#### Explanation of Responses:

1. Upon the termination of the reporting person's annuity trust, (i) 4,297 shares were transferred to the reporting person's parents, (ii) 12,892 shares were transferred to an irrevocable trust for the benefit of the reporting person's son and (iii) 13,491 shares were transferred to the reporting person. The 13,491 shares transferred to the reporting person are now directly beneficially owned by the reporting person but were previously reported as owned by the reporting person's annuity trust.

2. These shares are held in an irrevocable trust for the benefit of the reporting person's son. The reporting person's mother is the trustee of the trust. The reporting person disclaims beneficial ownership of these securities, and the filing of this report is not an admission that the reporting person is the beneficial owner of these securities for purposes of Section 16 or for any other purpose.
