To our Stockholders:

You are cordially invited to attend the 2021 Annual Meeting of Stockholders of Cutera, Inc. (the "Company"). The meeting will be held on June 15, 2021, at 9:00 a.m. Pacific Time, virtually by visiting www.virtualshareholdermeeting.com/CUTR2021, where you will be able to listen to the meeting live, submit questions and vote online. The meeting is being held for the following purposes:

1. Elect six directors, constituting the entire Board of Directors, to each serve a one-year term that expires at the 2022 Annual Meeting of Stockholders and until their successors have been duly elected and qualified;
2. Ratify the selection of BDO USA, LLP as the independent registered public accounting firm of the Company (the "Independent Registered Public Accounting Firm") for the fiscal year ending December 31, 2021;
3. Hold a non-binding advisory vote on the compensation of Named Executive Officers;
4. Approve the amendment and restatement of our 2019 Equity Incentive Plan to increase the total number of shares available for issuance under the 2019 Equity Incentive Plan; and
5. Transact such other business as may properly come before the Annual Meeting, including any motion to adjourn to a later date to permit further solicitation of proxies, if necessary, or before any adjournment thereof.

The foregoing items of business are more fully described in the proxy statement accompanying this Notice of Annual Meeting.

To help conserve resources and reduce printing and distribution costs, we will be mailing a notice electronically to our stockholders, instead of a paper copy of this proxy statement, our 2020 Annual Report and a form of proxy card or voting instruction card (collectively referred to as "Proxy Materials"). The notice will have instructions on how to access our Proxy Materials over the internet and instructions on how stockholders can receive a paper copy of our Proxy Materials if so desired. Your vote is important, regardless of the number of shares that you own. Whether or not you intend to attend the Annual Meeting of Stockholders, please vote as soon as possible to make sure that your shares are represented. The meeting will begin promptly at 9:00 a.m., local time. Only holders of record of shares of our common stock (NASDAQ: CUTR) at the close of business on April 19, 2021 will be entitled to notice of, and to vote at, the meeting and any postponements or adjournments of the meeting. As part of our precautions regarding the coronavirus or COVID-19, we have decided to hold the annual meeting only as a virtual meeting.

**PROXY STATEMENT
FOR
2021 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 15, 2021**

The Board of Directors ("Board") of Cutera, Inc., a Delaware corporation, is soliciting your proxy to vote at our 2021 Annual Meeting of Stockholders to be held on June 15, 2021, beginning at 9:00 a.m., Pacific Time, which is the local time, virtually by visiting www.virtualshareholdermeeting.com/CUTR2021, or dialing US:1-800-690-6903 and at any postponements or adjournments thereof.

We are sending the Notice of Internet Availability of Proxy Materials (the "Notice") on or prior to May 6, 2021, to all stockholders of record at the close of business on April 19, 2021 (the "Record Date"). There were 17,804,774 shares of Cutera common stock outstanding on the record date.

Internet Availability of Proxy Materials. If you are a shareholder of record at the close of business on April 19, 2021, you will receive the Notice directing you to a website where you can access our 2021 Proxy Statement and Annual Report on Form 10-K for the year ended December 31, 2020. Our 2020 Form 10-K was filed with the Securities and Exchange Commission (the "SEC") on March 23, 2021. If you prefer to receive a paper copy of the proxy materials, please follow the instructions on the Notice and the Proxy Materials will be mailed to you.

Attending the Annual Meeting Online. We will host the 2021 Annual Meeting live via the Internet only. You will attend the meeting virtually by visiting www.virtualshareholdermeeting.com/CUTR2021, including to vote and/or submit questions online. Whether or not you attend the meeting, we encourage you to vote by Internet or to complete, sign and mail your voting instruction form or proxy prior to the meeting.

Submit Your Questions. We invite you to submit any questions of general stockholder interest to the Vice President, General Counsel & Corporate Secretary via email at cutera-shareholders@cutera.com. You may also submit live questions during the meeting. If you encounter issues accessing the website or the virtual meeting, please dial (415) 657-5500.

Voting. You may vote via the Internet or, if you have received a printed version of these proxy materials, by mail.

For more information, see "Questions And Answers Regarding This Solicitation And Voting At The Annual Meeting" in this proxy statement which contains important information regarding the meeting. Specifically, the proxy statement identifies the matters upon which you are being asked to vote, provides information that you may find useful in determining how to vote and describes the voting procedures.

In this proxy statement, the terms "we", "our", "Cutera" and the "Company" each refer to Cutera, Inc.; the term "Board" means our Board of Directors; the term "proxy materials" means this proxy statement, the enclosed proxy card, and our Annual Report on Form 10-K for the year ended December 31, 2020, filed with the U.S. Securities and Exchange Commission (the "SEC") on March 23, 2021, and the term "Annual Meeting" means our 2021 Annual Meeting of Stockholders.

QUESTIONS AND ANSWERS REGARDING THIS SOLICITATION AND VOTING AT THE ANNUAL MEETING

- What is a proxy statement and what is a proxy?*** A proxy statement is a document that the rules and regulations of the United States, including the SEC, require us to give to you when it asks you to give a proxy designating individuals to vote on your behalf. A proxy is your legal designation to another person to vote shares that you own. That other person is called a proxy. If you delegate someone as your proxy in a written document, that document is also called a proxy or proxy card.
- Why am I receiving these proxy materials?*** You are receiving these proxy materials from us because you were a stockholder of record at the close of business on the Record Date. As a stockholder of record, you are invited to attend the meeting virtually and are entitled to and requested to vote on the items of business described in this proxy statement.
- Why did I receive a notice in the mail regarding the Internet availability of the proxy materials instead of a paper copy of the proxy materials?*** Pursuant to SEC rules, we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to our stockholders. All stockholders will have the ability to access the proxy materials on a website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials on the Internet or to request a printed copy may be found on the Notice, along with instructions regarding procedures designed to ensure the authenticity and correctness of your proxy vote.
- Stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. Choosing to receive your future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our annual stockholders’ meetings on the environment. If you chose prior to the Record Date to receive future proxy materials by email, you should receive an email this year with instructions containing a link to those materials and a link to the proxy voting site. In connection with our upcoming Annual Meeting, if you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.
- What is the purpose of the Annual Meeting?*** At our Annual Meeting, stockholders of record will vote upon the items of business outlined in the notice of meeting (on the cover page of this proxy statement), each of which is described more fully in this proxy statement. In addition, management will report on the performance of the Company and respond to questions from stockholders.
- Who is entitled to attend the meeting?*** You are entitled to attend the meeting virtually only if you owned our common stock (or were a joint holder) as of the Record Date, or if you hold a valid proxy for the meeting.
- Please also note that if you are not a stockholder of record, but hold shares in street name (that is, through a broker or nominee), you will need to provide proof of beneficial ownership as of the Record Date, such as your most recent brokerage account statement, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership.
- The meeting will begin promptly at 9:00 a.m., local time. As part of our precautions regarding the coronavirus or COVID-19, we have decided that the annual meeting will only take place as a virtual meeting.
- Who is entitled to vote at the meeting?*** All stockholders of record at the close of business on the Record Date are entitled to notice of and to vote at the meeting, and at any postponements or adjournments thereof.

As of the Record Date, 17,804,774 shares of our common stock were outstanding. Each outstanding share of our common stock entitles the holder to one vote on each matter properly brought before the meeting. Accordingly, there are a maximum of 17,804,774 votes that may be cast at the meeting.

How many shares must be present or represented to conduct business at the meeting (that is, what constitutes a quorum)?

The presence at the meeting virtually or by proxy, of the holders of a majority of the shares of our common stock entitled to vote at the meeting constitutes a quorum. A quorum is required to conduct business at the meeting. Accordingly, the presence of the holders of our common stock representing at least 8,902,387 votes will be required to establish a quorum at the meeting. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

What items of business will be voted on at the meeting?

The items of business scheduled to be voted on at the meeting are as follows:

1. Elect six nominees to serve as directors on our Board;
2. Ratify BDO USA, LLP (“BDO”) as the Independent Registered Public Accounting Firm for the fiscal year ending December 31, 2021;
3. Non-binding advisory vote on the compensation of our Named Executive Officers;
4. Approve the amendment and restatement of our 2019 Equity Incentive Plan to increase the total number of shares available for issuance under the 2019 Equity Incentive Plan; and
5. Transact any other business as may properly come before the Annual Meeting, including any motion to adjourn to a later date to permit further solicitation of proxies, if necessary, or before any adjournment thereof.

These proposals are described more fully in this proxy statement. As of the date of this proxy statement, the only business that our Board intends to present, or knows of that others will present at the meeting, is set forth in this proxy statement. If any other matter or matters are properly brought before the meeting, it is the intention of the persons who hold proxies to vote the shares they represent in accordance with their best judgment.

Will any other matters be decided at the Annual Meeting of Stockholders?

At the date of this proxy statement, the Company does not know of any other matters to be raised at the Annual Meeting of Stockholders other than those described in this proxy statement. If any other matters are, in accordance with the Delaware General Corporation Law, other applicable law, or the Company’s Amended and Restated Certificate of Incorporation (“Articles”), properly presented for consideration at the Annual Meeting of Stockholders, such matters will, subject to the Delaware General Corporation Law, the Articles and applicable law, be considered at the Annual Meeting of Stockholders and the individuals named in the proxy card will vote on such matters in their discretion.

How does the Board recommend that I vote?

Our Board recommends that you vote your shares (i) “FOR” each of the six director nominees, (ii) “FOR” the ratification of BDO as the Independent Registered Public Accounting Firm for the fiscal year ending December 31, 2021, (iii) “FOR” the non-binding advisory vote on the compensation of our Named Executive Officers, and (iv) “FOR” approval of the amendment and restatement of our 2019 Equity Incentive Plan to increase the total number of shares available for issuance under the 2019 Equity Incentive Plan.

<i>What shares can I vote at the meeting?</i>	You may vote all shares owned by you as of the Record Date, including (1) shares held directly in your name as the <i>stockholder of record</i> , and (2) shares held for you as the <i>beneficial owner</i> through a broker, trustee or other nominee such as a bank.
<i>What is the difference between holding shares as a stockholder of record and as a beneficial owner?</i>	<p>Most of our stockholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.</p> <p>Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, Inc., you are considered, with respect to those shares, the <i>stockholder of record</i>, and these proxy materials are being sent directly to you by us. As the <i>stockholder of record</i>, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote at the virtual meeting. We have enclosed a proxy card for your use.</p> <p>Beneficial Owner. If your shares are held in a brokerage account or by another nominee, you are considered the <i>beneficial owner</i> of shares held in street name, and these proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the meeting virtually. Please note that since a beneficial owner is not the <i>stockholder of record</i>, you may not vote these shares at the virtual meeting unless you obtain a “legal proxy” from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.</p>
<i>How can I vote my shares without attending the meeting?</i>	Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without virtually attending the meeting. Stockholders of record of our common stock may submit proxies by completing, signing, and dating their proxy cards and mailing them in the accompanying pre-addressed envelope. Our stockholders who hold shares beneficially in street name may vote by mail by completing, signing and dating the voting instruction cards provided by the broker, trustee or nominee and mailing them in the accompanying pre-addressed envelope. Further, you may vote by Internet as instructed in the Notice. Please have your proxy card in hand when visiting the website, as you will need your Proxy number to vote your shares.
<i>How can I vote my shares virtually at the meeting?</i>	Shares held in your name as the stockholder of record may be voted at the meeting if you attend virtually. At the meeting, you will be instructed how to submit your vote to a Computershare representative. Shares held beneficially in street name may be voted at the meeting virtually only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the meeting virtually, we recommend that you also submit your proxy card or voting instructions as described above so that your vote will be counted if you later decide not to, or are unable to, attend the meeting.
<i>Can I change my vote?</i>	<p>You may change your vote at any time prior to the vote at the meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by entering a new vote by Internet, by providing a written notice of revocation to our Vice President, General Counsel & Corporate Secretary prior to your shares being voted, or by attending the meeting virtually. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request.</p> <p>For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the meeting virtually and voting at the meeting or voting a new vote by Internet.</p>

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Cutera or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide written comments on their proxy card, which are then forwarded to our management.

What vote is required to approve each item and how are votes counted?

The vote required to approve each item of business and the method for counting votes is set forth below:

Election of Directors. Each director nominee receiving affirmative “FOR” votes in excess of “Against” votes at the meeting (a majority of votes cast) will be elected to serve as a director. You may vote either “FOR” or “WITHHOLD” your vote for the director nominees. A properly executed proxy marked “WITHHOLD” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Ratification of BDO as our Independent Registered Public Accounting Firm for the fiscal year ending December 31, 2021. The affirmative “FOR” vote of a majority of the shares personally represented or by proxy and entitled to vote on the item will be required for approval. You may vote “FOR,” “AGAINST” or “ABSTAIN” for this item of business. If you “ABSTAIN,” your abstention has the same effect as a vote “AGAINST.”

Non-binding advisory vote on the compensation of our Named Executive Officers. The affirmative “FOR” vote of a majority of the shares personally represented or by proxy and entitled to vote on the item will be required for approval. You may vote “FOR,” “AGAINST” or “ABSTAIN” for this item of business. If you “ABSTAIN,” your abstention has the same effect as a vote “AGAINST.”

Approval of the amendment and restatement of our 2019 Equity Incentive Plan to increase the total number of shares available for issuance under the 2019 Equity Incentive Plan. The affirmative “FOR” vote of a majority of the shares personally represented or by proxy and entitled to vote on the item will be required for approval. You may vote “FOR,” “AGAINST” or “ABSTAIN” for this item of business. If you “ABSTAIN,” your abstention has the same effect as a vote “AGAINST.”

If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you sign your proxy card, voting instruction card or voting online without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (“FOR” all of the Company’s nominees to the Board, “FOR” ratification of BDO as our Independent Registered Public Accounting Firm, “FOR” the approval, by non-binding vote, of executive compensation, “FOR” the approval of the amendment and restatement of our 2019 Equity Incentive Plan to increase the total number of shares available for issuance under the 2019 Equity Incentive Plan, and in the discretion of the proxy holders on any other matters that may properly come before the meeting).

What is a “broker non-vote”?

A “*broker non-vote*” occurs when a broker expressly instructs on a proxy card that it is not voting on a matter, whether routine or non-routine. Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients who are the beneficial owners of the shares, brokers have the discretion to vote such shares on routine matters, which includes ratifying the appointment of an independent registered public accounting firm but does not include the election of directors, the non-binding vote on executive compensation or the approval of the amendment and restatement of our 2019 Equity Incentive Plan. Therefore, if you do not otherwise instruct your broker, the broker may turn in a proxy card voting your shares “FOR” ratification of BDO as the Independent Registered Public Accounting Firm.

However, if you do not instruct your broker how to vote with respect to the election of directors, the non-binding vote on executive compensation and the approval of the amendment and restatement of our 2019 Equity Incentive Plan, your broker may not vote with respect to such proposal and your shares will not be counted as voting in favor of these matters.

How are “broker non-votes” counted?

Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum for the transaction of business, but they will not be counted in tabulating the voting result for any particular proposal.

How are abstentions counted?

If you return a proxy card that indicates an abstention from voting on all matters, the shares represented will be counted for the purpose of determining the presence of a quorum, but they will not be voted on any matter at the meeting. In the absence of controlling precedent to the contrary, we intend to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote “*AGAINST*” a proposal.

What happens if additional matters are presented at the meeting?

Other than the four proposals described in this proxy statement, we are not aware of any other business to be acted upon at the meeting. If you grant a proxy, the persons named as proxy holders, David H. Mowry, our Chief Executive Officer, and J. Daniel Plants, our Board Chairperson, with full power of substitution, will have the discretion to vote your shares on any additional matters that may be properly presented for a vote at the meeting. If, for any unforeseen reason, any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by our Board.

Who will serve as inspector of election?

We expect a representative of Computershare Trust Company, Inc., our transfer agent, to tabulate the votes, and expect Jeremy Livianu, our Vice President, General Counsel & Corporate Secretary to act as inspector of election at the meeting.

What should I do in the event that I receive more than one set of proxy/voting materials?

You may receive more than one set of these proxy solicitation materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards or you may receive more than one email including these proxy solicitation materials. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. In addition, if you are a stockholder of record and your shares are registered in more than one name, you may receive more than one proxy card. Please complete and return each Cutera proxy card, and voting instruction card that you receive, or vote your shares online to ensure that all your shares are voted.

Who is soliciting my vote and who will bear the costs of this solicitation?

Your vote is being solicited on behalf of the Board, and the Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, by electronic mail or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners. In addition, the Company has retained Okapi Partners LLC to assist in the solicitation of proxies at a solicitation fee of \$12,500, plus related reasonable out-of-pocket expenses.

Where can I find the voting results of the meeting?

We intend to announce preliminary voting results at the Annual Meeting and file a Form 8-K with the SEC within four business days after the end of our Annual Meeting to report the voting results.

What is the deadline to propose actions for consideration at next year's Annual Meeting of Stockholders or to nominate individuals to serve as directors?

As a stockholder, you may be entitled to present proposals for action at a future meeting of stockholders, including director nominations.

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in our proxy statement for the Annual Meeting to be held in 2022, the written proposal must be received by our Vice President, General Counsel & Corporate Secretary at our principal executive office no later than January 6, 2022, which is the date 120 calendar days before the anniversary of the mailing date of the Notice of Internet Availability of Proxy Materials. To our knowledge, except as set forth in the footnotes to this table and subject to applicable community property laws, each person or entity named in the table has sole voting and disposition power with respect to the shares set forth opposite such person's or entity's name. CORPORATE GOVERNANCE AND BOARD MATTERS

Director Independence

Our common stock is listed on the NASDAQ Stock Market (“NASDAQ”). Under the NASDAQ listing standards, independent directors must comprise a majority of a listed company’s board of directors. In addition, the NASDAQ listing standards require that, subject to specified exceptions, each member of a listed company’s audit, compensation, and nominating and corporate governance committees be independent. Under the NASDAQ listing standards, a director will only qualify as an “independent director” if, in the opinion of that listed company’s board of directors, that director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Audit committee members must also satisfy the additional independence criteria set forth in Rule 10A-3 under the Exchange Act and the NASDAQ listing standards. Compensation committee members must also satisfy the additional independence criteria set forth in Rule 10C-1 under the Exchange Act and the NASDAQ listing standards.

Our Board has undertaken a review of the independence of each of our directors. Based on information provided by each director concerning his or her background, employment and affiliations, our Board has determined that each of the directors, other than David H. Mowry, our Chief Executive Officer, satisfy the current “independent director” standards established by NASDAQ. In 2020, the Nominating and Corporate Governance Committee recommended to the Board that all directors other than our Chief Executive Officer be independent as defined by NASDAQ listing rules.

Board Leadership Structure

The roles of Chairperson of the Board and Chief Executive Officer are filled by separate individuals. Our Board believes that the separation of the offices of the Chairperson and Chief Executive Officer is appropriate at this time because it allows our Chief Executive Officer to focus primarily on our business strategy, operations and corporate vision. However, our Board does not have a policy mandating the separation of the roles of Chairperson and Chief Executive Officer, though one can be established by the Board. Our Board elects our Chairperson and Chief Executive Officer, and each of these positions may be held by the same person or by different people. We believe that it is important that the Board retain flexibility to determine whether these roles should be separate or combined based upon the Board’s assessment of our needs and our leadership at a given point in time.

We believe that independent and effective oversight of our business and affairs is maintained through the composition of our Board, the leadership of our independent directors and the committees and our governance structures and processes already in place. The Board currently consists entirely of independent directors, other than David H. Mowry, our Chief Executive Officer, and the committees of our Board are composed solely of independent directors.

Our Chairperson of the Board is J. Daniel Plants. We believe Mr. Plants’ qualifications to serve as our Chairperson include his substantial experience as a strategic advisor and corporate attorney, as well as his role as the founder of a successful investment management firm and status as a significant Company stockholder, which bring valuable skills and perspective to the Board in the areas of finance, capital markets, strategy and corporate governance.

As described in more detail below, the Board currently has four standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, and an Enterprise Risk Committee. As deemed advisable by the Board, various ad hoc committees may be established from time to time to accomplish a specific goal or purpose and cease to exist when that goal or purpose is realized. The chairperson and each member of all committees is an independent director. The Board delegates substantial duties and responsibilities to each committee. The committees make recommendations to the Board and report regularly to the Board on their activities and any actions they have taken. We believe that our independent Board committees and their chairperson are an important aspect of our Board leadership and governance structure.

Risk Oversight and Analysis

Risk is inherent with every business, and we face a number of risks, including strategic, financial, business and operational, political, regulatory, legal and compliance, and reputational. We have designed and implemented processes to manage risk in our operations. Our management team is responsible for managing the risks we face in the ordinary course of operating our business. The Board oversees potential risks and our risk management activities by receiving operational and strategic presentations from management which include discussions of key risks to our business.

Our Board believes that open communication between management and our Board is essential for effective risk management and oversight. Our Board meets with our Chief Executive Officer and other members of the senior management team at meetings of our Board, where, among other topics, they discuss strategy and risks facing the Company, as well as at such other times as they deem appropriate.

While our Board has the ultimate responsibility for risk management and oversight, various committees of the Board also support the Board in its fulfillment of this responsibility. For example, our Audit Committee assists the Board in its risk oversight function by reviewing and discussing with management our system of disclosure controls and our internal controls over financial reporting risks associated with our cash investment policies, risks related to regulatory matters, and evaluating and advising on other matters. Our business is run conservatively and excessive risk-taking has been discouraged. As a result, risk analysis has not been a significant factor for our Compensation Committee in establishing compensation. The Nominating and Corporate Governance Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with Board organization, governance, membership and structure. The Enterprise Risk Committee, created in 2018, assists the Board in supervising the enterprise risk management activities of the Company and its subsidiaries, and advises the Board with respect to the enterprise risk management framework of the Company. The Enterprise Risk Committee further assists the Board in its oversight of the Company's management of key risks, including strategic and operational risks, as well as the guidelines, policies and processes for monitoring and mitigating such risks.

Committees of the Board

Our Board has four standing committees: the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee, and the Enterprise Risk Committee. The membership during the last fiscal year, and the function of each of the committees, are described below.

Audit Committee. The Audit Committee oversees the Company's accounting and financial reporting processes and the audits of its financial statements. The Audit Committee operates under a written charter adopted by the Board and a copy of the charter can be found on the Investor page, under the Corporate Governance section of our website at www.cutera.com. In this role, the Audit Committee monitors and oversees the integrity of the Company's financial statements and related disclosures, the qualifications, independence, and performance of the Company's Independent Registered Public Accounting Firm, and the Company's compliance with applicable legal requirements and its business conduct policies. Our Board has determined that each member of the Audit Committee meets the independence and financial literacy requirements of the NASDAQ rules and the independence requirements of the SEC. Joseph E. Whitters serves as a member of the Board and Chairperson of the Audit Committee. Our Board has determined that Mr. Whitters qualifies as an "audit committee financial expert" as defined in the SEC rules. The report of the Audit Committee appears on page 19 of this proxy statement.

Compensation Committee. The Compensation Committee, together with our Board, establishes compensation for our Chief Executive Officer and the other executive officers and administers the Company's 2019 Equity Incentive Plan, which is an amendment and restatement of 2004 Equity Incentive Plan. Each member of the Compensation Committee meets the requirements for independence for compensation committee members under the NASDAQ listing standards and SEC rules and regulations, including Rule 10C-1 under the Exchange Act. Each member of our Compensation Committee is also a non-employee director, as defined pursuant to Rule 16b-3 promulgated under the Exchange Act. The Compensation Committee has a written charter, which was adopted by our Board, and can be found on the Investor page, under the Corporate Governance section of our website at www.cutera.com. The report of the Compensation Committee appears on page 53 of this proxy statement.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee reviews and makes recommendations to the Board on matters concerning corporate governance, Board composition, identification, evaluation and nomination of director candidates, Board committees, Board compensation, and conflicts of interest. Each member of our Nominating and Corporate Governance Committee meets the requirements for independence under the NASDAQ listing standards and SEC rules and regulations. The Nominating and Corporate Governance Committee has a written charter, which was adopted by our Board and can be found on the Investor page, under the Corporate Governance section of our website at www.cutera.com.

Enterprise Risk Committee. The Enterprise Risk Committee was created in 2018 to assist the Board and the Audit Committee, where applicable, in supervising the enterprise risk management activities of the Company and its subsidiaries and advise the Board with respect to the enterprise risk management framework of the Company. The Committee's function is primarily one of oversight, and its members do not provide any expert advice as to the Company's risk management. Each member of our Enterprise Risk Committee meets the requirements for independence under the NASDAQ listing standards and SEC rules and regulations. The Enterprise Risk Committee has a written charter which was adopted by our Board and can be found on the Investor page, under the Corporate Governance section of our website at www.cutera.com.

Meetings Attended by Directors

Each of the directors attended at least 95% of the meetings of the Board or committee(s) on which he or she served during 2020.

The directors of the Company are encouraged to attend the Company's Annual Meeting of Stockholders. In 2020, all of our directors at the time attended the meeting virtually through the internet or telephonically.

Director Nomination Process

Director Qualifications. The Nominating and Corporate Governance Committee considers the appropriate balance of experience, skills and characteristics required of members of the Board. While the Nominating and Corporate Governance Committee has not formalized specific minimum qualifications they believe must be met by a candidate to be recommended by the independent members, the Nominating and Corporate Governance Committee believes that candidates and nominees must reflect a Board that is comprised of directors who (i) have broad and relevant experience, (ii) are predominantly independent, (iii) are of high integrity, (iv) have qualifications that will increase overall Board effectiveness and enhance long-term stockholder value, and (v) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to Audit Committee members. While the Nominating and Corporate Governance Committee does not maintain a specific policy with respect to Board diversity, the candidates for Board membership should have the highest professional and personal ethics and values, and conduct themselves consistent with our Code of Ethics. However, California law requires that publicly held corporations headquartered in the state include at least one female director on their boards of directors. By the end of 2021, subject corporations with five board members must have at least two female directors, while those with six or more directors must have at least three female directors. The Company is currently in compliance with such law, and the Nominating and Corporate Governance Committee will continue to monitor the Company's compliance. The Nominating and Corporate Governance Committee and the Board are committed to diversity and consider diversity among other qualifications, experience, attributes or skills in its process of identifying and evaluating candidates to be nominees to the Board. As they do annually, in 2020 the Nominating and Corporate Governance Committee evaluated its procedures for recommending candidates to the Board.

Stockholder Nominations and Recommendations. As described above in the Question and Answer section of this proxy statement under “What is the deadline to propose actions for consideration at next year’s Annual Meeting of Stockholders or to nominate individuals to serve as directors?,” our bylaws set forth the procedure for the proper submission of stockholder nominations for membership on our Board. In addition, the Nominating and Corporate Governance Committee may consider properly submitted stockholder recommendations (as opposed to formal nominations) for candidates for membership on the Board. A stockholder may make such a recommendation by submitting the following information to our Vice President, General Counsel & Corporate Secretary at 3240 Bayshore Blvd., Brisbane, California 94005-1021 no later than January 6, 2022:

- the candidate’s name;
- home and business contact information;
- detailed biographical data, relevant qualifications, professional and personal references;
- information regarding any relationships between the candidate and Cutera within the last three years; and
- evidence of ownership of Cutera stock by the recommending stockholder.

Identifying and Evaluating Director Nominees. Typically new candidates for nomination to the Board are suggested by existing directors or by our executive officers, although candidates may initially come to our attention through professional search firms, stockholders, or other persons. The Nominating and Corporate Governance Committee carefully reviews the qualifications of any candidates who have been properly brought to its attention. Such a review may, in the Nominating and Corporate Governance Committee’s discretion, include a review solely of information provided to the Nominating and Corporate Governance Committee or may also include discussion with persons familiar with the candidate, an interview with the candidate, or other actions that the Nominating and Corporate Governance Committee deems proper. The Nominating and Corporate Governance Committee considers the suitability of each candidate, including the current members of the Board, in light of the current size and composition of the Board. In evaluating the qualifications of the candidates, Nominating and Corporate Governance Committee considers many factors, including, issues of character, judgment, diversity, independence, expertise, length of service, and other commitments. In addition, the Nominating and Corporate Governance Committee takes into account professional experience, skills and background in considering and evaluating candidates. Although diversity is one factor considered in the nomination process, the Company does not have a formal policy relating to diversity except as required by applicable law. The Nominating and Corporate Governance Committee evaluates such factors, among others, and does not assign any particular weighting or priority to any of these factors. Candidates properly recommended by stockholders are evaluated by the Nominating and Corporate Governance Committee using the same criteria as other candidates. Candidates are not discriminated against on the basis of race, gender, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

Director Nominees at our 2021 Annual Meeting. Our Nominating and Corporate Governance Committee recommended the 2021 director nominees for nomination to our Board.

The Code is designed to deter wrongdoing and to promote honest, ethical, and socially and environmentally responsible conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships; full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submit to, the SEC and in other public communications made by us; compliance with applicable governmental laws, rules and regulations; the prompt internal reporting of violations of the Code to an appropriate person or persons identified in the Code; and accountability for adherence to the Code. A copy of the Code is available on our website at www.cutera.com. Any change to, or waiver from, the code will be disclosed as required by applicable securities laws.

The Board has delegated to the Nominating and Corporate Governance Committee, pursuant to the committee's charter, the responsibility for CEO and senior management succession planning. The committee is tasked with doing so in the context of the challenges and opportunities facing us, of the skills and expertise likely to be required by us in the future and of the benefits of diversity in its widest sense. These processes enable the Board to address both long-term, planned occurrences, such as retirement or change in roles, as well as short-term unexpected events.

Environmental, Sustainability and Corporate Social Responsibility

Corporate responsibility and sustainability are important to Cutera and guide our actions as a company. We have always focused on delivering strong financial results, but we are committed to doing so in a way that respects the communities and environments in which we operate. In 2020, we engaged in a wide dialogue with investors on a variety of matters, including among other things, around their growing interest in environmental, social and governance ("ESG") performance and the impact on financial results. The Board has increased its own involvement in ESG matters by including various such matters in the revised Code of Business Conduct and Ethics. During 2021, we will provide updates on our initiatives and activities in the ESG aspects of our business under the "Investor Overview Corporate Governance" section of the Company's website at www.cutera.com, which provides information on our policies, social impact and environmental programs, as well as our sustainability efforts.

Stock Ownership Guidelines

To enhance our overall corporate governance practices and director compensation program, our Board adopted Stock Ownership Guidelines on July 28, 2017, which were amended and restated in their entirety by Amended and Restated Stock Ownership Guidelines adopted by our Board on June 11, 2019. The Amended and Restated Stock Ownership Guidelines are applicable to our non-employee directors, as well as certain members of our senior management. These guidelines are designed to align our non-employee directors' interests with our stockholders' long-term interests by promoting long-term ownership of Cutera common stock. Our non-employee Directors are required to own the lesser of either (i) 5,200 shares of the Company's common stock, or (ii) a number of shares of the Company's common stock equal in value to at least three times the director's annual compensation for Board membership (however paid, and exclusive of Committee membership compensation). Each director has five years from the later of the date of his or her initial election to the Board or July 28, 2017 to attain the required level of ownership. Once attained, the level of ownership must be maintained.

As of April 1, the non-employee directors' holdings and target guidelines were as follows:

	Stock Beneficial Ownership as of April 1, 2021	Minimum Stock Ownership Required(1)
Non-Employee Directors		
J. Daniel Plants	23,020	5,200
Gregory A. Barrett	73,771	5,200
Timothy J. O'Shea	51,432	5,200
Joseph E. Whitters	94,593	5,200
Katherine S. Zanotti	20,178	5,200

- (1) Based on the closing stock price of \$31.00 on April 1, 2021, all non-employee directors already beneficially owned shares that exceed the minimum stock ownership required.
- (2) Mr. Plants is the Managing Partner of Voce Capital Management LLC, the holder of 545,396 shares (approximately 3.1%) of our outstanding common stock as of April 1, 2021. While Mr. Plants has disclaimed beneficial ownership of the shares owned by Voce Capital Management LLC, except to the extent of his pecuniary interest therein, he has the sole or shared voting power of the shares represented here.

On January 6, 2015, we entered into an agreement with Voce Capital Management LLC and Mr. Plants (the "Voce Agreement"), which was filed with the SEC on January 8, 2015. The Voce Agreement states the terms and understandings concerning the nomination and election of Mr. Plants to our Board of Directors and other matters. Among other things, the Agreement provides that if, at any time Voce's ownership in our common stock (subject to adjustment for stock splits, reclassifications, combinations and similar adjustments) falls below 140,000 shares, then Mr. Plants will immediately resign from our Board.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter, the Audit Committee of the Board is responsible for assisting the Board to fulfill its oversight of the integrity of the Company's financial statements and internal controls, the Company's compliance with legal and regulatory requirements, the independent auditors' qualifications and independence, and the performance of the Company's internal audit function and independent auditors. It is the responsibility of the Company's management to prepare the Company's financial statements, and develop and maintain adequate systems of internal accounting and financial controls, facilitating the internal audit intended to evaluate the adequacy and effectiveness of the Company's financial and operating internal control systems.

BDO USA, LLP ("BDO"), the Company's independent registered public accounting firm for fiscal year 2020 (the "independent auditors"), was responsible for performing independent audits of the Company's consolidated financial statements and internal control over financial reporting and issuing an opinion on the conformity of those audited financial statements with generally accepted accounting principles in the United States of America ("GAAP") and on the effectiveness of the Company's internal control over financial reporting. The independent auditors also review the Company's interim financial statements in accordance with applicable auditing standards.

In evaluating the independence of BDO, the Audit Committee has (i) received the written disclosures and the letter from BDO required by applicable requirements of the Public Company Accounting Oversight Board ("PCAOB") regarding the audit firm's communications with the Committee concerning independence, and (ii) discussed with BDO the firm's independence from the Company and management. The Audit Committee has concluded that BDO was independent from the Company and its management. The Audit Committee has reviewed with the independent auditors and the Company's internal auditors the overall scope and specific plans for their respective audits, and the Committee regularly monitored the progress of both in assessing the Company's compliance with Section 404 of the Sarbanes-Oxley Act, including their findings, required resources and progress.

In 2020, the Audit Committee held eight meetings. At every regular quarterly meeting, the Committee reviews the results of the independent auditor's examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's accounting and financial reporting. Following the regular quarterly meeting, the Audit Committee meets separately with the independent auditors, without management present, and also meets separately with the Company's management. In addition, from time-to-time the Audit Committee meets with the Company's independent internal audit firm.

The Audit Committee met with management and the independent auditors and discussed the fair and complete presentation of the Company's financial statements. The Audit Committee also discussed and reviewed with the independent auditors, all communications required, including those matters required to be discussed by the applicable requirements of the PCAOB and the Securities and Exchange Commission. The Audit Committee discussed significant accounting policies applied in the financial statements, as well as alternative treatments. Management represents that the consolidated financial statements have been prepared in accordance with GAAP and the Audit Committee reviewed and discussed the audited consolidated financial statements with both management and the Company's independent auditors.

Relying on the foregoing reviews and discussions, the Audit Committee recommended to the Board, and the Board approved, inclusion of the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2020, for filing with the Securities and Exchange Commission.

The foregoing report is provided by the undersigned members of the Audit Committee.

PROPOSAL THREE-NON-BINDING ADVISORY VOTE ON THE COMPENSATION OF NAMED EXECUTIVE OFFICERS

General

As required pursuant to Section 14A of the Exchange Act, the Board is asking you to approve, on an advisory and non-binding basis, the executive compensation programs and policies and the resulting 2020 compensation of our Named Executive Officers listed in the 2020 Summary Compensation Table on page 47 (our “Named Executive Officers”) as described in this proxy statement.

This proposal, commonly known as a “Say-on-pay” proposal, gives our stockholders the opportunity to express their views on our Named Executive Officers’ compensation as a whole. This vote is not intended to address any specific item of compensation or any specific Named Executive Officer, but rather the overall compensation of all of our Named Executive Officers and the philosophy, policies and practices described in this proxy statement. Because the vote is advisory, the result will not be binding on our Compensation Committee and it will not affect, limit or augment any existing compensation or awards. The “Say-on-pay” vote will, however, provide information to the Compensation Committee and our Board regarding investor sentiment about our executive compensation philosophy, policies and practices, which they will take into account when considering future compensation arrangements. Our Board and the Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the compensation of the Named Executive Officers as disclosed in this proxy statement, they will consider our stockholders’ concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns. We recommend that you read the Compensation Discussion and Analysis and compensation tables in determining whether to approve this proposal.

We believe that the information provided within the Executive Compensation section of this proxy statement demonstrates that our executive compensation program has been designed appropriately and is working to ensure our Named Executive Officers' interests are aligned with our stockholders' interests to support long-term value creation. Accordingly, we ask our stockholders to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby *APPROVED*."

Consistent with the preference of our stockholders, as reflected in the advisory vote on the frequency of future "Say-on-pay" votes, so-called "Say When on Pay," conducted at our 2017 Annual Meeting of Stockholders, the Board has adopted a policy providing for annual advisory votes on the compensation of the Named Executive Officers.

Board of Directors' Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE ADVISORY (NON-BINDING) VOTE APPROVING THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS.

PROPOSAL FOUR-APPROVAL OF THE AMENDMENT AND RESTATEMENT OF OUR 2019 EQUITY INCENTIVE PLAN

General

We are asking our stockholders to approve the amendment and restatement of our 2019 Equity Incentive Plan (the “Amended and Restated Plan”). Our Board has approved the Amended and Restated Plan, subject to approval from stockholders at the 2021 Annual Meeting. We are asking our stockholders to approve the Amended and Restated Plan because we have insufficient shares available to continue to make equity grants, which we believe are necessary to be able to recruit new employees and continue to provide long-term incentives to existing employees and directors. Outstanding awards will remain outstanding and shall continue to be subject to the terms of the Amended and Restated Plan and the respective award agreements, until the expiration of such awards in accordance with their terms.

The Amended and Restated Plan includes increasing the number of shares available for future grant by 600,000 shares. In addition, the Amended and Restated Plan provides for making an annual grant to non-employee directors of shares of restricted stock with a value of \$150,000, and which vest on the next Annual Meeting of Stockholders. In addition, for any new outside directors an initial award will be made in the form of a shares of restricted stock with a value of \$250,000, one-third of such shares to vest on each of the first three anniversaries of the date the Board appoints, or the stockholders elect, the new outside director. The quantity of units granted is determined by dividing the award amount by the 50-day moving average stock price ending on the day of the award.

Approval of the additional shares under the Amended and Restated Plan will allow us to continue to provide incentives to attract, retain and motivate eligible persons whose present and potential contributions are important to our success by offering them an opportunity to participate in our future performance. We believe that the Amended and Restated Plan is in the best interests of the Company because of the continuing need to provide stock options, restricted stock, restricted stock units, performance stock units, and other equity-based incentives to attract and retain qualified personnel and to respond to relevant market changes in equity compensation practices. The use of equity compensation has historically been a significant part of our overall compensation philosophy and is a practice that we plan to continue. In addition, equity awards granted to employees under the Amended and Restated Plan will provide our eligible employees with an opportunity to acquire or increase their ownership stake in the Company, and we believe this aligns their interests with those of our stockholders, creating strong incentives for our employees to work hard for our future growth and success.

We firmly believe that a broad-based equity program is a necessary and powerful employee incentive and retention tool that benefits all of our stockholders. Equity ownership programs put employees’ interests directly into alignment with those of other stockholders, as they reward employees based upon stock price performance. Without the ability to grant market-based equity incentives to our employees, we believe we would be at a disadvantage against other companies—both competitors in our commercial market, and those companies with whom we compete for talent — to provide the total compensation packages necessary to attract, retain and motivate the employee talent critical to our future success. Without equity incentives, we would be forced to consider cash replacement alternatives to provide a market-competitive total compensation package necessary to attract, retain and motivate the employee talent critical to our future growth and success. These cash replacement alternatives could, among other things, reduce the cash available for investment in growth and development of new and existing products, cause a loss of motivation by employees to achieve superior performance over the longer term, and reduce the incentive of employees to remain employed with us during the equity award vesting period.

Our current practice is to limit equity grants to selected key employees that includes certain new hires, members of the management team, senior executive team members, non-employee directors, and other key contributors. Our practice has evolved following discussions with our compensation consultant to primarily grant only non-qualified stock options (“NQs”), restricted stock units (“RSUs”) and performance stock units (“PSUs”). We believe that equity compensation is an important component of our long-term employee incentive and retention plan and has been very effective in enabling us to attract and retain the talent critical for an innovative and growth-focused company.

If the Company’s stockholders do not approve the Amended and Restated Plan, then the current share limit will continue in effect, and we will continue to make awards, subject to such share limit. However, the Company’s plans to operate its business could be adversely affected as reduced equity awards could increase employee turnover, make it more difficult to motivate and retain existing employees, make us less competitive in hiring new talent into the Company to grow our business. Additionally, as a consequence, we may need to increase the cash-based compensation incentives in hiring and retaining top talent, which could adversely impact our financial results of operations, cash flows and balance sheet.

Design of our Amended and Restated Plan and Grant Practices

Our Amended and Restated Plan design is set-up to conform to best current compensation practices and implement strong governance-related protections for our stockholders, which include:

- ✓ *Administration*- Our Amended and Restated Plan is administered by the Compensation Committee of the Board, which is comprised entirely of independent non-employee directors.
- ✓ *No evergreen provision*- Stockholder approval is required for additional shares. Our Amended and Restated Plan does not contain an annual “evergreen” provision so that stockholder approval is required to increase the maximum number of securities that may be issued under the Amended and Restated Plan.
- ✓ *Exchange or repricing programs* are not allowed without stockholder approval. The Amended and Restated Plan prohibits the repricing or other exchange for plan awards or cash of underwater stock options and stock appreciation rights without prior stockholder approval.
- ✓ *No discount stock options or stock appreciation rights*. Any stock options and stock appreciation rights will have an exercise price equal to at least the fair market value of our common stock on the date the stock option or stock appreciation right is granted.
- ✓ *No “liberal” share recycling features* - *The Amended and Restated Plan deducts the shares available for issuance under the Amended and Restated Plan by the gross number of shares for which an award is exercised or vests, not the net number of shares actually issued upon exercise (in the event the exercise price is paid in shares of the Company’s common stock or shares are withheld to satisfy tax withholding obligations).*
- ✓ *Does not provide for the automatic full “single trigger” acceleration* of outstanding equity awards in the event of a change in control if such equity awards are assumed by the successor corporation.
- ✓ *Automatic non-employee director grants*, The Amended and Restated Plan provides for automatic grants of restricted stock to non-employee directors, with initial awards valued at \$150,000 and annual awards valued at \$100,000.
- ✓ *No dividend payments on unvested shares*. No dividend payments will be made on unvested shares subject to grants, but instead any dividends will be deferred until awards become vested and are exercised / settled.
- ✓ *No tax gross-ups*. The Amended and Restated Plan does not provide for any tax gross-ups.

Considerations of the Board in Determining the Number of Shares to be Added

In determining the number of shares to be added under the Amended and Restated Plan, the Board considered a number of factors, including the following:

Historical Equity Awards Data as of the Record Date (April 19, 2021)

As of April 19, 2021, we had 259,090 outstanding stock options with a weighted average exercise price of \$23.32 per share and a weighted average remaining contractual term of 3.8 years. We also had 756,683 outstanding RSUs and PSUs with a weighted average remaining contractual term of 1.3 years.

Our Compensation Committee carefully considers the impact of potential dilution on our stockholders from equity-based awards, as well as the ability to maintain an equity incentive plan that can attract and retain employee talent, while keeping the rate of dilution low. After carefully forecasting our anticipated growth rate for the next few years and considering our historical forfeiture rates, we currently believe that the share reserve, which will include the additional 600,000 shares, will be sufficient for us to make anticipated grants of equity incentive awards under our current compensation program for one to two years. However, a change in business conditions or our strategy, one or more acquisitions, or equity market performance could alter this projection. The Compensation Committee and the Board believe that approving at least two years' projected equity awards will enable stockholders to continue to provide input on share increases in equity plans on a reasonable interval.

Our directors and Named Executive Officers have an interest in this proposal as they are eligible to receive equity awards under the Plan.

What Happens if Stockholders Do Not Approve the Amended and Restated Plan

If the Company's stockholders do not approve the Amended and Restated Plan, then the current share limit will continue in effect, and we will continue to make awards, subject to such share limit. However, the Company's plans to operate its business could be adversely affected as reduced equity awards could increase employee turnover, make it more difficult to motivate and retain existing employees and make Cutera less competitive in hiring new talent into the Company to grow our business. Additionally, as a consequence, we may need to increase the cash-based compensation incentives in hiring and retaining top talent, which could adversely impact our financial results of operations, cash flows and balance sheet.

Vote Required

Approval of the Amended and Restated Plan requires the affirmative vote of a majority of the shares of our Common Stock that are present in person or proxy and entitled to vote at the Annual Meeting.

Board of Directors' Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE APPROVAL OF THE AMENDED AND RESTATED PLAN.

Summary of the Amended and Restated Plan

The following is a summary of the principal features of the Amended and Restated Plan and its operation. It is qualified in its entirety by reference to the Amended and Restated Plan set forth in this proxy statement as [Appendix A](#).

The Amended and Restated Plan provides for the grant of the following types of incentive Awards: (i) stock options, (ii) restricted stock, (iii) restricted stock units, (iv) stock appreciation rights (v) performance units and performance shares, and (vi) and other stock or cash awards. Each of these is referred to individually as an “Award.” Those eligible for Awards under the Amended and Restated Plan include members of the Board and employees and consultants who provide services to us or any parent or subsidiary of ours. As of April 19, 2021, we had approximately 348 employees, 22 consultants, and 5 outside directors who were eligible to participate in this Amended and Restated Plan. As stated, the Amended and Restated Plan allows us to grant Awards to consultants, and in certain circumstances, we have granted Awards to individual consultants of the Company performing a critical function.

Number of Shares of Common Stock Available Under the Amended and Restated Plan. The Company’s Board of Directors approved on April 9, 2021 the addition of an incremental 600,000 shares to the Plan subject to stockholder approval at the 2021 Annual Meeting on June 15, 2021. As of April 19, 2021, a total of 11,001,192 shares were authorized for issuance under the Plan, of which 913,882 shares remained available for future awards. Upon stockholder approval of the Amended and Restated Plan at the 2022 Annual Meeting on June 15, 2021, a total of 11,601,192 shares is authorized for issuance under the Amended and Restated Plan, of which 1,245,601 shares remained available for future awards, net of 268,281 shares granted on April 28, 2021, when the Amended and Restated Plan was approved by the Board. The shares may be authorized, but unissued or reacquired common stock.

Any shares subject to Awards granted before June 14, 2019 with an exercise price less than fair market value per share of our common stock on the date of grant of such Awards will be counted against the numerical limit in the previous paragraph as 2.12 shares for every one share subject thereto. Further, if shares acquired through any such Award are forfeited or repurchased by us and would otherwise return to the Amended and Restated Plan as described in the following paragraph, 2.12 times the number of shares so forfeited or repurchased will return to the Amended and Restated Plan and will again become available for issuance.

If an Award expires or becomes unexercisable without having been exercised in full, or, with respect to restricted stock, restricted stock units, performance shares or performance units, is forfeited to or repurchased by us, the unpurchased shares (or for Awards other than options and stock appreciation rights, the forfeited or repurchased shares) which were subject thereto will become available for future grant or sale under the Amended and Restated Plan. Upon exercise of a stock appreciation rights settled in shares, the gross number of shares covered by the portion of the stock appreciation right will cease to be available under the Amended and Restated Plan. If the exercise price of an option is paid by tender to us, or attestation to the ownership, of shares of our common stock owned by the participant, the number of shares available for issuance under the Amended and Restated Plan will be reduced by the gross number of shares for which the option is exercised. Shares that have actually been issued under the Amended and Restated Plan under any Award will not be returned to the Amended and Restated Plan and will not become available for future distribution under the Amended and Restated Plan; provided, however, that if shares of restricted stock, restricted stock units, performance shares or performance units are repurchased by us or are forfeited to us, such shares will become available for future grant under the Amended and Restated Plan as described above. Shares used to pay the exercise price of an Award and/or used to satisfy tax withholding obligations will not become available for future grant or sale under the Amended and Restated Plan. To the extent an Award is paid out in cash rather than shares of our common stock, such cash payment will not reduce the number of shares available for issuance under the Amended and Restated Plan.

If we declare a stock dividend or engage in reorganization or other change in our capital structure, including a merger, the Administrator will adjust the (i) number and class of shares available for issuance under the Amended and Restated Plan, (ii) number, class and price of shares subject to outstanding Awards, and (iii) specified per-person limits on Awards to reflect the change.

Administration of the Amended and Restated Plan. Our Board, or its Compensation Committee, or a committee of directors or of other individuals satisfying applicable laws and appointed by our Board (the “Administrator”), administers the Amended and Restated Plan. To make grants to certain of our officers and key employees, the members of the committee must qualify as “non-employee directors” under Rule 16b-3 of the Securities Exchange Act of 1934 (the “Exchange Act”).

Subject to the terms of the Amended and Restated Plan, the Administrator has the sole discretion to select the employees, consultants, and directors who will receive Awards, to determine the number of shares to be covered by each Award, to determine the terms and conditions of Awards, to modify or amend each Award (subject to the restrictions of the Amended and Restated Plan), to approve the forms of Award agreement for use under the Amended and Restated Plan, to interpret the provisions of the Amended and Restated Plan and outstanding Awards, to allow participants to satisfy withholding tax obligations by electing to have us withhold from the shares to be issued upon exercise that number of shares having a fair market value equal to the minimum amount required to be withheld, and to allow participants to defer the receipt of payment of cash or the delivery of shares of our common stock that would otherwise be due under an Award according to such procedures as the Administrator determines.

The Administrator may, but only with stockholder approval, implement an exchange program under which (i) outstanding Awards may be surrendered or cancelled in exchange for Awards of the same type, Awards of a different type, and/or cash, (ii) participants would have the opportunity to transfer any outstanding Awards to a financial institution or other person or entity selected by the Administrator, and/or (iii) the exercise price of an outstanding Award could be reduced.

The Administrator has the authority to make all other determinations necessary or advisable for administering the Amended and Restated Plan, and the Administrator's decisions, determinations, and interpretations will be final and binding on all participants and any other holders of Awards.

Vesting. The Amended and Restated Plan allows for awards subject to either time-based vesting or performance-based vesting, or both. All time-based awards that are designated to be settled in shares of common stock have a minimum vesting period of one year, and all performance-based awards that are designated to be settled in shares of our common stock have a minimum performance period of one year. These minimum vesting requirements are subject to an exception with respect to five percent of the shares that remain available for future awards and the permitted acceleration of vesting as a result of a participant's death or disability, a change in control or the Administrator's exercise of discretion in accordance with the terms of the Amended and Restated Plan.

Automatic Director Grants. The Amended and Restated Plan provides for an automatic grant to each outside director on the date the person first becomes an outside director of shares of restricted stock with a value of \$250,000 (the "Initial Award"). Each Initial Award will vest and become exercisable as to one-third of the shares of restricted stock on each of the first three annual anniversaries of its date of grant, subject to continued service as a member of the Board through each such anniversary. In addition, each outside director who is a director on the date of each Annual Meeting of stockholders and has been a director for at least the preceding six months, will receive an award of shares of restricted stock with a value of of \$150,000. These shares of restricted stock vest on the one-year anniversary of the grant date, subject to continued service as a member of the Board through such anniversary. The quantity of units granted is determined by dividing the award amount by the 50-day moving average stock price ending on the day of the award.

Options. The Administrator is able to grant non-statutory stock options and incentive stock options under the Amended and Restated Plan. The Administrator determines the number of shares subject to each option, although the Amended and Restated Plan provides that a participant may not receive options for more than 1,000,000 shares in any fiscal year, except in connection with his or her initial service with us, in which case he or she may be granted an option covering up to an additional 1,000,000 shares.

The Administrator determines the exercise price of options granted under the Amended and Restated Plan, provided the per share exercise price must be at least equal to, and not less than, the fair market value of a share of our common stock on the date of grant. In addition, the per share exercise price of an incentive stock option granted to any participant who owns more than 10% of the total voting power of all classes of outstanding stock of ours or any parent or subsidiary of ours must be at least 110% of the fair market value of a share of our common stock on the grant date.

The term of each option will be stated in the Award agreement. The term of an option may not exceed seven years, except that, with respect to any participant who owns more than 10% of the voting power of all classes of outstanding stock of ours or any parent or subsidiary of ours, the term of an incentive stock option may not exceed five years.

After a termination of service with us, a participant will be able to exercise the vested portion of his or her option for the period of time stated in the Award agreement. If no such period of time is stated in the participant's Award agreement, the participant will generally be able to exercise his or her option for (i) three months following his or her termination for reasons other than death or disability, and (ii) twelve months following his or her termination due to death or disability. In no event may an option be exercised beyond its maximum term.

Restricted Stock. Awards of restricted stock are rights to acquire or purchase shares of our common stock, which vest in accordance with the terms and conditions established by the Administrator in its sole discretion. For example, the Administrator may set restrictions based on the achievement of specific performance goals. The Administrator, in its discretion, may accelerate the time at which any restrictions will lapse or be removed. The Award agreement generally will grant us the right to repurchase or reacquire the shares upon the termination of the participant's service with us for any reason (including death or disability). During the period during which the transfer of a participant's shares of restricted stock are subject to restrictions, (i) the participant may exercise full voting rights with respect to those shares, unless the Administrator determines otherwise, but (ii) the participant will not be entitled to receive dividends or other distributions paid with respect to such shares. The Administrator will determine the number of shares granted pursuant to an Award of restricted stock, but no participant will be granted a right to purchase or acquire more than 300,000 shares of restricted stock during any fiscal year, except that a participant may be granted up to an additional 300,000 shares of restricted stock in connection with his or her initial employment with us.

Restricted Stock Units. Awards of restricted stock units result in a payment to a participant only if the vesting criteria the Administrator establishes is satisfied. For example, the Administrator may set vesting criteria based on the achievement of specific performance goals. The restricted stock units vest at a rate determined by the Administrator; provided, however, that after the grant of restricted stock units, the Administrator, in its sole discretion, may reduce or waive any restrictions for such restricted stock units. Upon satisfying the applicable vesting criteria, the participant will be entitled to the payout specified in the Award agreement. The Administrator, in its sole discretion, may pay earned restricted stock units in cash, shares, or a combination thereof. Restricted stock units that are fully paid in cash will not reduce the number of shares available for grant under the Amended and Restated Plan. On the date set forth in the Award agreement, all unearned restricted stock units will be forfeited to us. The Administrator determines the number of restricted stock units granted to any participant, but no participant may be granted more than 300,000 restricted stock units during any fiscal year, except that the participant may be granted up to an additional 300,000 restricted stock units in connection with his or her initial employment with us.

Stock Appreciation Rights. The Administrator will be able to grant stock appreciation rights ("SARs"), which are the rights to receive the appreciation in fair market value of common stock between the exercise date and the date of grant. We can pay the appreciation in cash, shares of common stock, or a combination thereof. The Administrator, subject to the terms of the Amended and Restated Plan, will have complete discretion to determine the terms and conditions of SARs granted under the Amended and Restated Plan, provided, however, that the exercise price may not be less than 100% of the fair market value of a share on the date of grant and the term of a SAR may not exceed seven years. No participant will be granted SARs covering more than 1,000,000 shares during any fiscal year, except that a participant may be granted SARs covering up to an additional 1,000,000 shares in connection with his or her initial service with us.

The Administrator may grant "affiliated" SARs, "freestanding" SARs, "tandem" SARs, or any combination thereof. An "affiliated SAR" is a SAR that is granted in connection with a related option and which automatically will be deemed to be exercised at the same time that the related option is exercised. However, an affiliated SAR will not require a reduction in the number of shares subject to the related option. A "freestanding" SAR is one that is granted independent of any options. A "tandem" SAR is a SAR granted in connection with an option that entitles the participant to exercise the SAR by surrendering to us an equivalent portion of the unexercised related option. A tandem SAR may be exercised only with respect to the shares for which its related option is then exercisable. With respect to a tandem SAR granted in connection with an incentive stock option, the tandem SAR will expire no later than the expiration of the underlying incentive stock option, the value of the payout with respect to the tandem SAR will be for no more than 100% of the difference between the exercise price of the underlying incentive stock option and the fair market value of the shares subject to the underlying incentive stock option at the time the tandem SAR is exercised, and the tandem SAR will be exercisable only when the fair market value of the shares subject to the incentive stock option exceeds the exercise price of the incentive stock option.

After termination of service with us, a participant will be able to exercise the vested portion of his or her SAR for the period of time stated in the Award agreement. If no such period of time is stated in a participant's Award agreement, a participant will generally be able to exercise his or her vested SARs for the same period of time as applies to stock options.

Performance Units and Performance Shares. The Administrator may grant performance units and performance shares, which are Awards that will result in a payment to a participant only if the performance goals or other vesting criteria the Administrator may establish are achieved or the Awards otherwise vest. Earned performance units and performance shares will be paid, in the sole discretion of the Administrator, in the form of cash, shares, or in a combination thereof. The Administrator will establish performance or other vesting criteria in its discretion, which, depending on the extent to which they are met, will determine the number and/or the value of performance units and performance shares to be paid out to participants. The performance units and performance shares will vest at a rate determined by the Administrator; provided, however, that after the grant of a performance unit or performance share, the Administrator, in its sole discretion, may reduce or waive any performance objectives or other vesting provisions for such performance unit or performance share. On the date set forth in the Award agreement, all unearned or unvested performance units or performance shares will be forfeited to us. During any fiscal year, no participant will receive more than 300,000 performance shares and no participant will receive performance units having an initial value greater than \$2,000,000, except that a participant may be granted performance shares covering up to an additional 300,000 shares in connection with his or her initial service with us. Performance units will have an initial value established by the Administrator on or before the date of grant. Performance shares will have an initial value equal to the fair market value of a share of our common stock on the grant date.

Performance Goals. Awards of restricted stock, restricted stock units, performance shares, performance units and other incentives under the Amended and Restated Plan may be made subject to the attainment of performance goals relating to one or more business criteria and may provide for a targeted level or levels of achievement including, but not limited to: (i) cash position, (ii) earnings per Share, (iii) net income, (iv) operating cash flow, (v) operating income, (vi) operating expenses, (vii) product revenues, (viii) profit after-tax, (ix) revenue, (x) revenue growth, and (xi) total stockholder return. The performance goals may differ from participant to participant and from Award to Award, may be used alone or in combination, may be used to measure our performance as a whole or the performance of one of our business units, and may be measured relative to a peer group or index. Before the latest possible date established by the Administrator for the calculation of a performance goal, the Administrator will determine whether any significant element(s) will be included in or excluded from the calculation of any performance goal with respect to any participant.

Limits on Awards Granted to Non-Employee Directors. No non-employee/ outside director may be granted, in any fiscal year, Awards under this Amended and Restated Plan with a value of greater than \$400,000. The quantity of units granted is determined by dividing the award amount by the 50-day moving average stock price ending on the day of the award. Any Awards granted to an individual while he or she was an employee, or while he or she was a consultant but not an outside director, do not count for purposes of this limitation.

Transferability of Awards. Awards granted under the Amended and Restated Plan are generally not transferable other than by will or by the laws or descent and distribution and may be exercised during a participant's lifetime only by the participant.

Dividends on Awards. To the extent an Award permits the payment of dividends or other distributions on the shares underlying the Award, Participants will not be entitled to receive such dividends or other distributions until such Award vests.

Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator will notify each participant as soon as practicable before the effective date of such proposed transaction. To the extent it has not been previously exercised, an Award will terminate immediately before the consummation of such proposed action.

Change in Control. In the event we experience a change in control (as defined in the Amended and Restated Plan), each outstanding Award will be assumed or an equivalent option or right substituted by the successor corporation or a parent or subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Award, the participant will fully vest in and have the right to exercise all of his or her outstanding options and stock appreciation rights, including shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on restricted stock will lapse, and, with respect to restricted stock units, performance shares and performance units, all performance goals or other vesting criteria will be deemed achieved at target levels and all other terms and conditions met. In addition, if an option or stock appreciation right is not assumed or substituted for in the event of a change in control, the Administrator will notify the participant in writing or electronically that the option or stock appreciation right will be fully vested and exercisable for a period of time determined by the Administrator in its sole discretion, and the option or stock appreciation right will terminate upon the expiration of such period.

With respect to Awards granted to an outside director that are assumed or substituted for, if on the date of or following such assumption or substitution the participant's status as a member of our Board or a director of the successor corporation, as applicable, is terminated other than upon a voluntary resignation by the participant not at the request of the successor, then the participant will fully vest in and have the right to exercise his or her options and/or stock appreciation rights as to all of the shares subject to the Award, including shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on restricted stock shall lapse, and, with respect to restricted stock units, performance shares and performance units, all performance goals or other vesting criteria will be deemed achieved at target levels and all other terms and conditions met.

Company Policies. Any Awards granted under the Amended and Restated Plan on or after June 14, 2019 are subject to the Company's Amended and Restated Stock Ownership Guidelines. In addition, any amounts (whether in cash or shares of our common stock) received by a participant under an Award granted on or after June 14, 2019, will, to the extent applicable, be subject to our right of recoupment under the terms of the Company's Clawback Policy.

Term of Amended and Restated Plan. The Amended and Restated Plan will become effective upon its adoption by the Board, subject to approval by our stockholders at the 2021 Annual Meeting of Stockholders. It will continue in effect until the date of the Annual Meeting in 2030, unless our Board terminates it earlier.

Amendment and Termination of the Amended and Restated Plan. The Administrator has the authority to amend, alter, suspend or terminate the Amended and Restated Plan, except that stockholder approval will be required for any amendment to the extent required by applicable laws. No amendment, alteration, suspension or termination of the Amended and Restated Plan will impair the rights of any participant, unless mutually agreed otherwise between the participant and the Administrator and which agreement must be in writing and signed by the participant and us.

Federal Tax Aspects

The following paragraphs are a summary of the general federal income tax consequences to U.S. taxpayers and us of Awards granted under the Amended and Restated Plan. Tax consequences for any particular individual may be different.

Nonstatutory Stock Options. No taxable income is reportable when a nonstatutory stock option with a per share exercise price equal to the fair market value of the underlying stock on the date of grant is granted to a participant. Upon exercise, the participant will recognize ordinary income in an amount equal to the excess of the fair market value (on the exercise date) of the shares purchased over the exercise price for those shares. Any taxable income recognized in connection with an option exercise by one of our employees is subject to tax withholding by us. Any additional gain or loss recognized upon any later disposition of the shares would be capital gain or loss to the participant.

Incentive Stock Options. No taxable income is reportable when an incentive stock option is granted or exercised (except for purposes of the alternative minimum tax). If the participant exercises the option and then later sells or otherwise disposes of the shares more than two years after the grant date and more than one year after the exercise date, the difference between the sale price and the exercise price will be taxed as capital gain or loss. If the participant exercises the option and then later sells or otherwise disposes of the shares before the end of either of the two- or one-year holding periods described above, he or she generally will have ordinary income at the time of the sale equal to the fair market value of the shares on the exercise date (or the sale price, if less) minus the exercise price of the option.

Stock Appreciation Rights. No taxable income is reportable when a stock appreciation right with an exercise price equal to the fair market value of the underlying stock on the date of grant is granted to a participant. Upon exercise, the participant will recognize ordinary income in an amount equal to the amount of cash received and the fair market value of any shares received. Any taxable income recognized in connection with a stock appreciation right exercise by one of our employees is subject to tax withholding by us. Any additional gain or loss recognized upon any later disposition of the shares would be capital gain or loss to the participant.

Restricted Stock, Restricted Stock Units, Performance Units and Performance Shares. A participant generally will not have taxable income at the time an Award of restricted stock, restricted stock units, performance shares or performance units are granted. Instead, he or she will recognize ordinary income in the first taxable year in which his or her interest in the shares underlying the Award becomes either (i) freely transferable, or (ii) no longer subject to substantial risk of forfeiture. If the participant is an employee, such ordinary income generally is subject to tax withholding by us. However, the recipient of a restricted stock Award may elect to recognize income at the time he or she receives the Award in an amount equal to the fair market value of the shares underlying the Award (less any cash paid for the shares) on the date the Award is granted.

Medicare Surtax. A participant's annual "net investment income," as defined in Section 1411 of the Code may be subject to a 3.8% federal surtax (generally referred to as the "Medicare Surtax"). Net investment income may include capital gain and/or loss arising from the disposition of shares subject to a participant's Awards under the Amended and Restated Plan. Whether a participant's net investment income will be subject to the Medicare Surtax will depend on the participant's level of annual income and other factors.

Section 409A. Section 409A of the Code ("Section 409A") provides certain requirements for non-qualified deferred compensation arrangements with respect to an individual's deferral and distribution elections and permissible distribution events. Awards granted under our Amended and Restated Plan with a deferral feature will be subject to the requirements of Section 409A, including stock options and stock appreciation rights granted with an exercise price below the fair market value of the underlying stock. If an Award is subject to and fails to satisfy the requirements of Section 409A, the recipient of that Award may recognize ordinary income on the amounts deferred under the Award, to the extent vested, which may be prior to when the compensation is actually or constructively received. Also, if an Award that is subject to Section 409A fails to comply with Section 409A's provisions, Section 409A imposes an additional 20% federal income tax on compensation recognized as ordinary income, as well as interest on such deferred compensation. Some states may also apply a similar additional tax (for instance, California imposes a 5% additional tax in addition to the 20% federal additional tax).

Tax Effect for Us; Section 162(m). We generally will be entitled to a tax deduction in connection with an Award under the Amended and Restated Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income (for example, the exercise of a nonstatutory stock option). Special rules limit the deductibility of compensation paid to our Chief Executive Officer, Chief Financial Officer and to each of our three most highly compensated executive officers for the taxable year. Under Section 162(m), the annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON PARTICIPANTS AND US WITH RESPECT TO THE GRANT AND EXERCISE OF AWARDS UNDER THE AMENDED AND RESTATED PLAN. IT DOES NOT PURPORT TO BE COMPLETE, AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF A PARTICIPANT'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE PARTICIPANT MAY RESIDE

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis explains our executive compensation philosophy and programs, the decisions the Compensation Committee of our Board made under those programs during fiscal year 2020 and the factors considered in making those decisions. The Compensation Committee has the principal responsibility for establishing, implementing and continually monitoring adherence to our compensation philosophy and objectives. The Compensation Committee's duties include evaluating the performance and advising the Board on the compensation of our Chief Executive Officer and setting the compensation of our other executive officers. This Compensation Discussion and Analysis focuses on the compensation of our Named Executive Officers for 2020:

- David H. Mowry, Chief Executive Officer
- R. Jason Richey, President
- Rohan Seth(1), Chief Financial Officer
- Fuad Ahmad(2), Interim Chief Financial Officer

(1) Mr. Seth joined the Company on August 4, 2020 and has served as CFO since August 10, 2020.

(2) Mr. Ahmad ceased serving as Interim Chief Financial Officer on a consulting basis in August 2020.

Compensation Philosophy and Objectives

Our Compensation Committee reviews the compensation of our Named Executive Officers and strikes a balance between fixed base pay and pay-for-performance ("PFP") programs that tie compensation directly to specific business goals and management objectives. Our Compensation Committee designs our executive compensation program to support our near-term financial and strategic objectives and promote the long-term growth of our Company.

Our executive compensation program aims to recruit and retain key executive officers responsible for our success and to help motivate these officers to enhance long-term stockholder value. To achieve these ends, the Compensation Committee's executive compensation decisions are based on the following principal objectives:

- Supporting our key financial and strategic goals and relate to our corporate performance;
- Aligning the interests of our executive officers with the interests of our stockholders;
- Providing a total compensation package that is competitive and enables us to attract, motivate, reward and retain talented executive officers and employees;
- Based, in large part, on PFP principles, such that changes in our revenue, operating results, product launches, and stock price, all significantly affect the compensation of our Named Executive Officers; and
- Balancing the components of compensation so that both short-term (annual) and long-term performance objectives are recognized.

We believe the compensation of our executive officers and employees should reflect our performance as an organization, and their performance as individuals, in attaining key financial and operating objectives established by our Board. In addition, we strive to promote an ownership mentality among our employees, including our executive officers, which we believe is best achieved through our equity incentive program and the Employee Stock Purchase Plan. Also, as our Company matures and we lay the foundation for longer term growth and sustained profitability, we endeavor to conserve our cash resources. To that end, one important aspect of our overall compensation philosophy is to set base salaries that are competitive relative to compensation in a peer group of companies (the "Peer Group"), in addition to equity and performance-based incentive compensation, which we believe best aligns the interests of our employees and our stockholders.

Key Features of Our Executive Compensation Program

WHAT WE DO

- ✓ **Pay for Performance:** We link the cash compensation of our executive officers to our performance and stockholder interests by heavily weighting their target total cash compensation opportunities to the achievement of strong financial performance tied to a balanced mix of pre-established performance measures and long-term equity awards that align their interests with those of our stockholders.

- ✓ **Independent Compensation Advisor:** The Compensation Committee selects and engages its own independent advisor to benchmark compensation at reasonable intervals.

- ✓ **Stock Ownership Guidelines:** Our Named Executive Officers and the non-employee members of our Board are subject to stock ownership guidelines equal to a multiple of their respective annual base salaries (3x for our Chief Executive Officer and 1x for other Named Executive Officers and members of senior management) or Board service retainers (3x for directors).

- ✓ **Competitive and market based compensation:** We pay fair and reasonable compensation that allows us to attract, motivate, retain and reward the key employees whose knowledge, skills and performance are necessary for our future growth and success.

WHAT WE DON'T DO

- ☒ **No Special Perquisites or Benefits:** We do not ordinarily provide special perquisites or other personal benefits to our executive officers, such as company cars*, club memberships, supplemental executive retirement plans or supplemental executive health benefits.

* We provide our sales executives with a car allowance given their extended use of a vehicle other than simply commuting to and from the office in Brisbane.

- ☒ **No Guaranteed Bonuses:** We do not provide guaranteed minimum bonuses. Bonuses are contingent on the achievement of key strategic Company goals.

- ☒ **No multi-year employment contracts:** for any executive or employee.

Fiscal Year 2020 Compensation Overview

When designing our fiscal year 2020 executive compensation program, the Compensation Committee considered the program philosophy and objectives set forth above and the intense competition for executive talent within the medical device industry and the broader high-tech industry in Silicon Valley, California.

Summary of the Key Features of our 2020 Executive Compensation Program.

- Our Named Executive Officers are compensated with a base salary (cash), incentive cash bonuses, equity awards, non-equity incentives, and other customary employee benefits.
- The compensation of our Named Executive Officers is reviewed annually (or more frequently as circumstances may dictate) by the Compensation Committee, and adjustments are made to reflect performance-based factors and competitive conditions.
- We evaluate and reward our Named Executive Officers based on the comparable industry specific and general market compensation for their respective positions in the Company, and an evaluation of their contributions to the achievement of short-and long-term organizational goals.
- Our Compensation Committee engages an outside compensation consultant to review our executive compensation programs on an “as needed” basis, in comparison to a peer group of companies (the “Peer Group”), and recommend modifications at reasonable intervals when warranted.
- Our employment agreements with our Named Executive Officers include Change of Control and Severance Agreements (“COC Agreements”).
- We have stock ownership guidelines equal to a multiple of their respective annual base salaries (3x for our Chief Executive Officer and 1x for other Named Executive Officers).

Financial Highlights for 2020

We are a global medical device company focused on the design, development, manufacture and commercialization of laser and other energy-based aesthetic systems for practitioners worldwide. We sell systems, system upgrades, hand pieces, hand piece refills and other disposable products, and distribute third-party manufactured skincare products. In addition, we have a recurring service business that includes the selling of post-warranty service contracts, parts, hand piece replacements, and generating revenue from the servicing of products that are out of warranty.

- The spread of the coronavirus, which caused a broad impact in 2020 globally, including restrictions on travel, shifting work force to work remotely and quarantine policies put into place by businesses and governments, had a material economic effect on our business during the year ended December 31, 2020. Notably, healthcare facilities in many countries effectively banned elective procedures. Many of our products are used in aesthetic elective procedures and as such, the bans on elective procedures substantially reduced our sales and marketing efforts in the early months of the pandemic and led us to implement cost control measures. Revenue was \$147.7 million, compared to \$181.7 million in the year ended December 31, 2019. System revenue in North America decreased by \$46.0 million, or 48%, and system revenue in the rest of the world decreased by \$3.7 million, or 8%, compared to the year ended December 31, 2019.
- Nevertheless, we experienced overall improvement in our demand environment starting from the third quarter ended September 31, 2020. While the fourth quarter trends reflected sequential improvement in both body sculpting and skin/facial rejuvenation procedures, patients sought facial rejuvenation treatments in particular, which was driven by the increased volume of video conferencing during the pandemic. Revenue for the fourth quarter ended December 31, 2020 was \$49.9 million, a decrease of 4% compared to the same period ended December 31, 2019; however, revenue sequentially increased by \$10.8 million, or 28%, compared to the third quarter ended September 30, 2020.
- Throughout the period, our sales from Skincare products in Japan remained strong, increasing by \$16.5 million, or 194%, compared to 2019. The increase was due primarily to increased marketing and promotional efforts, as well as changes in customers behavior due to the COVID-19 pandemic as some customers opted to purchase skincare products rather than go to a doctor’s office for treatment.
- Gross margin was also adversely impacted by the COVID-19 pandemic due to lower utilization; however, our efforts to remove fixed overhead costs, improve manufacturing efficiencies and reduced material costs minimized the impact.
- As of December 31, 2020, we had \$51.9 million of working capital. Cash and cash equivalents plus marketable investments increased by \$13.1 million to \$47.0 million as of December 31, 2020, from \$33.9 million as of December 31, 2019, primarily as a result of cash obtained from financing activities, including net proceeds from our secondary offering of \$26.5 million and proceeds from the PPP loan of \$7.1 million, partially offset by a decrease in sales caused by the business disruptions due to the COVID-19 pandemic.
- We had net increase in cash and cash equivalents during 2020, which consisted of \$31.3 million increase from financing activities and \$6.4 million increase from investing activities, partially offset by \$16.9 million decrease from operating activities.

Corporate Governance Highlights

We endeavor to maintain good corporate governance standards consistent with our executive compensation policies and practices. The following policies and practices were in effect during 2020:

- *Independent directors* oversee each of our Board’s committees, including our Compensation Committee. Our Compensation Committee establishes executive compensation and administers our equity plans.
- *The Compensation Committee* conducts an annual review and approval of our compensation strategy. We ensure that our compensation practices remain current with market conditions by having them reviewed by our compensation consultant from time to time. Our compensation philosophy and related corporate governance features are complemented by several elements that are designed to align our executive compensation with long-term stockholder interests. Please refer to the Compensation Philosophy and Objectives section above.

Compensation Committee’s Roles and Responsibilities

Role of the Compensation Committee and its Consultant in Setting Executive Compensation

The Compensation Committee establishes compensation for our Named Executive Officers to ensure consistency with market compensation rates for similar positions, our compensation philosophy and corporate governance guidelines. In determining total compensation for our Named Executive Officers, the Compensation Committee aligns management incentives with long-term value creation for the Company’s stockholders.

Compensation Committee Members

The members of the Compensation Committee are appointed by our Board. The chairperson of the committee is Gregory A. Barrett and the other member is Katherine S. Zanotti. Each member of the Compensation Committee is a “non-employee director” for purposes of Exchange Act Rule 16b-3, and satisfies the independence requirements imposed by NASDAQ.

Compensation Committee Charter

The Compensation Committee has a written charter, which can be found on our website (www.cutera.com) in the Investor section, under the Corporate Governance tab.

Duties of the Compensation Committee

The responsibilities of the Compensation Committee include:

- (i) Establishing and recommending to the Board the following for our Named Executive Officers and such other executive officers as appropriate:
 - (a) annual base salary;
 - (b) annual incentive bonus, which may include the setting of specific goals and target amounts;
 - (c) equity compensation;
 - (d) agreements for employment, severance and change-of-control payments and benefits; and
 - (e) any other benefits, compensation or arrangements, other than benefits generally available to our employees.
- (ii) Reviewing and making recommendations to our Board, at such intervals as may be decided by the Compensation Committee from time to time, regarding:
 - (a) general compensation goals and guidelines for our employees and the criteria by which bonuses and stock compensation awards to our employees are determined; and
 - (b) other policies and plans for the provision of compensation to our employees, directors, and consultants.
- (iii) Acting as Administrator of our 2019 Equity Incentive Plan, which is an amendment and restatement of 2004 Employee Stock Purchase Plan, and any other equity compensation plans adopted by our Board;
- (iv) Reviewing and making recommendations to our Board with respect to policies relating to the issuance of equity incentives to employees, directors and consultants;
- (v) Evaluating the compensation of the independent members of our Board; and
- (vi) Preparing the report that follows this Compensation Discussion and Analysis.

Advisory Vote on Executive Compensation

We believe that it is important for our stockholders to have an opportunity for an advisory vote on executive compensation on an annual basis as a means to express their views regarding our executive compensation philosophy, our compensation policies and programs, and our decisions regarding executive compensation, all as disclosed in our proxy statement. The Compensation Committee considers the outcome of the annual “Say-on-Pay” advisory vote when making decisions regarding the executive compensation program. At the Company’s 2020 annual meeting of stockholders, approximately 99% of the votes cast on the fiscal year 2020 “Say-on-Pay” advisory vote were cast in favor of approving the compensation of our named executive officers. The Board and the Compensation Committee viewed the outcome of the “Say-on-Pay” advisory vote as indicative that a significant majority of the Company’s stockholders view the Committee’s approach to executive compensation favorably.

Our stockholder engagement efforts, including ongoing conversations between management and Board members and stockholders on a variety of matters, reflect our commitment to strong corporate governance and our goal of seeking input directly from our stockholders, which we believe allows us to better understand our stockholders’ perspectives. As a result of the Compensation Committee’s evaluation of the results of the “Say-on-Pay” advisory vote, the feedback received from stockholders and the advice from the Committee’s independent compensation consultant, the Committee determined that significant changes to the design of the Company’s executive compensation and equity programs were not warranted at this time.

Compensation Consultant

The Compensation Committee engages a compensation consultant periodically based on the need for additional guidance resulting from changes in our Named Executive Officers’ roles and responsibilities, our corporate profile relative to our peers (*e.g.*, type of business, market capitalization, annual revenue, profitability, etc.), Named Executive Officer turnover, and other factors as determined by our Compensation Committee. Beginning in 2011, the Compensation Committee engaged Compensia, an independent compensation consultant, periodically to advise it on various compensation matters related to our Named Executive Officers, the Board, and other members of senior management compensation matters.

In 2019 and 2020, in connection with the Company’s development of recommended pay levels and structures for our Named Executive Officers, the Compensation Committee instructed Compensia to perform the following activities:

- Evaluate and develop groups of public companies that would be suitable to use as Peer Groups;
- Gather competitive market data with respect to the compensation of both directors and executive officers of the Peer Groups and at comparably sized/valued companies in the broader technology and life science markets;
- Assess elements of our Named Executive Officers’ compensation including base salary, target bonus, target total cash compensation and annual equity grant values relative to the practices at the Peer Groups and in the broader market; and
- Review and provide input to the Compensation Committee on the Company’s recommended adjustments for cash-based and equity-based compensation for our directors and Named Executive Officers, including pay levels and pay structures (such as short- and long-term variable compensation components).

Role of our Executives in Setting Compensation

In developing the compensation of the Named Executive Officers, the Compensation Committee meets with members of our management team, including our Chief Executive Officer, Chief Financial Officer, and other management employees as required. The purpose of these meetings is primarily to gather financial data, obtain their input on proposed compensation programs, establish mechanisms for implementing and monitoring incentive and performance targets, and gather other information on practices and packages for our Named Executive Officers, other employees, and directors.

Management may make recommendations to the Compensation Committee on some or all components of compensation. The Compensation Committee considers, but is not bound to, and does not always accept, management's recommendations with respect to these matters. The Compensation Committee has the ultimate authority to make decisions and recommendations to the Board with respect to the compensation of our Named Executive Officers and does not delegate any of its compensation functions to others. The Compensation Committee determines the compensation of our Chief Executive Officer that should be recommended to the Board, without any recommendation from management.

Competitive Positioning

In developing, reviewing, and approving the annual compensation for our Named Executive Officers, the Compensation Committee, with the assistance of its compensation consultant, develops and maintains the Peer Group of public companies from which to gather competitive market data. After consulting with Compensia, the Compensation Committee approved the following set of selection criteria for determining the companies to comprise the compensation Peer Group:

- (i) U.S.-based companies with a primary focus on health care equipment and supplies;
- (ii) Annual revenue generally between 0.5 times to 2.5 times that of Cutera; and
- (iii) Market capitalization generally between 0.33 times to 5 times that of Cutera.

In December 2019, in connection with the development of additional compensation assessments that the Compensation Committee requested related to executive compensation and our Named Executive Officer compensation levels, the Compensation Committee, after consulting with Compensia, updated the Peer Group based on the selection criteria referenced above to include the following companies:

Accuray	Endologix	NanoString Technologies
Anika Therapeutics	Glaukos	Nervro
AtriCure	Intersect ENT	RTI Surgical
Alphatec Holdings	IntriCon	SeaSpine Holdings
Conformis	iRhythm Technologies	Sientra
Cardiovascular Systems	Lantheus Holdings	STAAR Surgical Company
CryoLife	LeMaitre Vascular	Tactile Systems Technology

Executive Compensation Actions

Effective July 8, 2019, Mr. Mowry became the Company's Chief Executive Officer, and Mr. Richey was appointed full-time President. Mr. Seth became the Chief Financial Officer effective August 8, 2020. Included in our Compensation Discussion and Analysis ("CD&A") below is a discussion relating to our Chief Executive Officer, Mr. Mowry, our Chief Financial Officer, Mr. Seth, as well as our President and Former Chief Operating Officer and Former Interim Chief Executive Officer, Mr. Richey, during fiscal year 2020.

Leading up to and during 2020, our Compensation Committee, after consultation with the Committee's compensation consultant, re-evaluated the compensation of some of our Named Executive Officers and recommended the following modifications to their compensation arrangements, which our Board approved:

1) Cash Compensation

- (a) Effective July 8, 2019, as Chief Executive Officer, Mr. Mowry's annual base salary was set at \$650,000 and he was not entitled to receive any board compensation during the period of his employment. Mr. Mowry was also eligible to participate in the Company's 2020 Management Bonus Program on a prorated basis and his target bonus percentage was equal to 80% of his base salary; however, no bonus was actually granted as the 2020 goal was not met due to the adverse impact as a result of the COVID-19 pandemic. Effective May 1, 2020, Mr. Mowry's base salary was reduced by 25% due to COVID-19. Notwithstanding the above, the Board utilized its discretion to award a bonus for Mr. Mowry in the amount of \$100,000 for his contributions to the Company during a very difficult year. During 2020 he obtained a payroll protection program (PPP) loan, managed the downsizing of the organization which reduced costs significantly to preserve cash and ultimately achieve our revised "Pandemic Period" top line and bottom line revised forecast and oversaw the completion of an equity offering and revolving credit facility. Effective October 1, 2020, 10% of Mr. Mowry's base salary was reinstated. It was fully reinstated in the beginning of 2021.
- (b) Effective July 8, 2019, Mr. Richey's title changed from Chief Operating Officer and Interim Chief Executive Officer to President, and his annual salary was set at \$575,000. Mr. Richey remained eligible to participate in the Company's 2019 Management Bonus Program and his target bonus percentage remained at 75% of his base salary; however, no bonus was granted as the 2020 goal was not met due to the COVID-19 pandemic. Effective May 1, 2020, Mr. Richey's base salary was reduced by 25% due to COVID-19. Effective October 1, 2020, 10% of Mr. Richey's base salary was reinstated. It was fully reinstated in the beginning of 2021.
- (c) Effective August 8, 2020, as Chief Financial Officer, Mr. Seth's annual base salary was set at \$350,000. Mr. Seth was also eligible to participate in the Company's 2020 Management Bonus Program on a prorated bases and his target bonus percentage which was equal to 50% of his base salary; however, no bonus was granted as the 2020 goal was not met due to the COVID-19 pandemic. Notwithstanding the above, the Board utilized its discretion to award a bonus for Mr. Seth in the amount of \$27,344 for the following contributions to the Company during a very difficult year: 1) managed expenses and reduced costs significantly to preserve cash, and 2) assisted and supported the turnaround of the Company's financial performance in the second half of 2020. Mr. Seth's offer letter provides Mr. Seth with a relocation expense reimbursement benefit of up to \$100,000, contingent on Mr. Seth relocating to Brisbane, California of the San Francisco Bay Area within 18 months of employment commencement, and a sign on bonus of \$50,000. Mr. Seth is obligated to return the sign on bonus in full if he does not relocate within the 18-month period described above, or Mr. Seth terminates his employment with the Company within such period.
- (d) Effective November 15, 2019, as Interim Chief Financial Officer on a consulting basis, Mr. Ahmad's consulting firm, FLG Partners, LLC, received a rate of \$450.00 per hour for Mr. Ahmad's time until his engagement ended in August 2020. Mr. Ahmad and FLG Partners, LLC were

not eligible to participate in the Company's 2020 Management Bonus Program. Mr. Ahmad ceased serving as Interim Chief Financial Officer in August 2020.

- 2) **Equity Grants.** Equity grants to our Named Executive Officers by our Board in fiscal year 2020, based on the recommendations of the Compensation Committee, were as follows:
- (a) Mr. Mowry was granted equity awards with a grant date fair value up to \$800,000 in fiscal year 2020. The fiscal year 2020 awards included an annual equity award comprised equally of restricted stock units and performance stock units. The grant date fair value of equity awarded to Mr. Mowry in 2020 totaled \$673,024 compared to \$2,741,680 in 2019.
 - (b) Mr. Richey was granted equity awards with a grant date fair value up to \$700,000 in fiscal year 2020. The fiscal year 2020 awards included an annual equity award comprised equally of restricted stock units and performance stock units. The grant date fair value of equity awarded to Mr. Richey in 2020 totaled \$588,903 compared to \$1,696,680 in 2019.
 - (c) Upon his appointment as the Chief Financial Officer, Mr. Seth was granted equity awards with a grant date fair value of \$995,089 in fiscal year 2020, which comprised of \$442,374 stock options and \$316,164 performance stock units.
 - (d) Mr. Ahmad was not granted any equity awards in 2020.
- 3) **Established the Performance Goals for the PSUs granted.** The goals established are detailed below in the section titled “Equity Incentive Compensation.”

The Compensation Committee concluded that the changes to the compensation of our Named Executive Officers strengthened the alignment of their interests with those of our stockholders, were sufficient to maintain competitiveness with the executives in comparable positions at the companies in our Peer Group, promoted retention and achieved the motivation and continuity desired. Further, the Compensation Committee also took into consideration the fact that, consistent with our compensation objectives, the equity awards granted increased our Named Executive Officers’ stake in the Company, thereby reinforcing their incentive to manage our business as owners and subjected a significant portion of their total compensation to fluctuations in the market price of our common stock in alignment with stockholder interests.

Compensation Components

Our Named Executive Officers are compensated with cash, equity and non-equity incentives, and other customary employee benefits.

Cash Compensation

Cash compensation consists of:

- Base salary; and
- Participation in a discretionary Management Bonus Program for non-sales employees (“Management Bonus Program”)(1)

(1) *The Board maintains the flexibility to award the Management Bonus Program in Company stock in lieu of cash.*

Our cash compensation goals for our Named Executive Officers are based upon a myriad of principles, including:

- Total cash compensation should generally be set at or above the 50th percentile of the Peer Group subject to various considerations;
- Base salary should reflect the individual’s experience (in both the role he or she is performing, and the aesthetics industry more broadly), performance, and potential;
- A significant portion of cash compensation should be contingent on the achievement of key targets and be “at risk;” and
- The amount of bonuses payable to our Named Executive Officers should be based on corporate performance measures established by the Compensation Committee and approved by our Board that align the bonus payment with the achievement of specified annual operating goals intended to enhance long-term stockholder value.

Base Salary and Total Target Cash Compensation

Total target cash compensation for our Named Executive Officers included their annual base salary and annual target bonus opportunity (described below).

- Upon his appointment as Chief Executive Officer effective July 8, 2019, Mr. Mowry’s base salary and target bonus participation rate for his role as Chief Executive Officer was set at \$650,000 and 80%, respectively.
- Upon his appointment as Chief Operating Officer effective July 9, 2018, Mr. Richey’s base salary and target bonus participation rate was set at \$505,000 and 75%, respectively for 2018. Upon the resignation of Mr. Reinstein on January 4, 2019, Mr. Richey was appointed as Interim Chief Executive Officer in addition to his duties as Chief Operating Officer and his salary remained unchanged. Effective July 8, 2019, Mr. Richey was appointed President and his base salary and target bonus participation rate for his role as President was set at \$575,000 and 75%, respectively.
- Upon his appointment as Chief Financial Officer effective August 10, 2020, Mr. Seth’s base salary and target bonus participation rate was set at \$350,000 and 50%, respectively.
- Mr. Ahmad joined the Company on a consulting basis as Interim Chief Financial Officer on November 15, 2019. Mr. Ahmad’s consulting firm, FLG Partners, LLC, received an hourly rate of \$450 for Mr. Ahmad’s services until August 2020.

Discretionary Management Bonus Program

In addition to base salary, each of our Named Executive Officers participates in discretionary Management Bonus Program. Effective in 2019, the Compensation Committee revised the structure of the Management Bonus Program payments to more appropriately reflect its intent, as well as to more closely align with our peers’ practices. The Management Bonus Program is based on corporate performance measures that align the bonus payment with the achievement of specified annual operating goals and any award payments are made following the end of the fiscal year in which the bonus is earned, rather than on a quarterly basis. No bonus was earned under the 2020 Management Bonus Program as none of the goals were met.

Target Bonus Opportunities

For 2020, the target bonuses were designed to reward our Named Executive Officers based on the Company’s overall financial and operational performance and were established after the Compensation Committee consulted with the Company’s compensation consultant. As in prior years, the Compensation Committee determined that the target bonus for the Named Executive Officers should be determined as a percentage of their base salary. The target bonus opportunity is reviewed annually by the Compensation Committee and is based on several factors, including the scope of the Named Executive Officers’ performance, contributions, responsibilities, experience, prior years’ target cash bonus and market conditions.

Corporate Performance Measures

For 2020, based on recommendations from the Compensation Committee, the Board established the corporate performance measures for determining the bonuses payable to the Named Executive Officers as follows:

1) 2020 Global Revenue against the targeted amount	40%
2) Non-GAAP Gross Profit against the targeted amount	30%
3) Non-GAAP Operating Margin against the targeted amount	30%

The Board believed that these corporate performance measures aligned the bonus payment with the achievement of the Company's annual operating goals and enhanced long-term stockholder value creation. The metrics were measured on a non-GAAP basis and compared against the Board-approved budgeted amount.

The Compensation Committee weighted each performance measure as set forth above, such that the given percentage of the bonus was "at risk" based on the level of achievement of the specific performance measure. Performance achievement of each of the specific performance measures was based on a sliding scale with the minimum achievement for any payout set at 90% of the individual performance measure, and the potential for "over-achievement" capped at 200% as set forth in the tables below:

Achievement	Payout	Achievement	Payout	Achievement	Payout
<89%	0%	110%	120%	135%	170%
90%	80%	115%	130%	140%	180%
95%	90%	120%	140%	145%	190%
100%	100%	125%	150%	150%	200%
105%	110%	130%	160%	>150%	Capped

As a result of the Company's performance in 2020, no amounts were paid under the Company's bonus plan. For fiscal year 2020, the bonus opportunity, and the amount actually earned by Named Executive Officers, was as follows:

Named Executive Officers	Annual Cash Bonus Target (\$ (1))	Annual Cash Bonus Paid for 2020(\$ (2))
Mr. Mowry	446,333	100,000
Mr. Richey	370,156	0
Mr. Seth	72,188	27,344

- (1) The Annual Cash Bonus Target and the Annual Cash Bonus Paid for 2020 was based on the corporate performance measures and the target bonus percentage that each was entitled to, per the Named Executive Officer's employment agreement. The Plan requires that the employee be employed throughout the year to be eligible to receive the bonus. The annual bonus opportunity is based on achievement factor of 100%.
- (2) No bonus was earned under the 2020 Management Bonus Program as none of the goals were met. Notwithstanding the above, the Board utilized its discretion to award: (i) a bonus for Mr. Mowry in the amount of \$100,000 for his contributions to the Company during a very difficult year. During 2020 he obtained a payroll protection program (PPP) loan, managed the downsizing of the organization which reduced costs significantly to preserve cash and ultimately achieve our revised "Pandemic Period" top line and bottom line revised forecast and oversaw the completion of an equity offering and revolving credit facility and (ii) a bonus for Mr. Seth in the amount of \$27,344 for the following contributions to the Company during a very difficult year: 1) managed expenses and reduced costs significantly to preserve cash, and 2) assisted and supported the turnaround of the Company's financial performance in the second half of 2020.

Long-Term Incentive Program

We believe that equity-based compensation promotes and encourages long-term successful performance by our Named Executive Officers that is aligned with the organization's goals and the generation of stockholder value. Our equity compensation goals for our Named Executive Officers are based upon the following principles:

- Stockholder and Named Executive Officer interests should be aligned;
- Key and high-performing employees, who have a demonstrable impact on our performance or stockholder value, should be compensated in this manner;
- The program should be structured to provide meaningful retention incentives to participants;
- The equity awards should reflect each individual's experience, performance, potential and be comparable to the Peer Group awards for the respective position; and
- Actual awards should be tailored to reflect individual performance and attraction/retention objectives.

Equity Incentive Compensation

Under our 2019 Equity Incentive Plan, we are permitted to grant stock options, stock appreciation rights, restricted stock ("RSAs"), restricted stock units ("RSUs"), performance stock awards ("PSUs"), and other stock or cash-based awards as determined by the Board. Under the 2019 Equity Incentive Plan, we generally grant RSUs and PSUs to our executive officers, directors and employees. We grant annual equity awards to Named Executive Officers and certain members of management with a vesting start date of January 1. Aside from our annual equity awards practices, the Compensation Committee of the Board approves equity awards to new and recently hired or promoted employees once each quarter at the Compensation Committee meeting with the grant date fair value to be calculated as of the date of the award.

Our Compensation Committee awarded the following equity awards to our Named Executive Officers in fiscal year 2020:

These achieved shares represent 30% of the total awarded shares following assessment against the performance targets, of which, 15% vested on January 1, 2021 and the remaining shares would vest on January 1, 2022.
- (5) The amounts reported in this column reflect the fair value of equity awards calculated in accordance with ASC Topic 718. See Note 6 of the Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2020 filed with the SEC on March 23, 2021 for a discussion of the valuation assumptions for our stock-based compensation.

Performance Stock Unit Awards:

In February 2020, our Board, upon the recommendation of our Compensation Committee, granted PSU awards to our Named Executive Officers and other members of management, and established the performance metrics. The number of PSUs awarded to the Named Executive Officers resulted in a varying number of shares of common stock vesting on January 1, 2021 and 2022 based on the achievement of the specified performance metrics set forth below, and subject to the recipient continuing to provide service to the Company through the vesting date. The PSU awards represent the aggregate number of shares that could have been earned from achievement of the performance metrics approved by the Board. Table below shows performance matrix for 2020 PSU grants awarded to our Named Executive Officers and other members of management, including Messrs. Mowry and Richey.

Performance Metric for CEO and President		Weighting of Goal
(1)	Freeze Acne Laser design and submit 510k application to US FDA within 2020 calendar year	40%
(2)	Expand installed base mix associated with consumables to greater than 40% of active systems	30%
(3)	Outsource key energy-based aesthetic platforms; receiving greater than 150 commercial units into inventory and generating over \$500k in COGS savings in Fiscal Year 2020	30%

Mr. Seth's employment commenced on August 4, 2020. At that time, he was awarded a performance-based restricted stock award covering a target of 22,423 shares. This award is subject to performance-based criteria relating to the achievement of certain goals with 40% based on achievement of Finance department goals and 60% based on the Company's achievement of financial performance as shown below:

Performance Metric for CFO		Weighting of Goal
Finance department goals		
(1)	Successful on-time completion and filing of the Company's Form 10-K within 5% of budgeted audit partner fee structures	15%
(2)	Sustaining Finance Department capacity-retaining mission critical talent and avoiding departures without prearranged backup plans as measured by staffing rate of greater than 95% positions filled / occupied within the finance department positions from your start date through March 15, 2021	10%
(3)	Successful submission of FY 2021 operating budget to the Board by no later than December 1, 2020	10%
(4)	Replacement of current contracted Controls & Audit function with capable in-house staff by March 15, 2021	5%
The Company's financial performance goals		
(5)	the Company's achievement of the annual Operating Budget for Non-GAAP Operating Margins, as determined by the Board for FY2021	30%
(6)	the Company's achievement of the annual Operating Budget for Non-GAAP Operating Margins, as determined by the Board for FY2022	30%

The following table sets forth the number of shares of common stock that potentially could have vested for our Named Executive Officers on January 1, 2021, subject to the Board's affirmative finding that the performance criteria were met based on the level of achievement (or failure to achieve) each of the performance targets discussed below, and upon the Company filing its Annual Report on Form 10-K:

Number of Shares of Performance-Based Common Stock that Vested on January 1, 2021

Name	If Minimum Thresholds are Not Met	At 100% of Target Performance	Actual Vested Shares
Mr. Mowry	0	6,517	1,955
Mr. Richey	0	5,703	1,711
Mr. Seth	0	8,971	8,971
Mr. Ahmad	0	0	0

For Messrs. Mowry and Richey only one of the three PSU goals was met, which is equivalent to 30% of the awards with earned shares vests over two years. 1,955 and 1,711 shares of Messrs. Mowry and Richey's awards, respectively, were released upon the Board's affirmative finding that the performance metrics were met based on the level of achievement (or failure to achieve) each of the performance targets, and upon the Company filing its Annual Report on Form 10-K. The remaining shares were cancelled. 8,971 shares of Mr. Seth's award vested on January 1, 2021, which represents 40% of the performance award, and released upon our Board's approval on April 29, 2021.

Benefits

We provide the following benefits to our Named Executive Officers generally on the same basis as the benefits provided to all employees. These benefits are consistent with those offered by other companies and specifically with those companies with which we compete for employees:

- Health, dental and vision insurance;
- Life insurance;
- Short-term and long-term disability insurance;
- 401(k) plan with 25% employer matching contributions, capped at 6% of total employee eligible contributions;
- ESPP participation eligibility (see below); and
- Flexible Spending Accounts.

Employee Stock Purchase Plan

We maintain a 2019 Employee Stock Purchase Plan (ESPP) that provides eligible employees with the opportunity to purchase shares of our common stock at a 15% discounted price to the lower of the fair market value at either the beginning or the end of the applicable offering period.

Post-Employment Compensation

Our employment agreements with our Named Executive Officers include Change of Control and Severance Agreements. The purpose of these COC Agreements is to provide incentives to our Named Executive Officers to continue their employment with the Company and not be distracted by the possibility of loss of employment as a result of an acquisition of the Company or for other reasons. For a summary of the material terms and conditions of these COC Agreements, see Potential Payments Upon Termination or Change in Control below.

Internal Revenue Code Section 162(m) and Limitations on Executive Compensation

Section 162(m) of the Code generally disallows public companies a tax deduction for federal income tax purposes of remuneration in excess of \$1 million paid to the chief executive officer, chief financial officer, and each of the three other most highly-compensated executive officers in any taxable year.

The Tax Cuts and Jobs Act of 2017 was signed into law on December 22, 2017. The new law expands the types of compensation subject to the \$1 million limitation under Section 162(m) of the Code to include compensation that was previously deductible as “performance-based compensation” and to also now include the chief financial officer as a covered employee. In addition, the new rule expands the definition of a “covered employee” to include any individuals who have previously been a covered employee for any years after December 31, 2016.

The Compensation Committee believes that, in establishing the cash and equity incentive compensation plans and arrangements for our executive officers, the potential deductibility of the compensation payable under those plans and arrangements should be only one of a number of relevant factors taken into consideration, and not the sole governing factor. For that reason, the Compensation Committee may deem it appropriate to provide one or more of our executive officers with the opportunity to earn incentive compensation, whether through cash incentive awards tied to our financial performance or equity incentive awards tied to the executive officer’s continued service, which may be in excess of the amount deductible by reason of Section 162(m) or other provisions of the Code.

The Compensation Committee believes it is important to maintain cash and equity incentive compensation at the requisite level to attract and retain the individuals essential to our financial success, even if all or part of that compensation may not be deductible by reason of the Section 162(m) limitation.

Accounting for Stock-Based Compensation

We follow Financial Accounting Standard Board Accounting Standards Codification Topic 718 (“ASC 718”) for our stock-based compensation awards. ASC 718 requires companies to measure the compensation expense for all share-based payment awards made to employees and directors, including stock options, based on the grant date “fair value” of these awards. This calculation is performed for accounting purposes and reported in the compensation tables below, even though our executive officers may never realize any value from their awards. ASC Topic 718 also requires companies to recognize the compensation cost of their stock-based awards in their income statements over the period that an employee is required to render service in exchange for the award.

Securities Authorized for Issuance Under Equity Compensation Plans

Our stockholders have approved 2019 Equity Incentive Plan, which is an amendment and restatement of 2004 Equity Incentive Plan.

The following table provides information regarding the shares of Cutera common stock that may be issued upon the exercise of stock options, RSUs, PSUs, and the projected ESPP contributions under our equity compensation plans as of December 31, 2020.

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights (\$)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))
	(a)	(b)	(c)

Equity compensation plan not approved by security holders			
Total	225,878	22.35(1)	1,563,826

(1) The weighted average exercise price does not take into account outstanding RSUs or PSUs, which have no exercise price.

*Other Compensation Practices and Policies***Stock Ownership Guidelines**

To enhance our overall corporate governance practices and executive compensation program, our Board adopted Stock Ownership Guidelines on July 28, 2017 for our officers (as defined by Rule 16a-1(f) of the Securities Exchange Act of 1934, as amended) (“Executives”). The Stock Ownership Guidelines were amended and restated in their entirety by Amended and Restated Stock Ownership Guidelines adopted by our Board on June 11, 2019, which the Compensation Committee intends to review annually. These guidelines are designed to align our executive officers’ interests with our stockholders’ long-term interests by promoting long-term ownership of our common stock, which our Board believes reduces the incentive for excessive short-term risk taking. These guidelines provide that our Chief Executive Officer and our other Executives must hold shares of our common stock having a value not less than three times and one time, respectively, of their annual salary. Each Executive has five years from the date of his or her appointment, or if an Executive at the time of the adoption of the Stock Ownership Guidelines, four years from the adoption of the Stock Ownership Guidelines (July 28, 2017), to attain such level of ownership. Additionally, our Executives must hold at least 50% of any shares received pursuant to stock options, stock appreciation rights, vested restricted stock awards, restricted stock units, performance shares or performance units (net of taxes) for a minimum of one year following vesting and delivery.

As of April 1, 2021, the current Named Executive Officers' holdings and targeted guidelines were as follows:

Named Executive Officer	Stock Ownership as of April 1, 2021	Minimum Stock Ownership Required(1)
Mr. Mowry	41,079	62,903(2)
Mr. Richey	89,700	18,548(3)
Mr. Seth	8,971(5)	11,290(4)
Mr. Ahmad	—(6)	—

(1) Based on the closing stock price of \$31.00 on April 1, 2021.

(2) Minimum stock ownership required by July 2024.

(3) Minimum stock ownership required by July 2023.

(4) Minimum stock ownership required by August 2025.

The compensation elements that are subject to recovery under this policy include:

Potential Payments Upon Termination or Change in Control**Single Trigger**

In 2017, after consulting with Compensia, the Compensation Committee recommended that we enter into revised Change of Control ("COC") Agreements with each of our Named Executive Officers. These revised agreements provide that if a Named Executive Officer's employment with the Company is terminated by the Company without "cause" (as defined in the applicable COC Agreement) or by the Named Executive Officer for "good reason" (as defined in the agreement) not in connection with a COC (either prior to three months before or after 12 months following a COC, as defined in the agreement) of the Company (commonly referred to as "single trigger"), the Named Executive Officer will receive, subject to signing a release of claims in favor of the Company, the following severance payment:

Named Executive Officer	Lump Sum Severance Payments
Mr. Mowry	100% of base salary; 100% of actual bonus paid in the prior fiscal year; and 12 months of COBRA reimbursement
Mr. Richey	100% of base salary; 100% of actual bonus paid in the prior fiscal year; and 12 months of COBRA reimbursement
Mr. Seth	50% of base salary; and 6 months of COBRA reimbursement
Mr. Ahmad(1)	N/A

(1) Mr. Ahmad served on a consulting basis as Interim Chief Financial Officer from November 2019 to August 2020 through the consulting firm, FLG Partners, LLC and did not have a Change of Control and Severance Agreement.

Double Trigger

These agreements also provide that if a Named Executive Officer’s employment with the Company is terminated by the Company without “cause” or by the Named Executive Officer for “good reason” and such termination occurs within the period beginning three months before, and ending 12 months following, a COC of the Company and in connection with a COC (commonly referred to as “double trigger”), the Named Executive Officer will receive, subject to signing a release of claims in favor of the Company:

- (I) A severance payment based on the annual base salary as in effect immediately prior to such termination or, if greater, at the level in effect immediately prior to the COC, as follows:

Named Executive Officer	Lump Sum Severance Payments
Mr. Mowry (1)	100% of base salary; 100% of actual bonus paid in the prior fiscal year; and 12 months of COBRA reimbursement
Mr. Richey(2)	100% of base salary; 100% of actual bonus paid in the prior fiscal year; and 12 months of COBRA reimbursement
Mr. Seth (1)	50% of base salary; 50% of target bonus in the fiscal year in which the termination date occurs; and 6 months of COBRA reimbursement
Mr. Ahmad	N/A

and

- (II) (1) Automatic vesting in full of all outstanding and unvested equity awards that solely vest on a time basis held by each Named Executive Officer as of the date of the COC. If, however, such equity awards are to vest and/or the amount of the awards to vest is to be determined based on the achievement of performance criteria (e.g. PSU), then any portion of such awards for which the performance period is ongoing as of the COC will have the performance period shortened and performance measured based on the shortened period, and to the extent performance is achieved, will vest.
- (2) Automatic vesting in full of all outstanding and unvested equity awards that solely vest on a time basis held by each Named Executive Officer as of the date of the COC. If, however, such equity awards are to vest and/or the amount of the awards to vest is to be determined based on the achievement of performance criteria (e.g. PSU), then the equity awards are cancelled.

The COC Agreements are for an initial term of three years, and will extend for an additional year unless the Company or the applicable Named Executive Officer provides written notice at least 60 days prior to the third anniversary of the COC Agreement. The COC Agreements of our Named Executive Officers expire as follows:

Named Executive Officer	COC Expiration Date
Mr. Mowry	July 9, 2022
Mr. Richey	July 9, 2021
Mr. Seth	August 4, 2023
Mr. Ahmad(1)	N/A

- (1) *Mr. Ahmad served as Interim Chief Financial Officer on a consulting basis from November 2020 to August 2020 through the consulting firm, FLG Partner, LLC and does not have a Change of Control and Severance Agreement.*

For purposes of these agreements, “cause” means a Named Executive Officer’s termination of employment only upon:

- (i) His willful failure to substantially perform his or her duties (subject to notice and a reasonable period to cure), other than a failure resulting from his or her complete or partial incapacity due to physical or mental illness or impairment;
- (ii) His willful act which constitutes gross misconduct and which is injurious to the Company;
- (iii) His willful breach of a material provision of the agreement (subject to notice and reasonable period to cure); or
- (iv) His knowing, material and willful violation of a federal or state law or regulation applicable to the business of the Company.

For purposes of these agreements, “good reason” means a Named Executive Officer’s termination of employment within 90 days following the expiration of any cure period following the occurrence of one or more of the following, without his or her consent:

- (i) a material reduction in his authority, duties, or responsibilities relative to duties, position or responsibilities in effect immediately prior to such reduction;
- (ii) a material reduction in his cash compensation as in effect immediately prior to such reduction; or
- (iii) a material change in the geographic location at which he must perform services (in other words, the relocation of the Named Executive Officer to a facility that is more than 50 miles from his then-current location).

[Table of Contents](#)

The following table lists our current Named Executive Officers and the estimated payments and benefits that each of them would have received had their employment with the Company been terminated without “cause” or had they resigned for “good reason” on April 1, 2021 not in connection with a change of control of the Company.

Name	Estimated Total Value of Cash Payment (\$)	Estimated Total Value of Health Coverage Continuation (\$)
Mr. Mowry	750,000	26,490
Mr. Richey	667,921	18,684
Mr. Seth	175,000	13,677
Mr. Ahmad	—	—

The following table lists our current Named Executive Officers and the estimated payments and benefits that each of them would have received had their employment with the Company been terminated without “cause” or had they resigned for “good reason” in connection with a change of control of the Company on April 1, 2021.

Name	Estimated Total Value of Cash Payment (\$)	Estimated Total Value of Health Coverage Continuation (\$)	Value of Accelerated Equity (\$)(1)
Mr. Mowry	750,000	26,490	3,487,872(2)
Mr. Richey	667,921	18,684	2,097,615(3)
Mr. Seth	350,000	13,677	859,448(2)
Mr. Ahmad	—	—	—

- (1) We estimated the value of acceleration of any outstanding and unvested stock option and RSU awards held by each of our current Named Executive Officers based on a market price of \$31.00 per share for Cutera common stock at close of the market on April 1, 2021.
- (2) We assumed 100% of goals for unvested PSUs had been achieved for the purpose of this calculation.
- (3) Awards that would vest based on the achievement of performance criteria (i.e. PSUs) are cancelled in accordance with the terms of Change of Control and Severance Agreement with Mr. Richey.

Severance payments upon termination or change in control would be payable to the recipient only if the Named Executive Officer signs and does not revoke a release of claims with the Company (in a form reasonably acceptable to the Company) and provided that such release of claims becomes effective no later than sixty (60) days following the termination date. In addition, the Named Executive Officer would need to have complied and agreed to comply with the terms of any confidential information agreement executed by Named Executive Officer in favor of the Company and the provisions of the severance agreements.

Principal Executive Officer Pay Ratio Disclosure

Pursuant to Item 402(u) of Regulation S-K, we are providing the following information about the relationship between the median of the annual total compensation of all our employees (other than our Chief Executive Officer, Mr. Mowry) and the annual total compensation of our Chief Executive Officer.

For 2020:

- the median of the annual total compensation of all our employees (other than our Chief Executive Officer) was \$99,826;
- the annual total compensation of our Chief Executive Officer, as reported in the 2020 Summary Compensation Table included in this Proxy Statement, was \$1,334,582; and
- the ratio of our Chief Executive Officer's annual total compensation to the median of the annual total compensation of all our employees was 13:1.

This pay ratio is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K.

To identify our median employee, we used the following methodology:

- To determine our total employee population, we included all full-time, part-time, temporary, and seasonal employees as of December 31, 2020, exclusive of our Chief Executive Officer. As of December 31, 2020, we and our consolidated subsidiaries employed approximately 323 individuals. We did not include any contractors or other non-employee workers in our employee population.
- To identify our median employee from our employee population, we calculated the aggregate amount of each employee’s base salary or wages and 2020 cash bonus or sales commission, as appropriate, for the period from January 1, 2020 through December 31, 2020, which compensation measures were consistently applied. We elected not to include the grant date fair value of equity awards granted in 2020 in determining the median employee because we determined that equity awards are not widely granted throughout the organization.
- We annualized the base salary or wages of all permanent (full-time and part-time) employees who were employed by us for less than the entire calendar year.
- All compensation not paid in U.S. dollars was converted to U.S. dollars using the historic exchange rate made available by the United States Federal Reserve System as of December 31, 2020.

Using this approach, we identified our median employee. Once the median employee was identified, we then calculated the annual total compensation of this employee for 2020 using the same methodology we use for calculating the annual total compensation of our named executive officers in accordance with the requirements of the Summary Compensation Table.

We determined our Chief Executive Officer’s annual total compensation for 2020 as reported in our 2020 Summary Compensation Table.

(ss) “Unvested Awards” will mean Options or Restricted Stock that (i) were granted to an individual in connection with such individual’s position as an Employee and (ii) are still subject to vesting or lapsing of Company repurchase rights or similar restrictions.

3. Stock Subject to the Plan.

(a) Stock Subject to the Plan. Subject to the provisions of Section 17 of the Plan, as of June 15, 2021, the maximum aggregate number of shares of common stock that may be awarded and sold under the Plan is 11,601,192, of which 1,424,593 shares remained available for future awards.

(b) Full Value Awards. Any Shares subject to Awards granted prior to June 14, 2019 with an exercise price less than Fair Market Value on the date of grant of such Awards will be counted against the numerical limits of this Section 3 as 2.12 Shares for every one Share subject thereto. Further, if Shares acquired pursuant to any such Award are forfeited or repurchased by the Company and would otherwise return to the Plan pursuant to Section 3(c), 2.12 times the number of Shares so forfeited or repurchased will return to the Plan and will again become available for issuance. This Section 3(b) shall not apply to Awards granted on or after June 14, 2019.

(c) Lapsed Awards. If an Award expires or becomes unexercisable without having been exercised in full, or, with respect to Restricted Stock, Restricted Stock Units, Performance Shares or Performance Units, is forfeited to or repurchased by the Company, the unpurchased Shares (or for Awards other than Options and Stock Appreciation Rights, the forfeited or repurchased Shares) which were subject thereto will become available for future grant or sale under the Plan (unless the Plan has terminated). Upon exercise of a Stock Appreciation Right settled in Shares, the gross number of Shares covered by the portion of the Award so exercised will cease to be available under the Plan. If the exercise price of an Option is paid by tender to the Company, or attestation to the ownership, of Shares owned by the Participant, the number of Shares available for issuance under the Plan will be reduced by the gross number of Shares for which the Option is exercised. Shares that have actually been issued under the Plan under any Award will not be returned to the Plan and will not become available for future distribution under the Plan; provided, however, that if unvested Shares of Restricted Stock, Restricted Stock Units, Performance Shares or Performance Units are repurchased by the Company or are forfeited to the Company, such Shares will become available for future grant under the Plan. Shares used to pay the tax and/or exercise price of an Award will not become available for future grant or sale under the Plan. To the extent an Award under the Plan is paid out in cash rather than Shares, such cash payment will not result in reducing the number of Shares available for issuance under the Plan. Notwithstanding the foregoing provisions of this Section 3(c), subject to adjustment provided in Section 17, the maximum number of Shares that may be issued upon the exercise of Incentive Stock Options will equal the aggregate Share number stated in Section 3(a), plus, to the extent allowable under Section 422 of the Code, any Shares that become available for issuance under the Plan under this Section 3(c).

(d) Share Reserve. The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as will be sufficient to satisfy the requirements of the Plan.

4. Administration of the Plan.

(a) Procedure.

(i) Multiple Administrative Bodies. Different Committees with respect to different groups of Service Providers may administer the Plan.

(ii) Rule 16b-3. To the extent desirable to qualify transactions hereunder as exempt under Rule 16b-3, the transactions contemplated hereunder will be structured to satisfy the requirements for exemption under Rule 16b-3.

(iii) Other Administration. Other than as provided above, the Plan will be administered by (A) the Board or (B) a Committee, which committee will be constituted to satisfy Applicable Laws.

(b) Powers of the Administrator. Subject to the provisions of the Plan, and in the case of a Committee, subject to the specific duties delegated by the Board to such Committee, the Administrator will have the authority, in its discretion:

(i) to determine the Fair Market Value;

(ii) to select the Service Providers to whom Awards may be granted hereunder;

(iii) to determine the number of Shares to be covered by each Award granted hereunder;

(iv) to approve forms of agreement for use under the Plan;

(v) with the approval of the Company's stockholders, to institute an Exchange Program;

(vi) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Awards may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Award or the Shares relating thereto, based in each case on such factors as the Administrator will determine;

(vii) to construe and interpret the terms of the Plan and Awards granted pursuant to the Plan;

(viii) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of satisfying applicable foreign laws;

(ix) to modify or amend each Award (subject to Section 22(c) of the Plan), including the discretionary authority to extend the post-termination exercisability period of Awards longer than is otherwise provided for in the Plan;

(x) to allow Participants to satisfy withholding tax obligations by electing to have the Company withhold from the Shares to be issued upon exercise of an Award that number of Shares having a Fair Market Value equal to the minimum amount required to be withheld (the Fair Market Value of the Shares to be withheld will be determined on the date that the amount of tax to be withheld is to be determined and all elections by a Participant to have Shares withheld for this purpose will be made in such form and under such conditions as the Administrator may deem necessary or advisable);

(xi) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator;

(xii) to allow a Participant to defer the receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant under an Award pursuant to such procedures as the Administrator may determine; and

(xiii) to make all other determinations deemed necessary or advisable for administering the Plan.

(c) Effect of Administrator's Decision. The Administrator's decisions, determinations and interpretations will be final and binding on all Participants and any other holders of Awards.

5. Eligibility and Minimum Vesting.

(a) Eligibility. Nonstatutory Stock Options, Restricted Stock, Restricted Stock Units, Stock Appreciation Rights, Performance Units, Performance Shares, and such other cash or stock awards as the Administrator determines may be granted to Service Providers. Incentive Stock Options may be granted only to Employees.

(b) Minimum Vesting. Except as provided below, all Awards granted on or after June 14, 2019 that are designated to be settled in Shares shall be subject to the following minimum vesting requirements. All such time-based Awards shall vest over a period of at least one year from the date the Award was granted. All such performance-based Awards shall vest over a Performance Period of not less than one year, which may include the Fiscal Year during which the Award is granted. The foregoing minimum vesting requirements shall not apply: (i) with respect to 5% of the Shares which remain available for future awards as set forth in Section 3(a) (such 5% being the "Carve-Out Exception"), and (ii) to the vesting of an Award that is accelerated as a result of a Participant's death or Disability, a Change in Control under terms consistent with this Plan or the Administrator's exercise of discretion in accordance with the terms of this Plan. To the extent Section 3(a) is amended to increase the number of Shares reserved therein, then 5% of the Shares subject to such increase shall be added to, and increase, the number of Shares subject to the Carve-Out Exception.

6. Stock Options.

(a) Limitations.

(i) Each Option will be designated in the Award Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Participant during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds \$100,000 (U.S.), such Options will be treated as Nonstatutory Stock Options. For purposes of this Section 6(a), Incentive Stock Options will be taken into account in the order in which they were granted. The Fair Market Value of the Shares will be determined as of the time the Option with respect to such Shares is granted.

(ii) The following limitations will apply to grants of Options:

(1) No Service Provider will be granted, in any Fiscal Year, Options to purchase more than 1,000,000 Shares.

(2) In connection with his or her initial service, a Service Provider may be granted Options to purchase up to an additional 1,000,000 Shares, which will not count against the limit set forth in Section 6(a)(ii)(1) above.

(3) The foregoing limitations will be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 17.

(4) If an Option is cancelled in the same Fiscal Year in which it was granted (other than in connection with a transaction described in Section 17), the cancelled Option will be counted against the limits set forth in subsections (1) and (2) above.

(b) Term of Option. The term of each Option will be stated in the Award Agreement, but in no event will the term be greater than seven (7) years from the date of grant. In the case of an Incentive Stock Option, the term will be seven (7) years from the date of grant or such shorter term as may be provided in the Award Agreement. Moreover, in the case of an Incentive Stock Option granted to a Participant who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option will be five (5) years from the date of grant or such shorter term as may be provided in the Award Agreement.

(c) Option Exercise Price and Consideration.

(i) Exercise Price. The per share exercise price for the Shares to be issued pursuant to exercise of an Option will be determined by the Administrator, subject to the following:

(1) In the case of an Incentive Stock Option

a) granted to an Employee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the per Share exercise price will be no less than 110% of the Fair Market Value per Share on the date of grant.

b) granted to any Employee other than an Employee described in paragraph (A) immediately above, the per Share exercise price will be no less than 100% of the Fair Market Value per Share on the date of grant.

c) Notwithstanding the foregoing, Incentive Stock Options may be granted with a per Share exercise price of less than 100% of the Fair Market Value per Share on the date of grant pursuant to a transaction described in, and in a manner consistent with, Section 424(a) of the Code.

(2) In the case of a Nonstatutory Stock Option, the per Share exercise price will be determined by the Administrator, but the per Share exercise price will be no less than 100% of Fair Market Value per Share on the date of grant. Notwithstanding the foregoing, Nonstatutory Stock Options may be granted with a per Share exercise price of less than 100% of the Fair Market Value per Share on the date of grant pursuant to a transaction described in, and in a manner consistent with, Section 424(a) of the Code.

(3) Waiting Period and Exercise Dates. At the time an Option is granted, the Administrator will fix the period within which the Option may be exercised and will determine any conditions that must be satisfied before the Option may be exercised.

(4) Form of Consideration. The Administrator will determine the acceptable form(s) of consideration for exercising an Option, including the method of payment. In the case of an Incentive Stock Option, the Administrator will determine the acceptable form of consideration at the time of grant. Such consideration may consist entirely of: (1) cash; (2) check; (3) promissory note; (4) other Shares, provided that such Shares have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option will be exercised and provided that accepting such Shares, in the sole discretion of the Administrator, shall not result in any adverse accounting consequences to the Company; (5) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan; (6) a reduction in the amount of any Company liability to the Participant, including any liability attributable to the Participant's participation in any Company-sponsored deferred compensation program or arrangement; (7) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws; or (8) any combination of the foregoing methods of payment.

(d) Exercise of Option.

(i) Procedure for Exercise; Rights as a Stockholder. Any Option granted hereunder will be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share.

An Option will be deemed exercised when the Company receives: (i) written or electronic notice of exercise (in accordance with the Award Agreement) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Award Agreement and the Plan. Shares issued upon exercise of an Option will be issued in the name of the Participant or, if requested by the Participant, in the name of the Participant and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder will exist with respect to the Shares, notwithstanding the exercise of the Option. The Company will issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 17 of the Plan.

Exercising an Option in any manner will decrease the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(ii) Termination of Relationship as a Service Provider. If a Participant ceases to be a Service Provider, other than upon the Participant's termination as the result of the Participant's death or Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option will remain exercisable for three (3) months following the Participant's termination. Unless otherwise provided by the Administrator, if on the date of termination the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will revert to the Plan. If after termination the Participant does not exercise his or her Option within the time specified by the Administrator, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

(iii) Disability of Participant. If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option will remain exercisable for twelve (12) months following the Participant's termination. Unless otherwise provided by the Administrator, if on the date of termination the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will revert to the Plan. If after termination the Participant does not exercise his or her Option within the time specified herein, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

(iv) Death of Participant. If a Participant dies while a Service Provider, the Option may be exercised following the Participant's death within such period of time as is specified in the Award Agreement to the extent that the Option is vested on the date of death (but in no event may the option be exercised later than the expiration of the term of such Option as set forth in the Award Agreement), by the Participant's designated beneficiary, provided such beneficiary has been designated prior to Participant's death in a form acceptable to the Administrator. If no such beneficiary has been designated by the Participant, then such Option may be exercised by the personal representative of the Participant's estate or by the person(s) to whom the Option is transferred pursuant to the Participant's will or in accordance with the laws of descent and distribution. In the absence of a specified time in the Award Agreement, the Option will remain exercisable for twelve (12) months following Participant's death. Unless otherwise provided by the Administrator, if at the time of death Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will immediately revert to the Plan. If the Option is not so exercised within the time specified herein, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

7. Restricted Stock.

(a) Grant of Restricted Stock. Subject to the terms and provisions of the Plan, the Administrator, at any time and from time to time, may grant Shares of Restricted Stock to Service Providers in such amounts as the Administrator, in its sole discretion, will determine.

(b) Restricted Stock Agreement. Each Award of Restricted Stock will be evidenced by an Award Agreement that will specify the Period of Restriction, the number of Shares granted, and such other terms and conditions as the Administrator, in its sole discretion, will determine. Notwithstanding the foregoing sentence, during any Fiscal Year no Participant will receive more than an aggregate of 300,000 Shares of Restricted Stock. Notwithstanding the foregoing limitation, in connection with his or her initial service as an Employee, an Employee may be granted an aggregate of up to an additional 300,000 Shares of Restricted Stock. Unless the Administrator determines otherwise, Shares of Restricted Stock will be held by the Company as escrow agent until the restrictions on such Shares have lapsed.

(c) Transferability. Except as provided in this Section 7, Shares of Restricted Stock may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction.

(d) Other Restrictions. The Administrator, in its sole discretion, may impose such other restrictions on Shares of Restricted Stock as it may deem advisable or appropriate.

(e) Removal of Restrictions. Except as otherwise provided in this Section 7, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan will be released from escrow as soon as practicable after the last day of the Period of Restriction. The Administrator, in its discretion, may accelerate the time at which any restrictions will lapse or be removed.

(f) Voting Rights. During the Period of Restriction, Service Providers holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless the Administrator determines otherwise.

(g) Dividends and Other Distributions. During the Period of Restriction, Service Providers holding Shares of Restricted Stock will not be entitled to receive dividends or other distributions paid with respect to such Shares. Following the lapse of the Period of Restriction, Service Providers will be entitled to receive all dividends or other distributions paid with respect to such Shares that accrue after the lapse of the Period of Restrictions. If any such dividends or distributions are paid in Shares, the Shares will be subject to the same restrictions on transferability as the Shares with respect to which they were paid.

(h) Return of Restricted Stock to Company. On the date set forth in the Award Agreement, the Restricted Stock for which restrictions have not lapsed will revert to the Company and again will become available for grant under the Plan.

(i) Performance Restrictions. The Administrator, in its discretion, may set restrictions based upon the achievement of Performance Goals. The Performance Goals will be set by the Administrator.

8. Restricted Stock Units.

(a) Grant. Restricted Stock Units may be granted at any time and from time to time as determined by the Administrator. Each Restricted Stock Unit grant will be evidenced by an Award Agreement that will specify such other terms and conditions as the Administrator, in its sole discretion, will determine, including all terms, conditions, and restrictions related to the grant, the number of Restricted Stock Units and the form of payout, which, subject to Section 8(d), may be left to the discretion of the Administrator. Notwithstanding anything to the contrary in this subsection (a), during any Fiscal Year of the Company, no Participant will receive more than an aggregate of 300,000 Restricted Stock Units. Notwithstanding the limitation in the previous sentence, in connection with his or her initial service as an Employee, an Employee may be granted an aggregate of up to an additional 300,000 Restricted Stock Units.

(b) Vesting Criteria and Other Terms. The Administrator will set vesting criteria in its discretion, which, depending on the extent to which the criteria are met, will determine the number of Restricted Stock Units that will be paid out to the Participant. After the grant of Restricted Stock Units, the Administrator, in its sole discretion, may reduce or waive any restrictions for such Restricted Stock Units. Each Award of Restricted Stock Units will be evidenced by an Award Agreement that will specify the vesting criteria, and such other terms and conditions as the Administrator, in its sole discretion will determine. The Administrator, in its discretion, may accelerate the time at which any restrictions will lapse or be removed.

(c) Earning Restricted Stock Units. Upon meeting the applicable vesting criteria, the Participant will be entitled to receive a payout as specified in the Award Agreement.

(d) Form and Timing of Payment. Payment of earned Restricted Stock Units will be made as soon as practicable after the date(s) set forth in the Award Agreement. The Administrator, in its sole discretion, may pay earned Restricted Stock Units in cash, Shares, or a combination thereof. Shares represented by Restricted Stock Units that are fully paid in cash again will be available for grant under the Plan.

(e) Cancellation. On the date set forth in the Award Agreement, all unearned Restricted Stock Units will be forfeited to the Company.

(f) Performance Restrictions. The Administrator, in its discretion, may set restrictions based upon the achievement of Performance Goals. The Performance Goals will be set by the Administrator.

9. Stock Appreciation Rights.

(a) Grant of SARs. Subject to the terms and conditions of the Plan, a SAR may be granted to Service Providers at any time and from time to time as will be determined by the Administrator, in its sole discretion. The Administrator may grant Affiliated SARs, Freestanding SARs, Tandem SARs, or any combination thereof.

(b) Number of Shares. The Administrator will have complete discretion to determine the number of SARs granted to any Service Provider; provided, however, no Service Provider will be granted, in any Fiscal Year, SARs covering more than 1,000,000 Shares. Notwithstanding the limitation in the previous sentence, in connection with his or her initial service a Service Provider may be granted SARs covering up to an additional 1,000,000 Shares. The foregoing limitations will be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 17. In addition, if a SAR is cancelled in the same Fiscal Year in which it was granted (other than in connection with a transaction described in Section 17), the cancelled SAR will be counted against the numerical share limits set forth above.

(c) Exercise Price and Other Terms. The Administrator, subject to the provisions of the Plan, will have complete discretion to determine the terms and conditions of SARs granted under the Plan; provided, however, that the per Share exercise price of a SAR will be no less than 100% of the Fair Market Value per Share on the date of grant. However, the exercise price of Tandem or Affiliated SARs will equal the exercise price of the related Option.

(d) Exercise of Tandem SARs. Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable. With respect to a Tandem SAR granted in connection with an Incentive Stock Option: (a) the Tandem SAR will expire no later than the expiration of the underlying Incentive Stock Option; (b) the value of the payout with respect to the Tandem SAR will be for no more than one hundred percent (100%) of the difference between the exercise price of the underlying Incentive Stock Option and the Fair Market Value of the Shares subject to the underlying Incentive Stock Option at the time the Tandem SAR is exercised; and (c) the Tandem SAR will be exercisable only when the Fair Market Value of the Shares subject to the Incentive Stock Option exceeds the Exercise Price of the Incentive Stock Option.

(e) Exercise of Affiliated SARs. An Affiliated SAR will be deemed to be exercised upon the exercise of the related Option. The deemed exercise of an Affiliated SAR will not necessitate a reduction in the number of Shares subject to the related Option.

(f) Exercise of Freestanding SARs. Freestanding SARs will be exercisable on such terms and conditions as the Administrator, in its sole discretion, will determine.

(g) SAR Agreement. Each SAR grant will be evidenced by an Award Agreement that will specify the exercise price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Administrator, in its sole discretion, will determine.

(h) Maximum Term/Expiration of SARs. An SAR granted under the Plan will expire upon the date determined by the Administrator, in its sole discretion, and set forth in the Award Agreement. Notwithstanding the foregoing provisions of this Section 9, the rules of Section 6(b) relating to the maximum term, (i.e., that an SAR may not have a term longer than seven (7) years from the date of grant) and Section 6(d) relating to post-termination exercise also will apply to SARs.

(i) Payment of SAR Amount. Upon exercise of an SAR, a Participant will be entitled to receive payment from the Company in an amount determined by multiplying:

- (i) The difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times
- (ii) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Administrator, the payment upon SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof.

10. Performance Units and Performance Shares.

(a) Grant of Performance Units/Shares. Performance Units and Performance Shares may be granted to Service Providers at any time and from time to time, as will be determined by the Administrator, in its sole discretion. The Administrator will have complete discretion in determining the number of Performance Units and Performance Shares granted to each Participant provided that during any Fiscal Year, (i) no Participant will receive Performance Units having an initial value greater than \$2,000,000, and (ii) no Participant will receive more than 300,000 Performance Shares. Notwithstanding the foregoing limitation, in connection with his or her initial service, a Service Provider may be granted up to an additional 300,000 Performance Shares.

(b) Value of Performance Units/Shares. Each Performance Unit will have an initial value that is established by the Administrator on or before the date of grant. Each Performance Share will have an initial value equal to the Fair Market Value of a Share on the date of grant.

(c) Performance Objectives and Other Terms. The Administrator will set performance objectives or other vesting provisions in its discretion which, depending on the extent to which they are met, will determine the number or value of Performance Units/Shares that will be paid out to the Service Providers. Each Award of Performance Units/Shares will be evidenced by an Award Agreement that will specify the Performance Period, and such other terms and conditions as the Administrator, in its sole discretion, will determine. The Administrator may set vesting criteria based upon the achievement of Company-wide, business unit, or individual goals (including, but not limited to, continued employment), or any other basis determined by the Administrator in its discretion.

(d) Earning of Performance Units/Shares. After the applicable Performance Period has ended, the holder of Performance Units/Shares will be entitled to receive a payout of the number of Performance Units/Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance objectives or other vesting provisions have been achieved. After the grant of a Performance Unit/Share, the Administrator, in its sole discretion, may reduce or waive any performance objectives or other vesting provisions for such Performance Unit/Share.

(e) Form and Timing of Payment of Performance Units/Shares. Payment of earned Performance Units/Shares will be made as soon as practicable after the expiration of the applicable Performance Period. The Administrator, in its sole discretion, may pay earned Performance Units/Shares in the form of cash, in Shares (which have an aggregate Fair Market Value equal to the value of the earned Performance Units/Shares at the close of the applicable Performance Period) or in a combination thereof.

(f) Cancellation of Performance Units/Shares. On the date set forth in the Award Agreement, all unearned or unvested Performance Units/Shares will be forfeited to the Company, and again will be available for grant under the Plan.

(g) Performance Restrictions. The Administrator, in its discretion, may set restrictions based upon the achievement of Performance Goals. The Performance Goals will be set by the Administrator.

11. Formula Award Grants to Outside Directors.

All grants of Awards to Outside Directors pursuant to this Section will be automatic and nondiscretionary and will be made in accordance with the following provisions:

(a) Type of Award. All Awards granted pursuant to this Section will be Restricted Stock and, except as otherwise provided herein, will be subject to the other terms and conditions of the Plan.

(b) **No Discretion.** No person will have any discretion to select which Outside Directors will be granted Awards under this Section or to determine the number of Shares to be covered by such Restricted Stock (except as provided in Sections 11(f), 13 and 17).

(c) **Initial Award.** Each person who first becomes an Outside Director following the Registration Date will be automatically granted a number of Shares of Restricted Stock determined by dividing \$150,000 by the closing market price of the Common Stock on the date such person first becomes an Outside Director and rounding down to the nearest full share (the "Initial Award") on or about the date on which such person first becomes an Outside Director, whether through election by the stockholders of the Company or appointment by the Board to fill a vacancy; provided, however, that an Inside Director who ceases to be an Inside Director, but who remains a Director, will not receive a First Option.

(d) **Subsequent Award.** Each Outside Director will be automatically granted a number of Shares of Restricted Stock determined by dividing \$100,000 by the closing market price of the Common Stock on the date of the annual meeting of the stockholders of the Company and rounding down to the nearest full share (a "Subsequent Award"), if as of such date, he or she will have served on the Board for at least the preceding six (6) months.

(e) **Terms.** The terms of each Initial Award and the Subsequent Award granted pursuant to this Section will be as follows:

(i) Subject to Section 17, the Initial Award will vest as to 1/3rd of the Shares subject to such Initial Award on each anniversary of its date of grant, provided that the Participant continues to serve as a Director through each such date.

(ii) Subject to Section 17, the Subsequent Award will vest as to 100% of the Shares subject to such Award on the first anniversary of its date of grant, provided that the Participant continues to serve as a Director through such date.

(f) **Amendment.** The Administrator in its discretion may change and otherwise revise the terms of Awards granted under this Section 11, including, without limitation, the number of Shares and exercise prices thereof or the type of Award to be granted, with respect to Awards granted on or after the date the Administrator determines to make any such change or revision.

12. **Performance Goals.** The granting and/or vesting of Awards of Restricted Stock, Restricted Stock Units, Performance Shares and Performance Units and other incentives under the Plan may be made subject to the attainment of performance goals relating to one or more business criteria and may provide for a targeted level or levels of achievement ("**Performance Goals**") including: (i) cash position, (ii) earnings per Share, (iii) net income, (iv) operating cash flow, (v) operating income, (vi) operating expenses, (vii) product revenues, (viii) profit after-tax, (ix) revenue, (x) revenue growth, and (xii) total stockholder return. Prior to the Determination Date, the Administrator will determine whether any significant element(s) will be included in or excluded from the calculation of any Performance Goal with respect to any Participant. Any Performance Goals may be used to measure the performance of the Company as a whole or a business unit of the Company and may be measured relative to a peer group or index. With respect to any Award, Performance Goals may be used alone or in combination. The Performance Goals may differ from Participant to Participant and from Award to Award. Prior to the Determination Date, the Administrator will determine whether any significant element(s) will be included in or excluded from the calculation of any Performance Goal with respect to any Participant.

13. **Outside Director Limitations.** No Outside Director may be granted, in any Fiscal Year, Awards with a grant date fair value (determined in accordance with U.S. generally accepted accounting principles) of greater than \$400,000. Any Awards granted to an individual while he or she was an Employee, or while he or she was a Consultant but not an Outside Director, will not count for purposes of the limitations under this Section 13.

14. **Leaves of Absence.** Unless the Administrator provides otherwise, vesting of Awards granted hereunder will be suspended during any unpaid leave of absence. A Service Provider will not cease to be an Employee in the case of (i) any leave of absence approved by the Company, or (ii) transfers between locations of the Company or between the Company, its Parent, or any Subsidiary. For purposes of Incentive Stock Options, no such leave may exceed three (3) months, unless reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Company is not so guaranteed, then six (6) months and one day following the commencement of such leave any Incentive Stock Option held by the Participant will cease to be treated as an Incentive Stock Option and will be treated for tax purposes as a Nonstatutory Stock Option.

15. Transferability of Awards. Unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant. If the Administrator makes an Award transferable, such Award will contain such additional terms and conditions as the Administrator deems appropriate.

16. Dividends. To the extent an Award permits the payment of dividends or other distributions on the Shares underlying the Award, Participants will not be entitled to receive such dividends or other distributions until such Award vests. For the avoidance of doubt, Participants will never be entitled to receive dividends or other distributions paid with respect to Shares underlying an Award that accrue prior to the vesting of such Award.

17. Adjustments; Dissolution or Liquidation; Merger or Change in Control.

(a) Adjustments. In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares or other securities of the Company, or other change in the corporate structure of the Company affecting the Shares occurs, the Administrator, in order to prevent diminution or enlargement of the benefits or potential benefits intended to be made available under the Plan, shall appropriately adjust the number and class of Shares that may be delivered under the Plan and/or the number, class, and price of Shares covered by each outstanding Award, and the numerical Share limits set forth in Sections 3, 6, 7, 8, 9, 10 and 13.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator will notify each Participant as soon as practicable prior to the effective date of such proposed transaction. To the extent it has not been previously exercised, an Award will terminate immediately prior to the consummation of such proposed action.

(c) Change in Control. In the event of a Change in Control, each outstanding Award will be assumed or an equivalent option or right substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Award, the Participant will fully vest in and have the right to exercise all of his or her outstanding Options and Stock Appreciation Rights, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock shall lapse, and, with respect to Restricted Stock Units, Performance Shares and Performance Units, all performance goals or other vesting criteria will be deemed achieved at target levels and all other terms and conditions met. In addition, if an Option or Stock Appreciation Right is not assumed or substituted for in the event of a Change in Control, the Administrator will notify the Participant in writing or electronically that the Option or Stock Appreciation Right will be fully vested and exercisable for a period of time determined by the Administrator in its sole discretion, and the Option or Stock Appreciation Right will terminate upon the expiration of such period.

With respect to Awards granted to an Outside Director that are assumed or substituted for, if on the date of or following such assumption or substitution the Participant's status as a Director or a director of the successor corporation, as applicable, is terminated other than upon a voluntary resignation by the Participant not at the request of the successor, then the Participant will fully vest in and have the right to exercise Options and/or Stock Appreciation Rights as to all of the Shares subject to the Award, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock shall lapse, and, with respect to Restricted Stock Units, Performance Shares and Performance Units, all performance goals or other vesting criteria will be deemed achieved at target levels and all other terms and conditions met.

For the purposes of this subsection (c), an Award will be considered assumed if, following the Change in Control, the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, or other securities or property) or, in the case of a Stock Appreciation Right upon the exercise of which the Administrator determines to pay cash or a Restricted Stock Unit, Performance Share or Performance Unit which the Administrator can determine to pay in cash, the fair market value of the consideration received in the merger or Change in Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Change in Control is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of an Option or Stock Appreciation Right or upon the payout of a Restricted Stock Unit, Performance Share or Performance Unit, for each Share subject to such Award (or in the case of Performance Units, the number of implied shares determined by dividing the value of the Performance Units by the per share consideration received by holders of Common Stock in the Change in Control), to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the Change in Control.

Notwithstanding anything in this Section 17(c) to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more Performance Goals will not be considered assumed if the Company or its successor modifies any of such Performance Goals without the Participant's consent; provided, however, a modification to such Performance Goals only to reflect the successor corporation's post-Change in Control corporate structure will not be deemed to invalidate an otherwise valid Award assumption.

18. Tax Withholding

(a) Withholding Requirements. Prior to the delivery of any Shares or cash pursuant to an Award (or exercise thereof), the Company will have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, local, foreign or other taxes (including the Participant's FICA obligation) required to be withheld with respect to such Award (or exercise thereof).

(b) Withholding Arrangements. The Administrator, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit a Participant to satisfy such tax withholding obligation, in whole or in part by (without limitation) (i) paying cash, (ii) electing to have the Company withhold otherwise deliverable cash or Shares having a Fair Market Value equal to the minimum amount required to be withheld, (iii) delivering to the Company already-owned Shares having a Fair Market Value equal to the amount required to be withheld, or (iv) selling a sufficient number of Shares otherwise deliverable to the Participant through such means as the Administrator may determine in its sole discretion (whether through a broker or otherwise) equal to the amount required to be withheld. The amount of the withholding requirement will be deemed to include any amount which the Administrator agrees may be withheld at the time the election is made, not to exceed the amount determined by using the maximum federal, state or local marginal income tax rates applicable to the Participant with respect to the Award on the date that the amount of tax to be withheld is to be determined. The Fair Market Value of the Shares to be withheld or delivered will be determined as of the date that the taxes are required to be withheld.

19. No Effect on Employment or Service. Neither the Plan nor any Award will confer upon a Participant any right with respect to continuing the Participant's relationship as a Service Provider with the Company, nor will they interfere in any way with the Participant's right or the Company's right to terminate such relationship at any time, with or without cause, to the extent permitted by Applicable Laws.

20. Date of Grant. The date of grant of an Award will be, for all purposes, the date on which the Administrator makes the determination granting such Award, or such later date as is determined by the Administrator. Notice of the determination will be provided to each Participant within a reasonable time after the date of such grant.

21. Term of Plan. Subject to Section 25 of the Plan, the Plan will become effective upon its adoption by the Board. It will continue in effect until the date of the annual meeting of the stockholders of the Company in 2030, unless terminated earlier under Section 22 of the Plan.

22. Amendment and Termination of the Plan

(a) Amendment and Termination. The Administrator may at any time amend, alter, suspend or terminate the Plan.

(b) Stockholder Approval. The Company will obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

(c) Effect of Amendment or Termination. No amendment, alteration, suspension or termination of the Plan will impair the rights of any Participant, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing and signed by the Participant and the Company. Termination of the Plan will not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

23. Conditions Upon Issuance of Shares.

(a) Legal Compliance. Shares will not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares will comply with Applicable Laws and will be further subject to the approval of counsel for the Company with respect to such compliance.

(b) Investment Representations.
