77% over prior-year period; and
- Service revenue of \$6.0 million decreased 4% over the prior-year period;
- Gross Margin was 58.2%, compared to 56.2% in the prior-year period, driven by better sales mix and continued leverage, partially offset by modest inflationary pressures;
- Operating Expenses were \$40.2 million in the quarter, as compared to \$26.6 million in the prior-year period, driven by variable costs from increased sales and by investments in our Acne program;
- Net loss was \$3.9 million, or (\$0.22) per fully diluted share, compared to a net income of \$2.2 million, or \$0.12 per fully diluted share, in the prior-year period; and
- Adjusted EBITDA was \$4.3 million in the period, as compared to \$4.7 million in the prior-year period. Excluding Acne program spend of \$4.6 million in the quarter, our adjusted EBITDA would have been \$8.9

## Full-Year 2021 Financial and Operational Highlights

- Revenue was \$231.3 million, an increase of 57% from the prior-year period;
  - o Capital Equipment revenue of \$139.6 million increased 54% over the prior-year period;
  - Recurring revenue, defined as the combination of Skincare, Consumable Products, and Service, was \$91.6 million, an increase of 61% over the prior-year period;
    - Skincare revenue of \$49.7 million increased 98% over the prior-year period;
    - Consumable Product revenue of \$16.4 million increased 77% over the prior-year period; and
    - Service revenue of \$25.6 million increased 13% over the prior-year period;
- Gross Margin was 57.6%, compared to 51.3% in the prior-year period:
- Operating Expenses were \$131.3 million as compared to \$98.6 million in the prior-year period;
- Net Income was \$2.1 million, or \$0.11 per fully diluted share, compared to a net loss of \$23.9 million, or (\$1.43) per fully diluted share, a year ago; and
- Adjusted EBITDA was \$20.7 million, as compared to a loss of \$4.8 million a year ago. Excluding full-year Acne program spend of \$9.5 million, our adjusted EBITDA would have been \$30.2 million, a seven-fold

"I am pleased with our strong fourth-quarter performance, which was driven by our team's outstanding commercial execution and supported by robust underlying patient demand. I am particularly encouraged that our North American Capital business eclipsed Pre-Covid levels and delivered 56% growth in the quarter," commented Dave Mowry, Chief Executive Officer of Cutera, Inc. "We anticipate that this top-line momentum will continue as we move through the year, driven by our growing capital equipment pipeline and the strong ongoing patient demand. In light of our business strength, in combination with future product launches, we are tremendously excited for the year ahead."

The Company expects full-year 2022 constant currency revenue in the range of \$255 million to \$260 million, based on our current product portfolio. For the sake of clarity, this guidance does not include any revenue from our Acne device program.

### Conference Call

The Company's management will host a conference call to discuss these results and related matters today at 1:30 p.m. PT (4:30 p.m. ET). Participating on the call will be Dave Mowny, Chief Executive Officer and Rohan Seth, Chief Financial Officer.

To participate in the conference call, dial 1-877-705-6003 (domestic) or +1-201-493-6725 (international) and refer to the Conference Code: 13726648

The call will also be webcast and can be accessed from the Investor Relations section of Cutera's website at http://d www.cutera.com/. The webcast replay of the call will be available at the same site approximately one hour after the end of the call

Brisbane, California-based Cutera is a leading provider of laser and other energy-based aesthetic systems for practitioners worldwide. Since 1998, Cutera has developed innovative, easy-to-use products that enable physicians and other qualified practitioners to offer safe and effective aesthetic treatments to their patients. For more information, call 1-888-4CUTERA or visit <a href="https://www.cutera.com">www.cutera.com</a>.

In this press release, in order to supplement the Company's condensed consolidated financial statements presented in accordance with Generally Accepted Accounting Principles, or GAAP, management has disclosed certain non-GAAP financial measures for the statement of operations and net income (loss) per diluted share. Non-GAAP adjustments include stock-based compensation, depreciation, amortization, executive and other non-recurring separation costs, customer relationship measures for the statement of operations and net income (loss) per diluted shale. Non-GAAP agilarments include stock-based compensation, aspreciation, aspreciation, executive and other non-recurring separation costs, conscient litigation costs, as well as the net tax impact of excluding these items. From time to time in the future, there may be other items that we may exclude if the Company believes that doing so is consistent with the goal of providing useful information to investors and management. The Company has provided a reconciliation of each non-GAAP financial measure used in this earnings release to the most directly comparable GAAP financial measure. The Company has not provided a reconciliation of non-GAAP guidance measures to the corresponding GAAP measures incoherence on a forward-looking basis due to the potential significant variability, limited visibility, unrelique non-recurring nature of the items. Forward-looking non-GAAP measures include adjusted EBITDA as earnings before interest, taxes, depreciation and amortization, stock-based compensation, executive and other non-recurring separation costs, customer relationship management and enterprise resource planning system costs, and non-recurring legal and litigation costs.

Company management uses these measurements as aids in monitoring the Company's ongoing financial performance from quarter to quarter, and year to year, on a regular basis and for benchmarking against other similar companies. Non-GAAP financial measures used by other companies. These non-GAAP financial measures should be considered along with, but not as alternatives to, the operating performance measure as prescribed by GAAP. Non-GAAP financial measures for the statement of operations and net income per diluted share exclude the following:

Non-cash expenses for stock-based compensation. The Company has excluded the effect of stock-based compensation expenses in calculating its non-GAAP operating expenses and net income measures. Although stock-based compensation is key incentive offered to the Company's employees, the Company continues to evaluate its business performance excluding stock-based compensation expenses. The Company records stock-based compensation expenses range from the company expenses and net income measures. Although stock-based compensation expenses. The Company records stock-based compensation expenses and net income measures. Although stock-based compensation expenses. The Company records stock-based compensation expenses and net income measures. Although stock-based compensation expenses in calculating its non-GAAP operating expenses and net income measures. Although stock-based compensation expenses in calculating its non-GAAP operating expenses and net income measures. Although stock-based compensation expenses. The Company records stock-based compensation expenses in calculating its non-GAAP operating expenses and net income measures. Although stock-based compensation expenses in calculating its non-GAAP operating expenses and net income measures. Although stock-based compensation expenses in calculating its non-GAAP operating expenses and net income measures. Although stock-based compensation expenses in calculating its non-GAAP operating expenses and net income measures. Although stock-based compensation expenses in calculating its non-GAAP operating expenses and net income measures. Although stock-based compensation expenses in calculating its non-GAAP operating expenses and net income measures. Although stock-based compensation expenses in calculating its non-GAAP operating expenses and net income measures. Although stock-based compensation expenses in calculating its non-GAAP operating expenses and net income measures. The company is not income and net income measures in calculating expenses in calculating expenses in compensation better allows for comparisons to its peer companies;

Depreciation and amortization. The Company has excluded depreciation and amortization expense in calculating its non-GAAP operating expenses and net income measures. Depreciation and amortization are non-cash charges to current operations;

Executive and other non-recurring separation costs. We have excluded costs associated with the resignation of our former Executive Officers in calculating our non-GAAP operating expenses and net income measures. We exclude these and other non-recurring employee separation costs because we believe that these items do not reflect future operating expenses;

Customer Relationship Management. We have excluded CRM system costs related to direct and incremental costs incurred in connection with our multi-phase implementation of a new CRM solution and the related technology infrastructure costs. We exclude these costs because we believe that these items do not reflect future operating expenses and will be inconsistent in amounts and frequency making it difficult to contribute to a meaningful evaluation of our operating performance;

Enterprise Resource Planning. We have excluded ERP system costs related to direct and incremental costs incurred in connection with our multi-phase implementation of a new ERP solution and the related technology infrastructure costs. We exclude these costs because we believe that these items do not reflect future operating expenses and will be inconsistent in amounts and frequency making it difficult to contribute to a meaningful evaluation of our operating performance; and

Non-recurring legal and litigation costs. We have excluded costs incurred related to third party litigation and disputes, that are of a non-recurring nature.

The Company believes that excluding all of the items above allows users of its financial statements to better review and assess both current and historical results of operations.

Certain statements in this press release, other than purely historical information, are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended (the Exchange Act ).
